Chapter 1 – Pandus

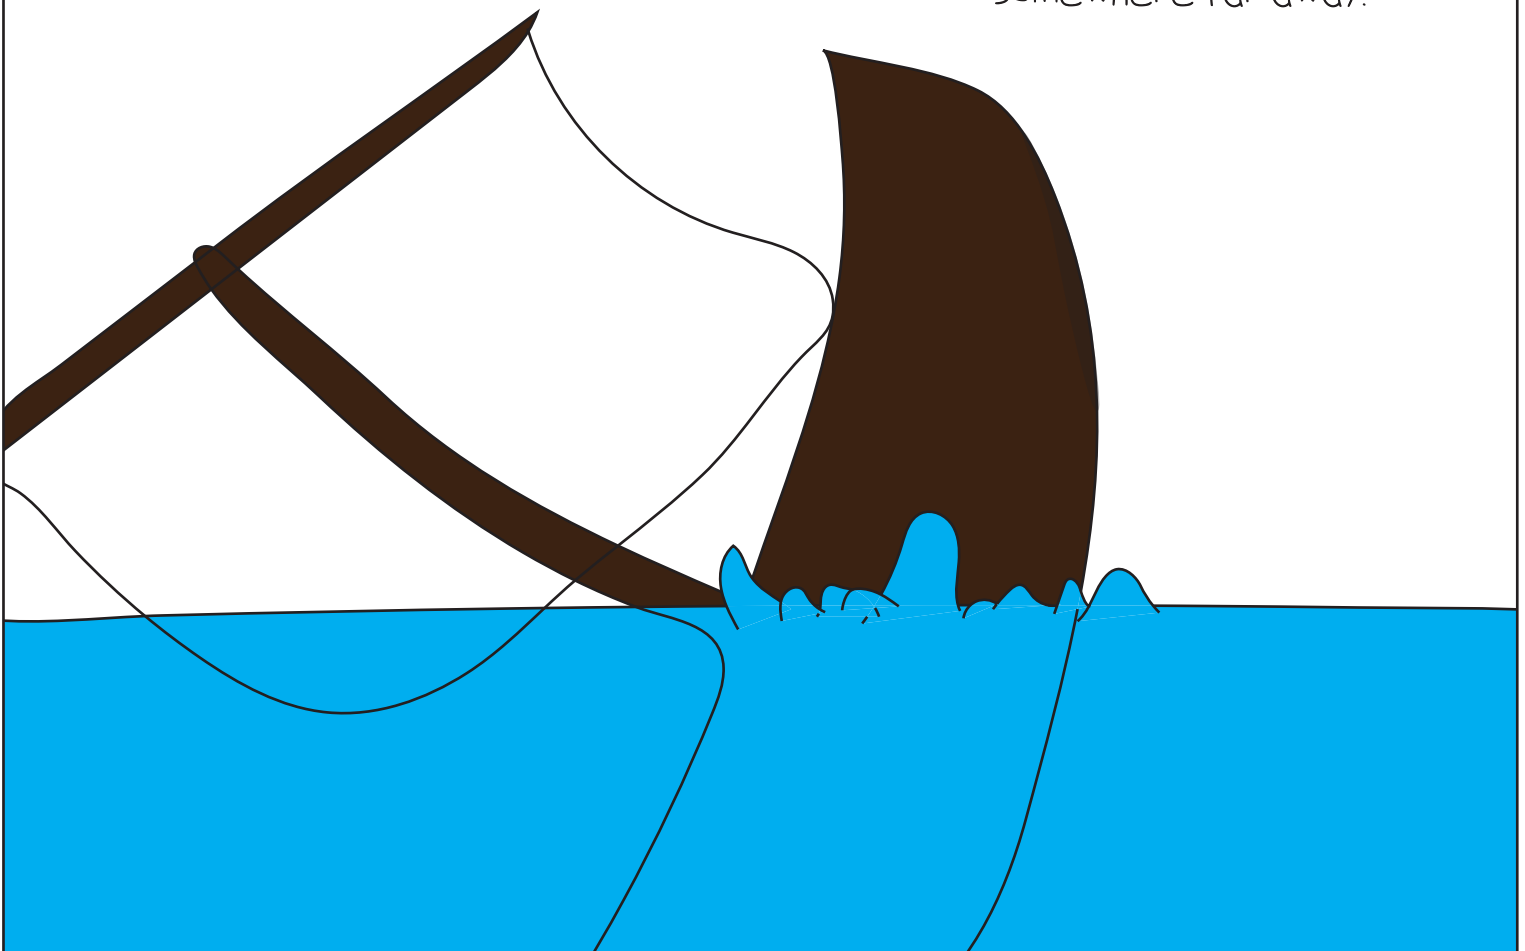

2000 years ago the world was very strange.

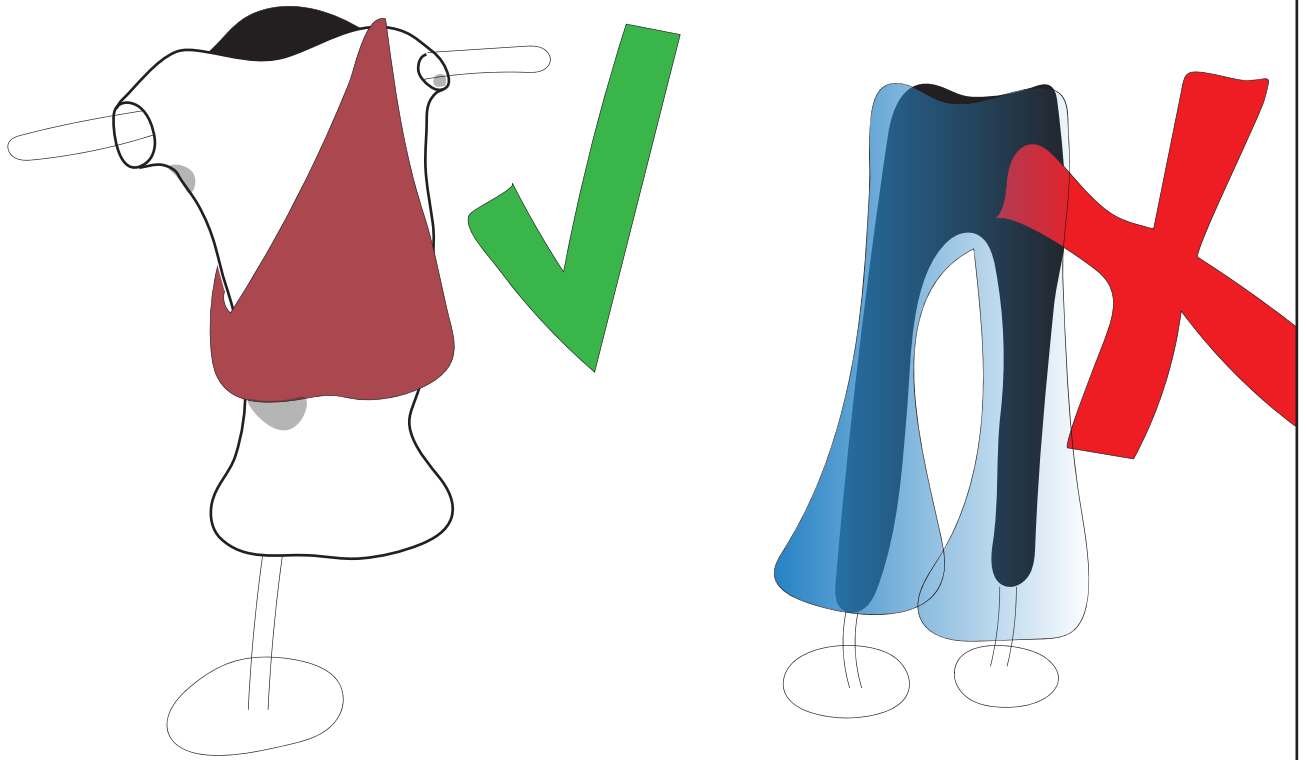

Everyone drove horses instead of cars.

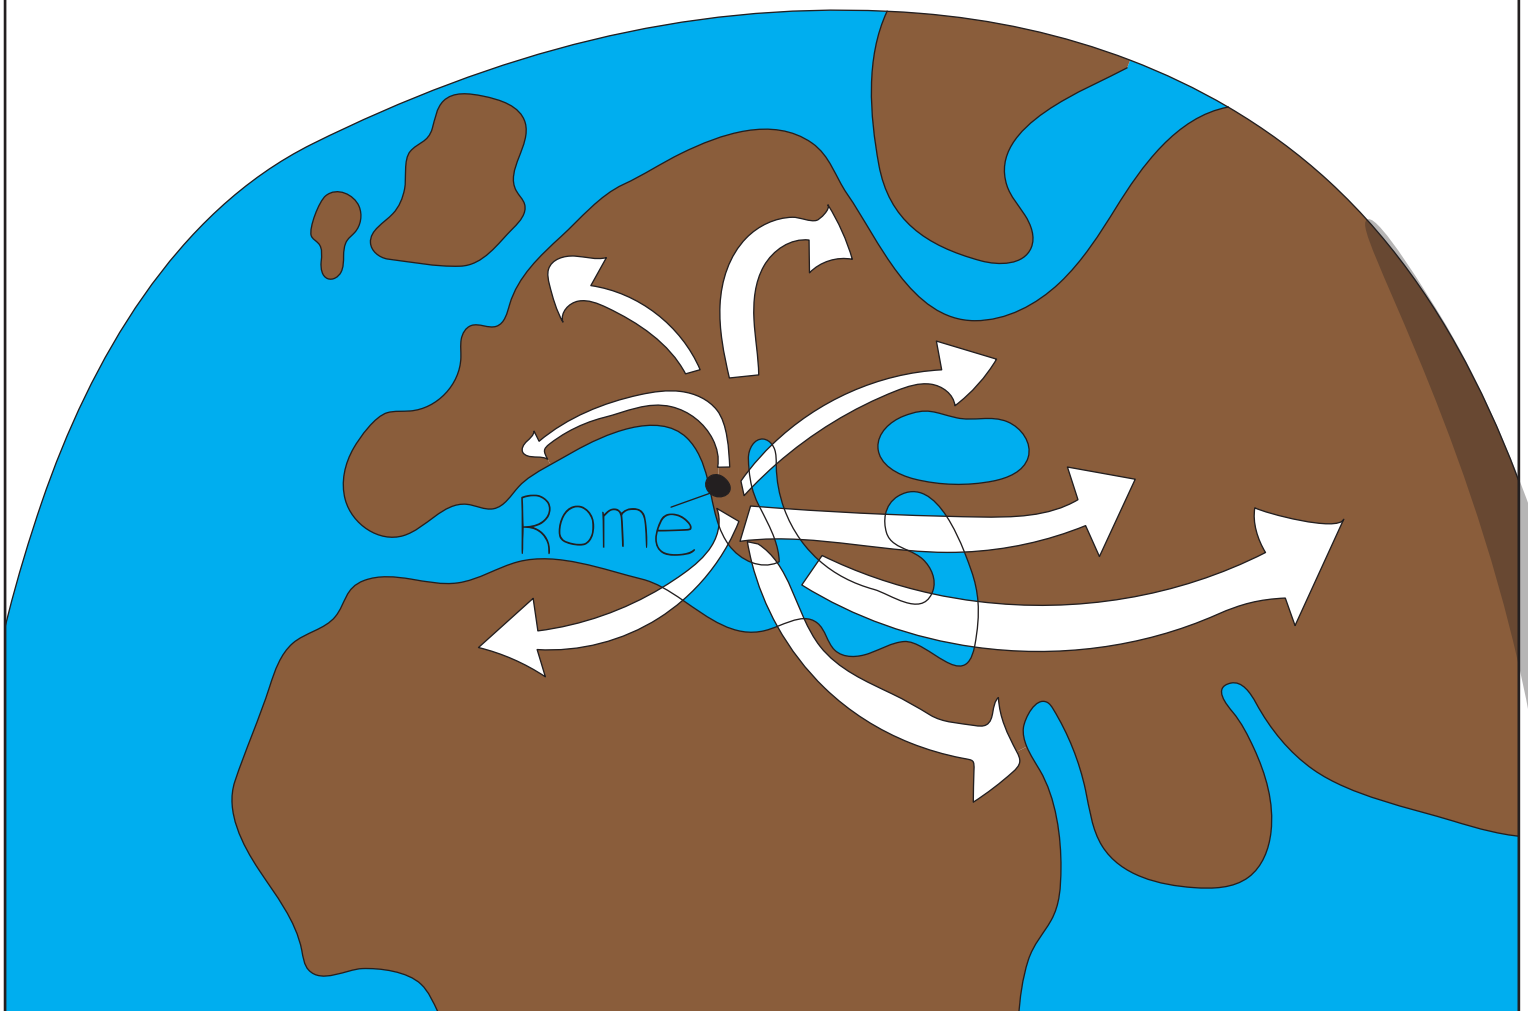

Wooden ships with sails were the best way to get somewhere far away.

Togas were in, pants were out.

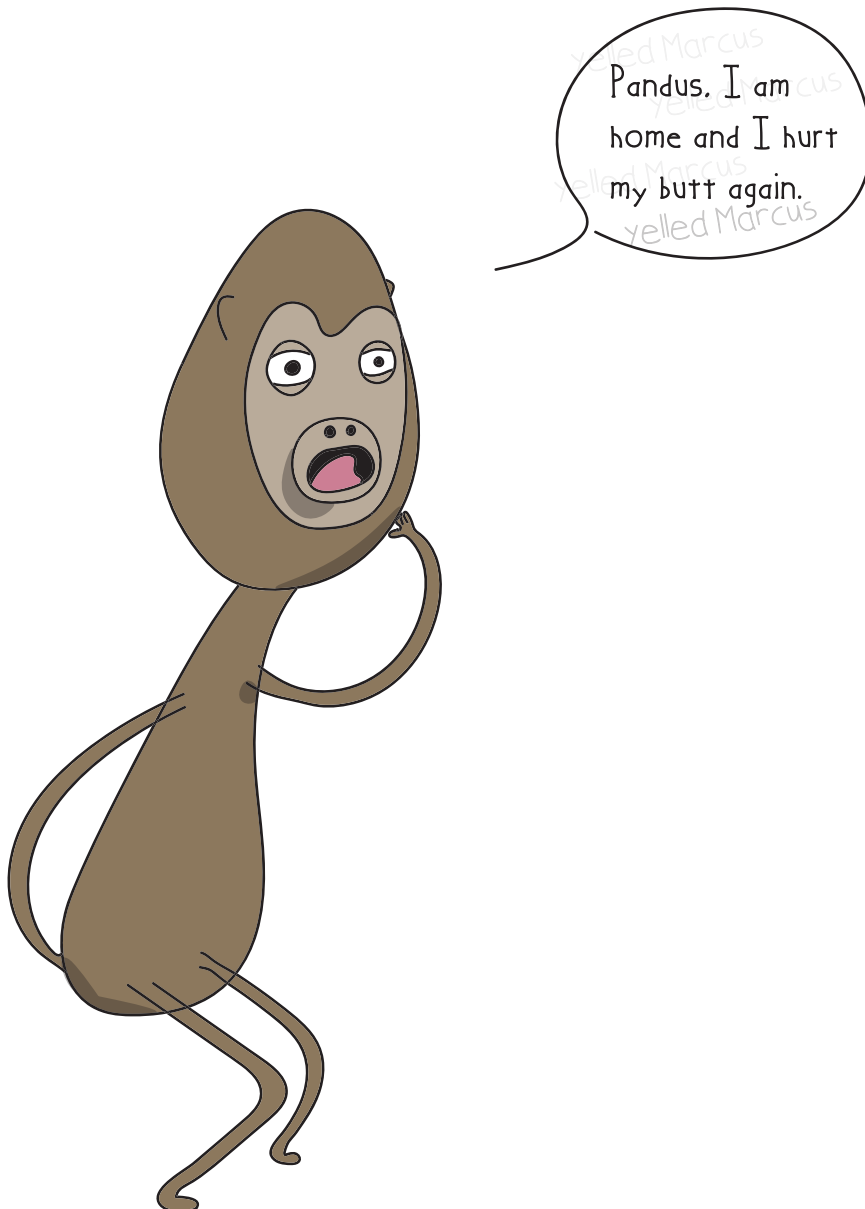

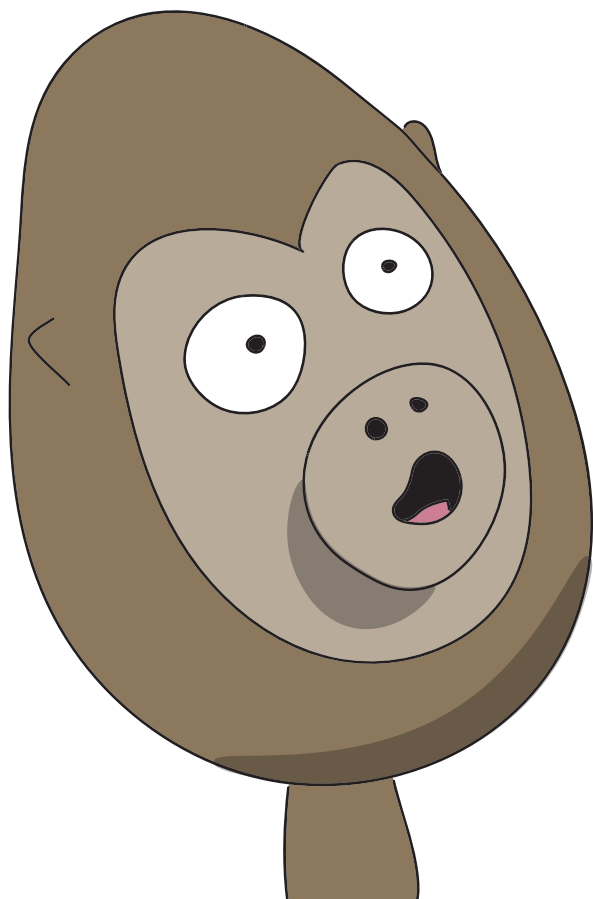

The ancient city of Rome controlled the western world.

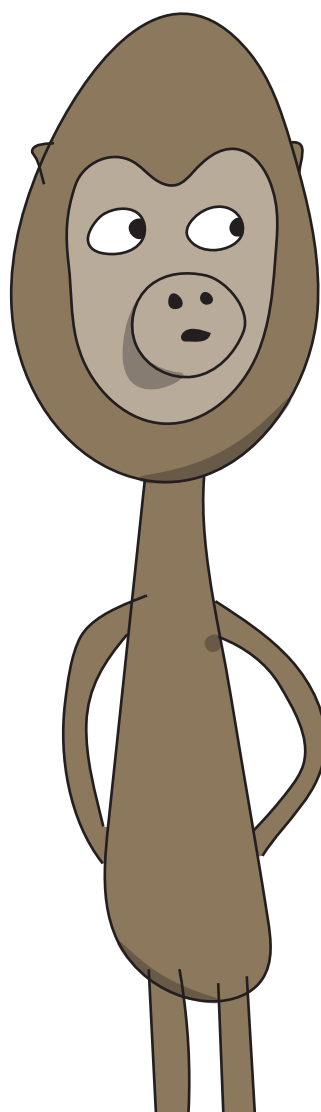

And in that city lived a boy named
Marcus who would grow up to be a
father and a philosopher.

And an emperor.

PANDUS?

... she is probably in
the bathroom.
