Chapter 1 – Pandus

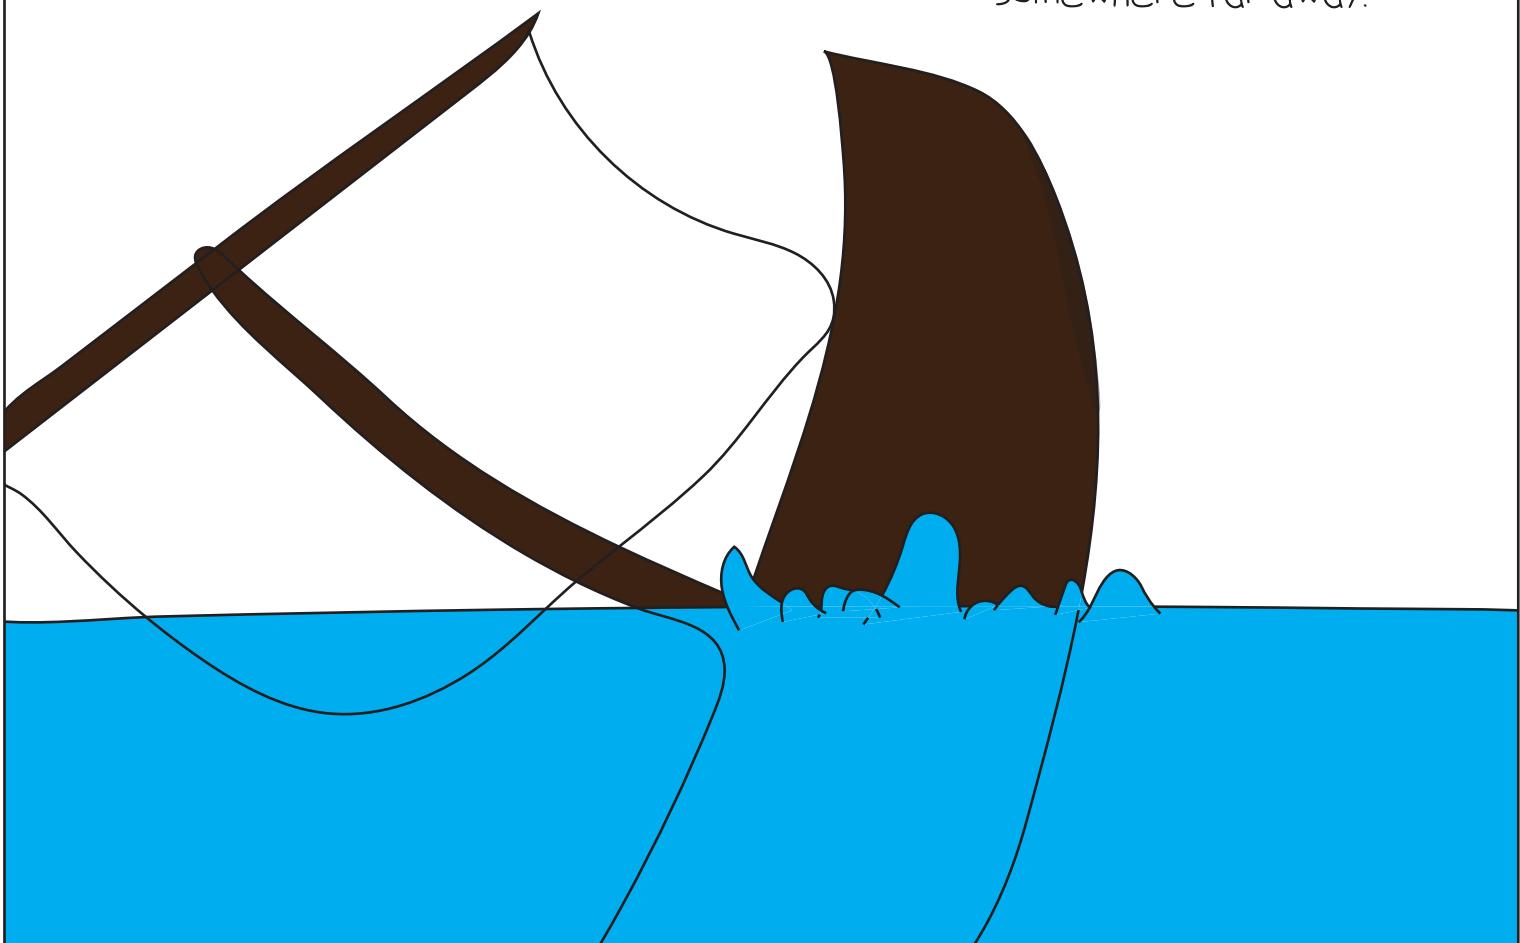

2000 years ago the world was very strange.

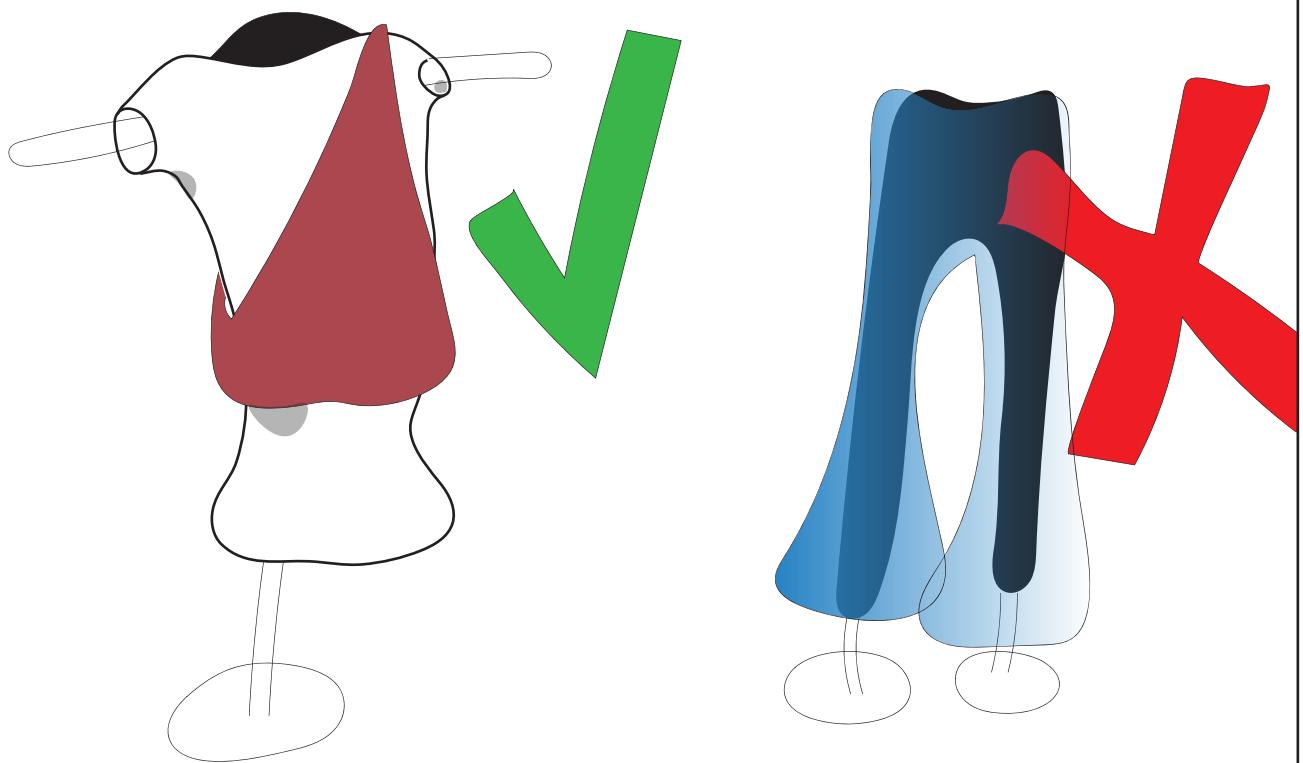

Everyone drove horses
instead of cars.

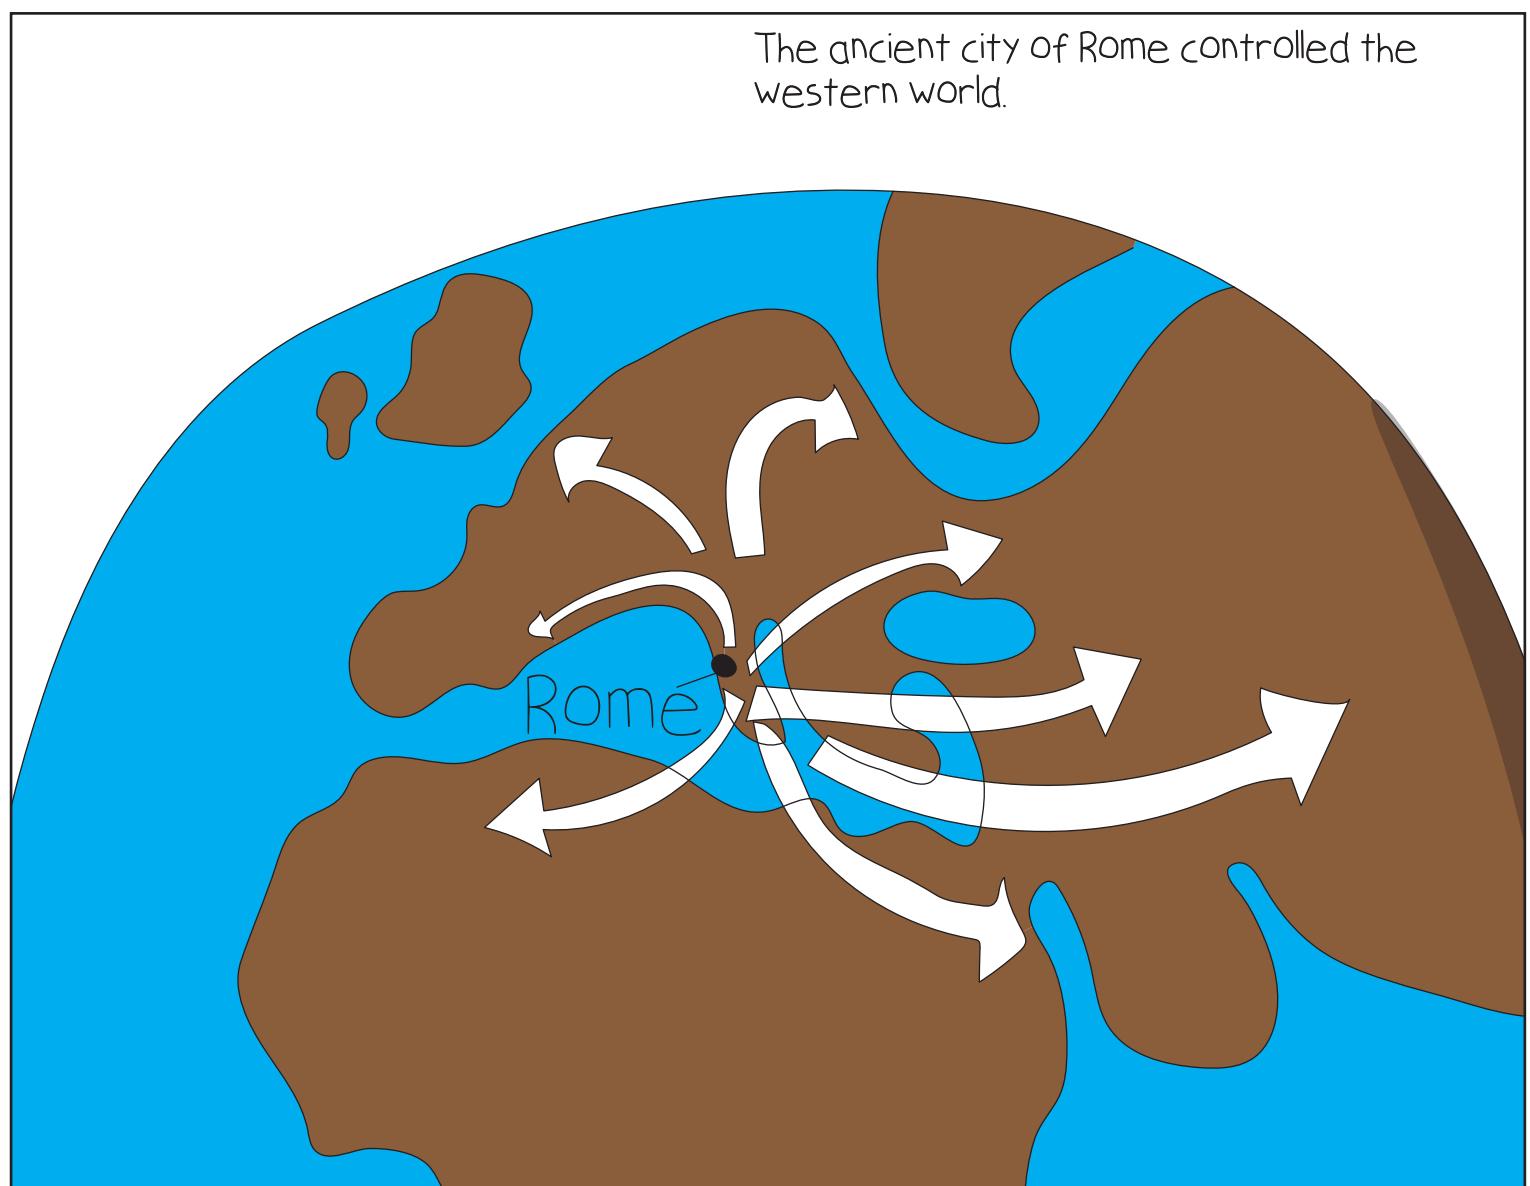

Wooden ships with sails were
the best way to get
somewhere far away.

Togas were in, pants were out.

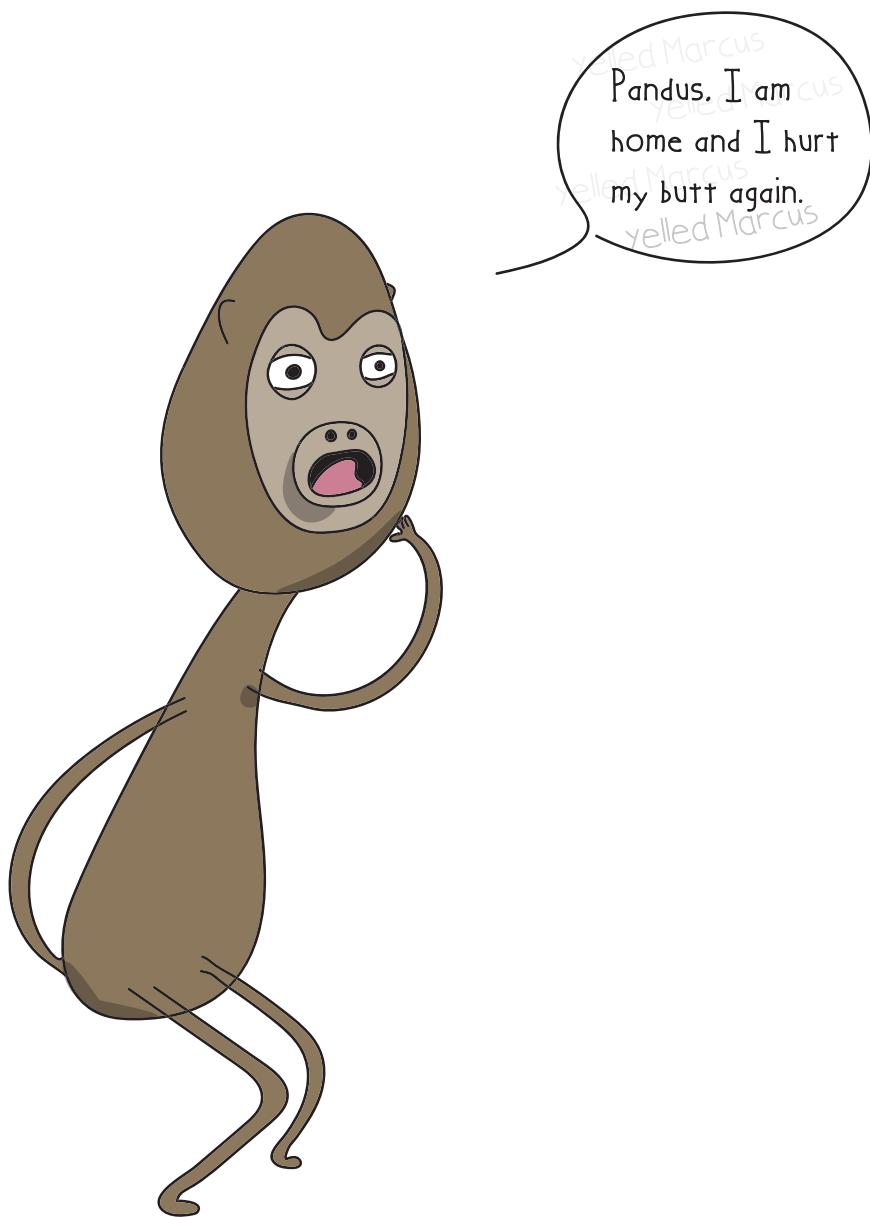

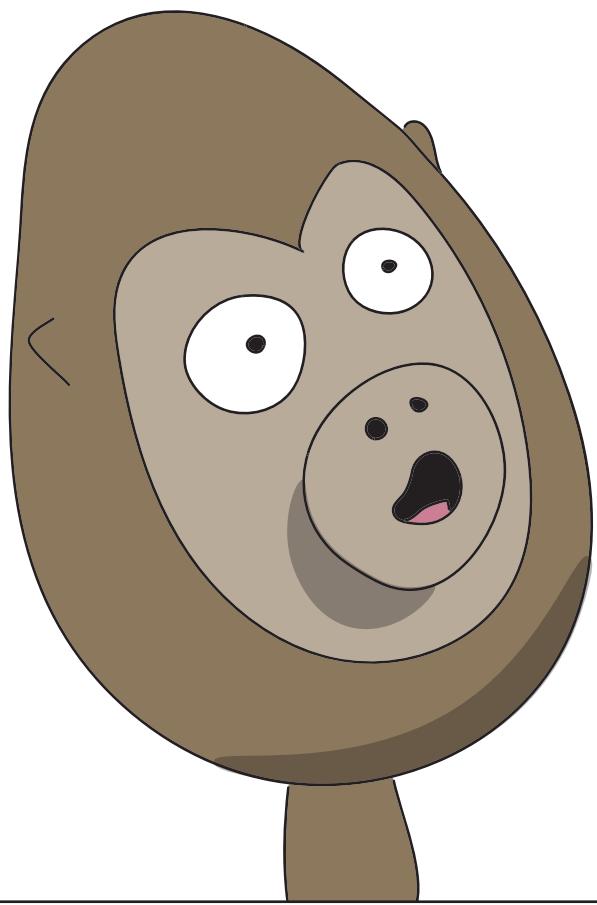

The ancient city of Rome controlled the western world.

And in that city lived a boy named
Marcus who would grow up to be a
father and a philosopher.

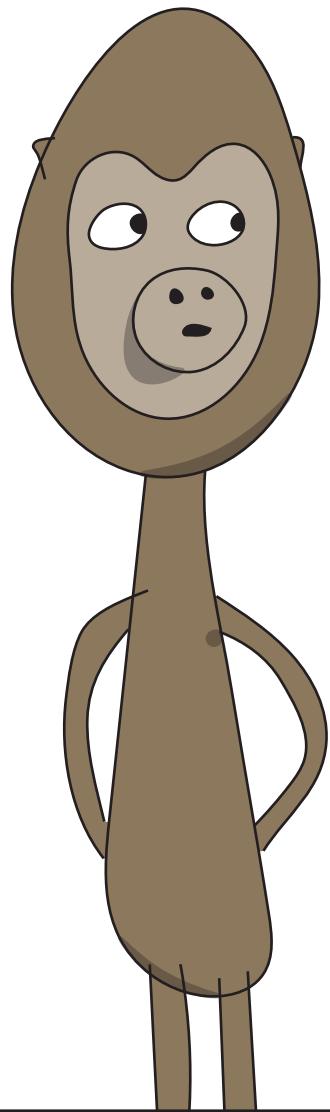

And an emperor.

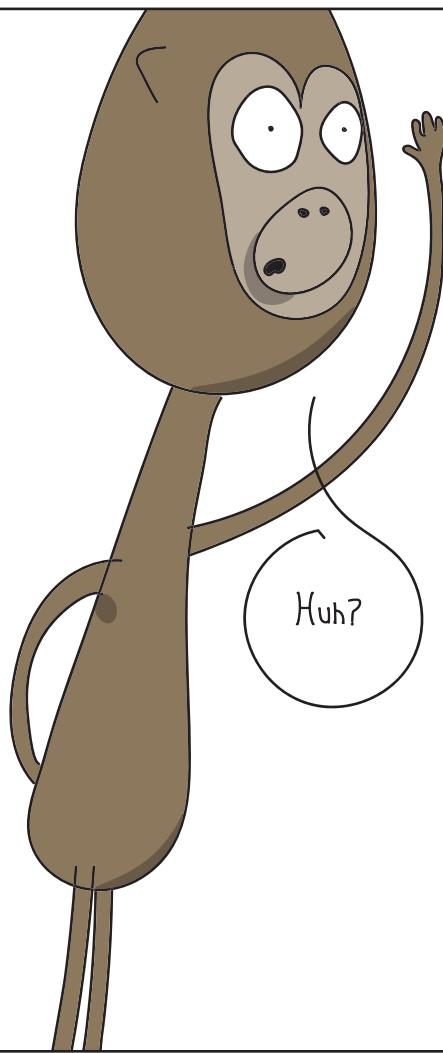

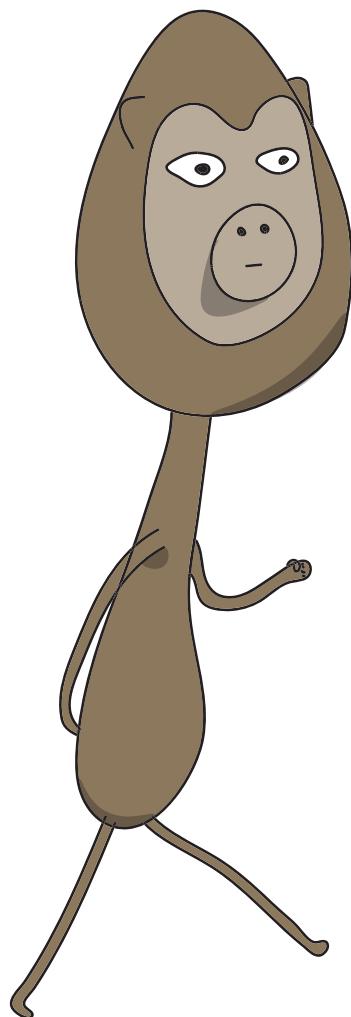

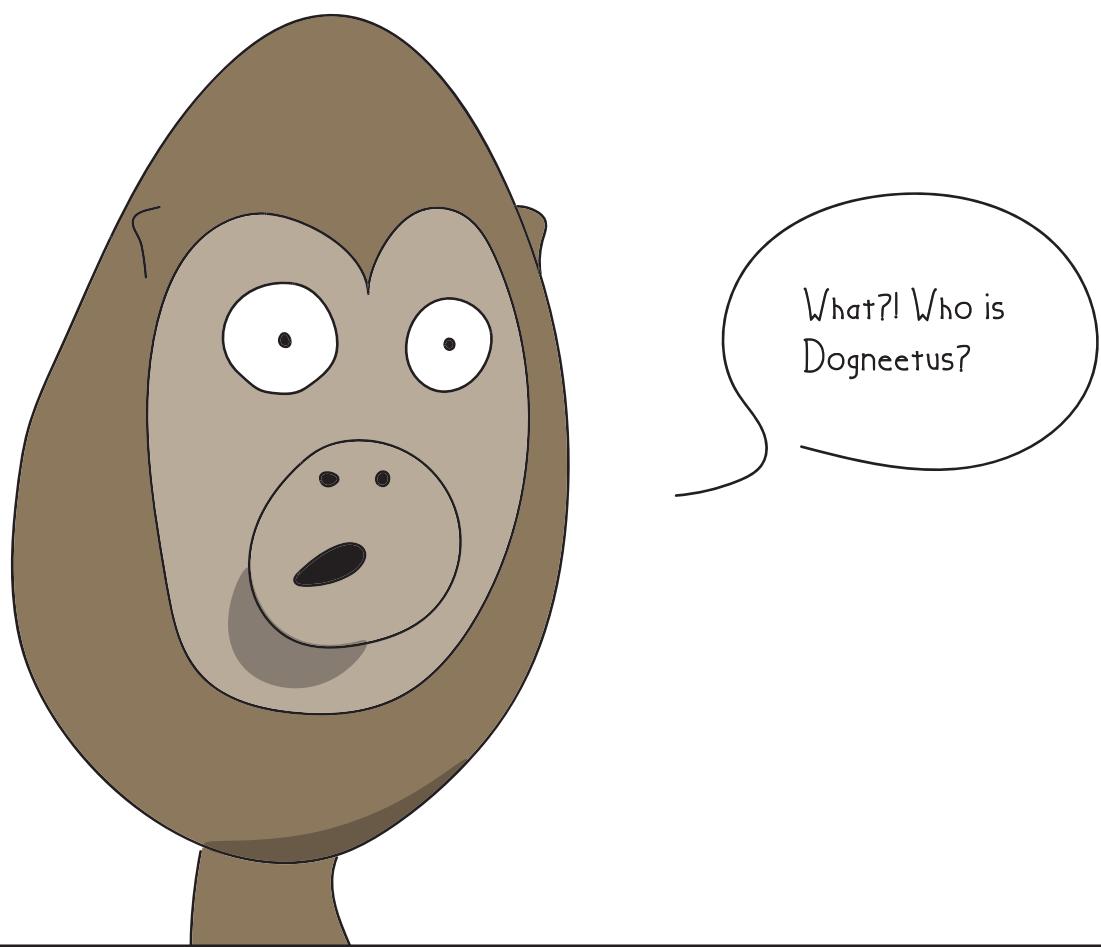

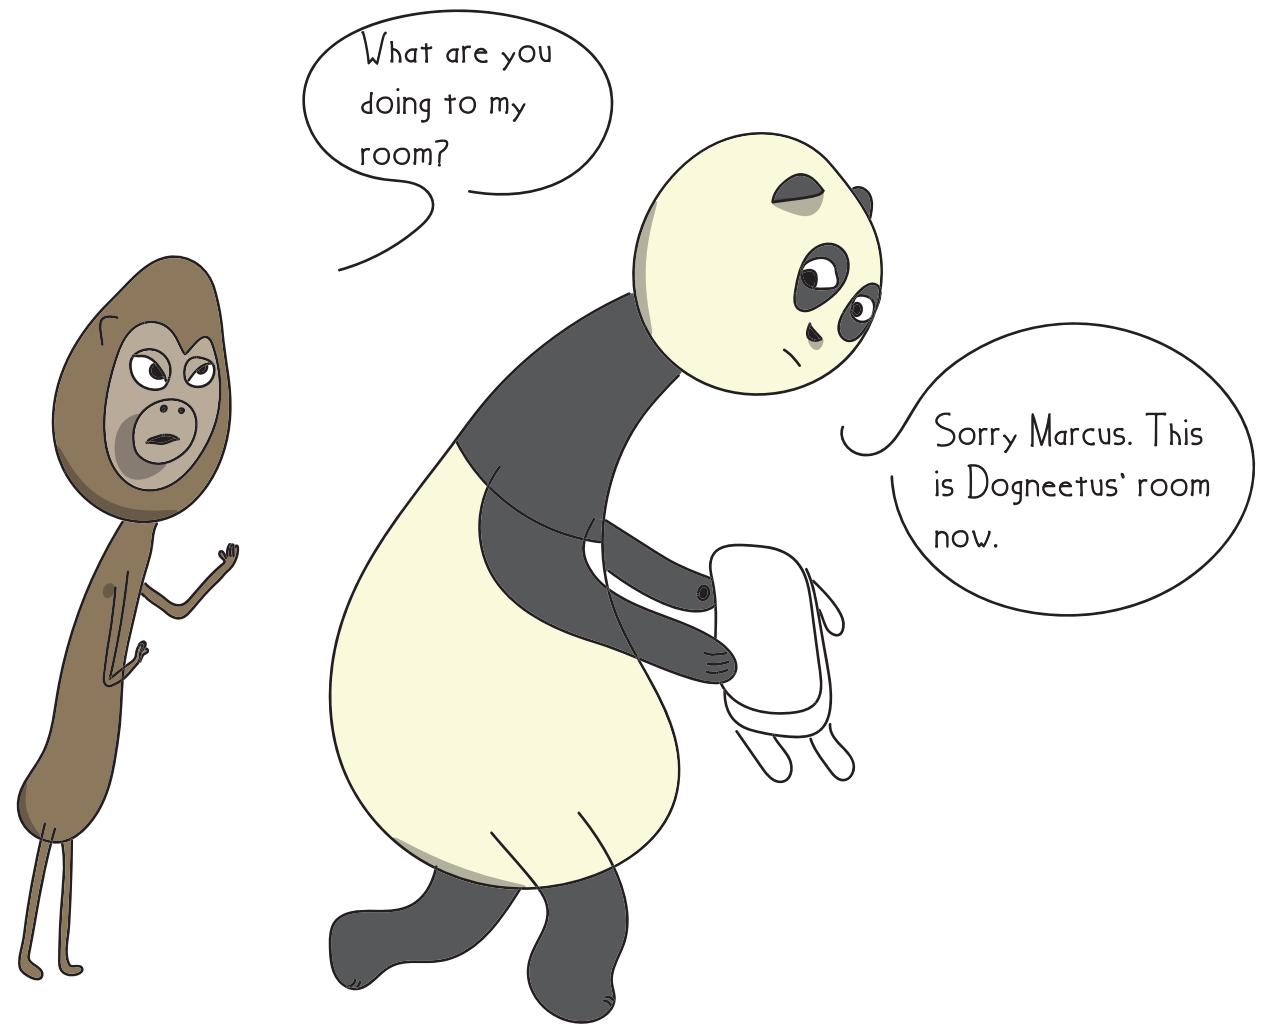

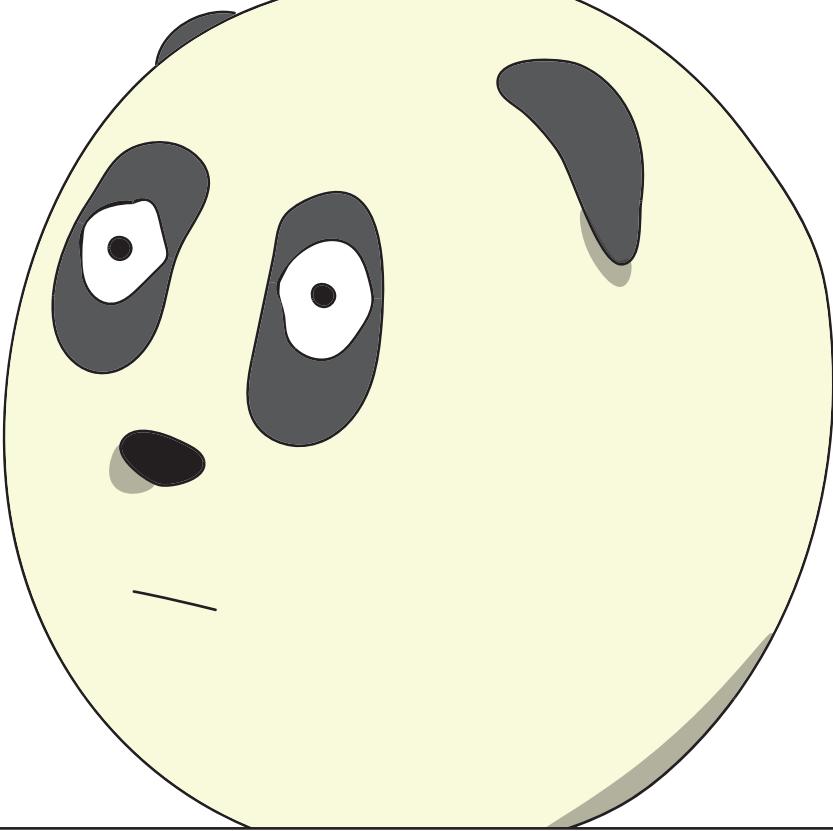

PANDUS?

... she is probably in
the bathroom.

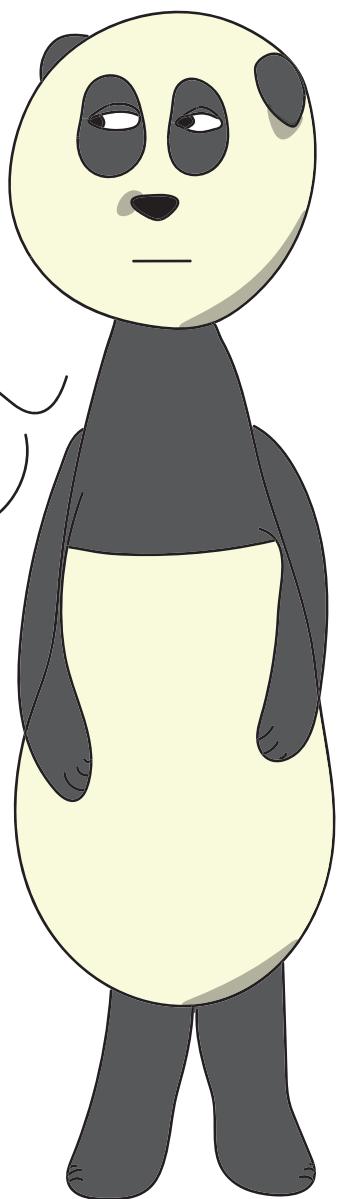

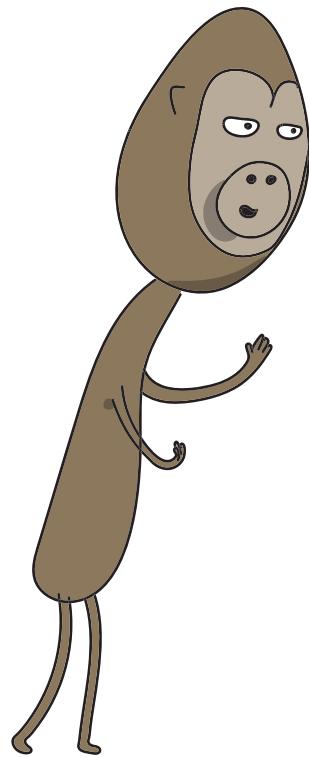

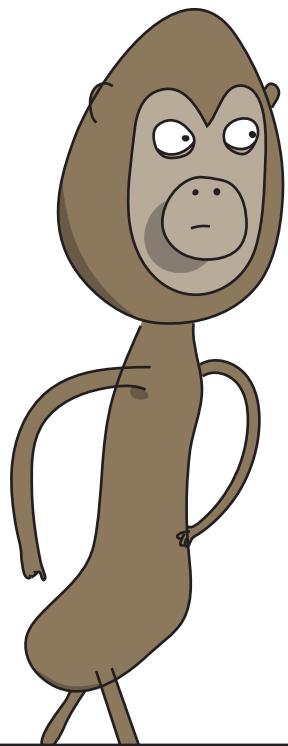

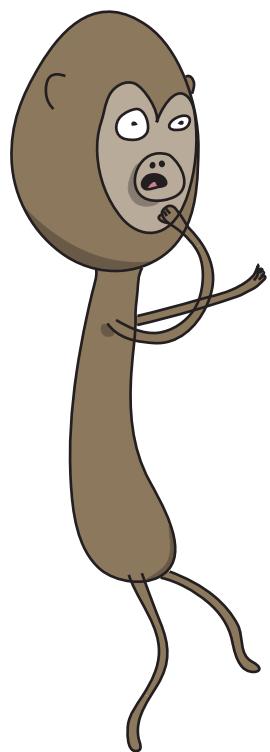

I do not know.
Your father just
told me to empty
the room for
Dognetus.

Where am I
supposed to
sleep then?
asked Marcus

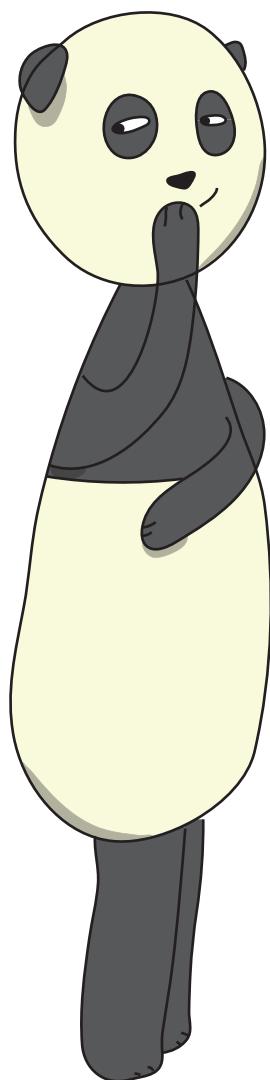

Your father
did not say.

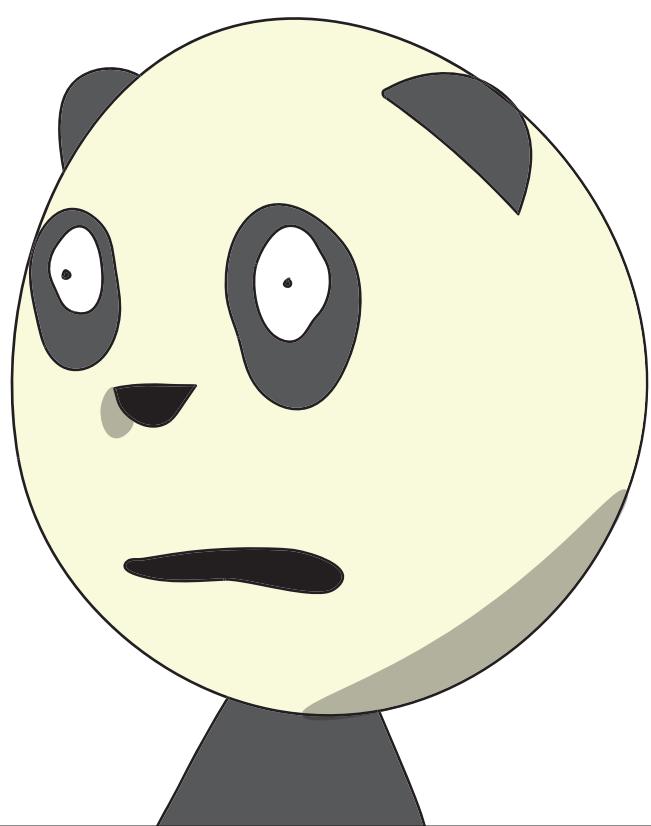

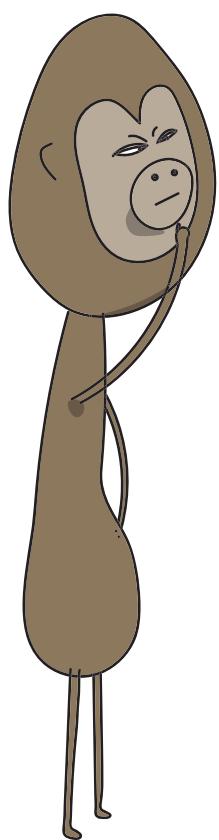

Oh no...

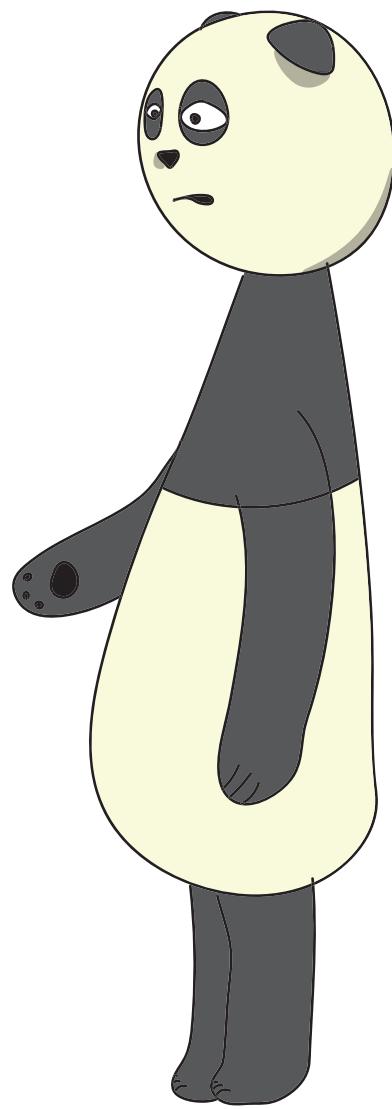

What? Are we
out of
LOTION?

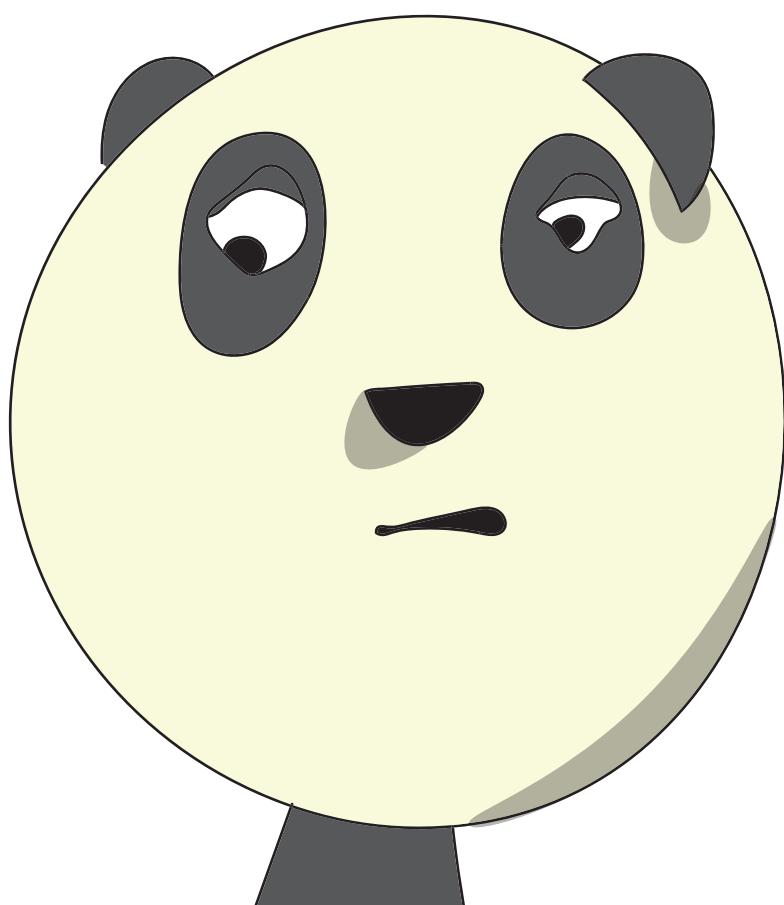

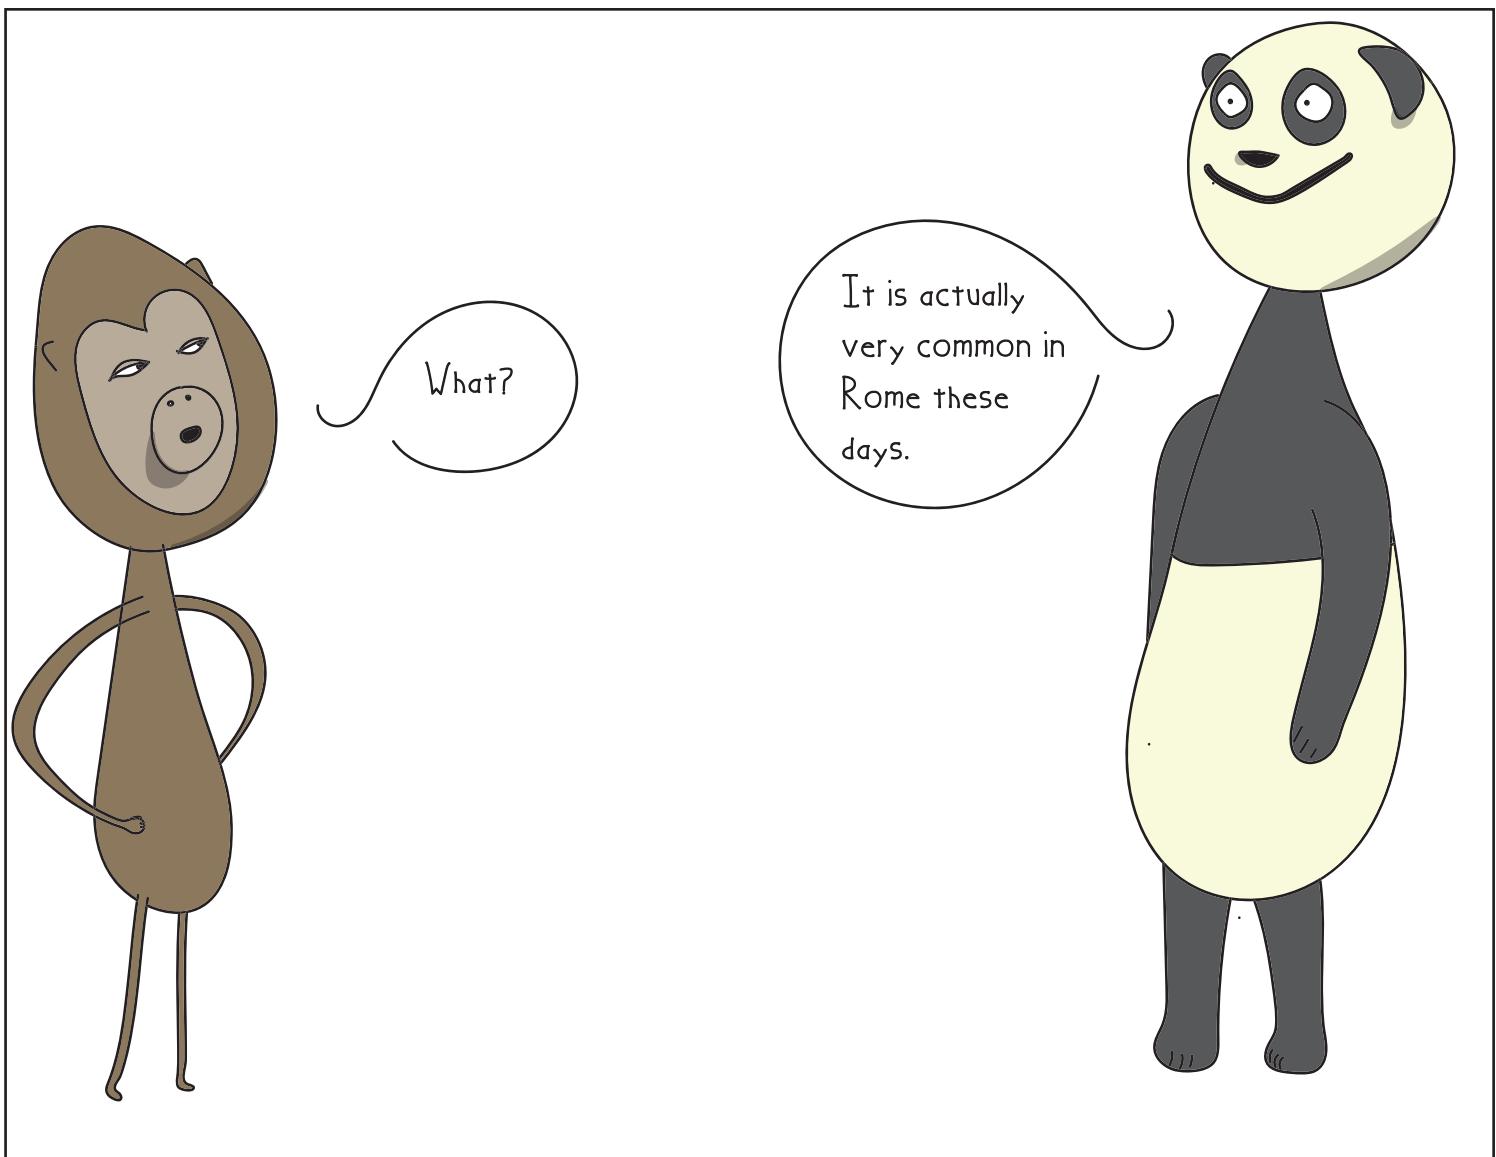

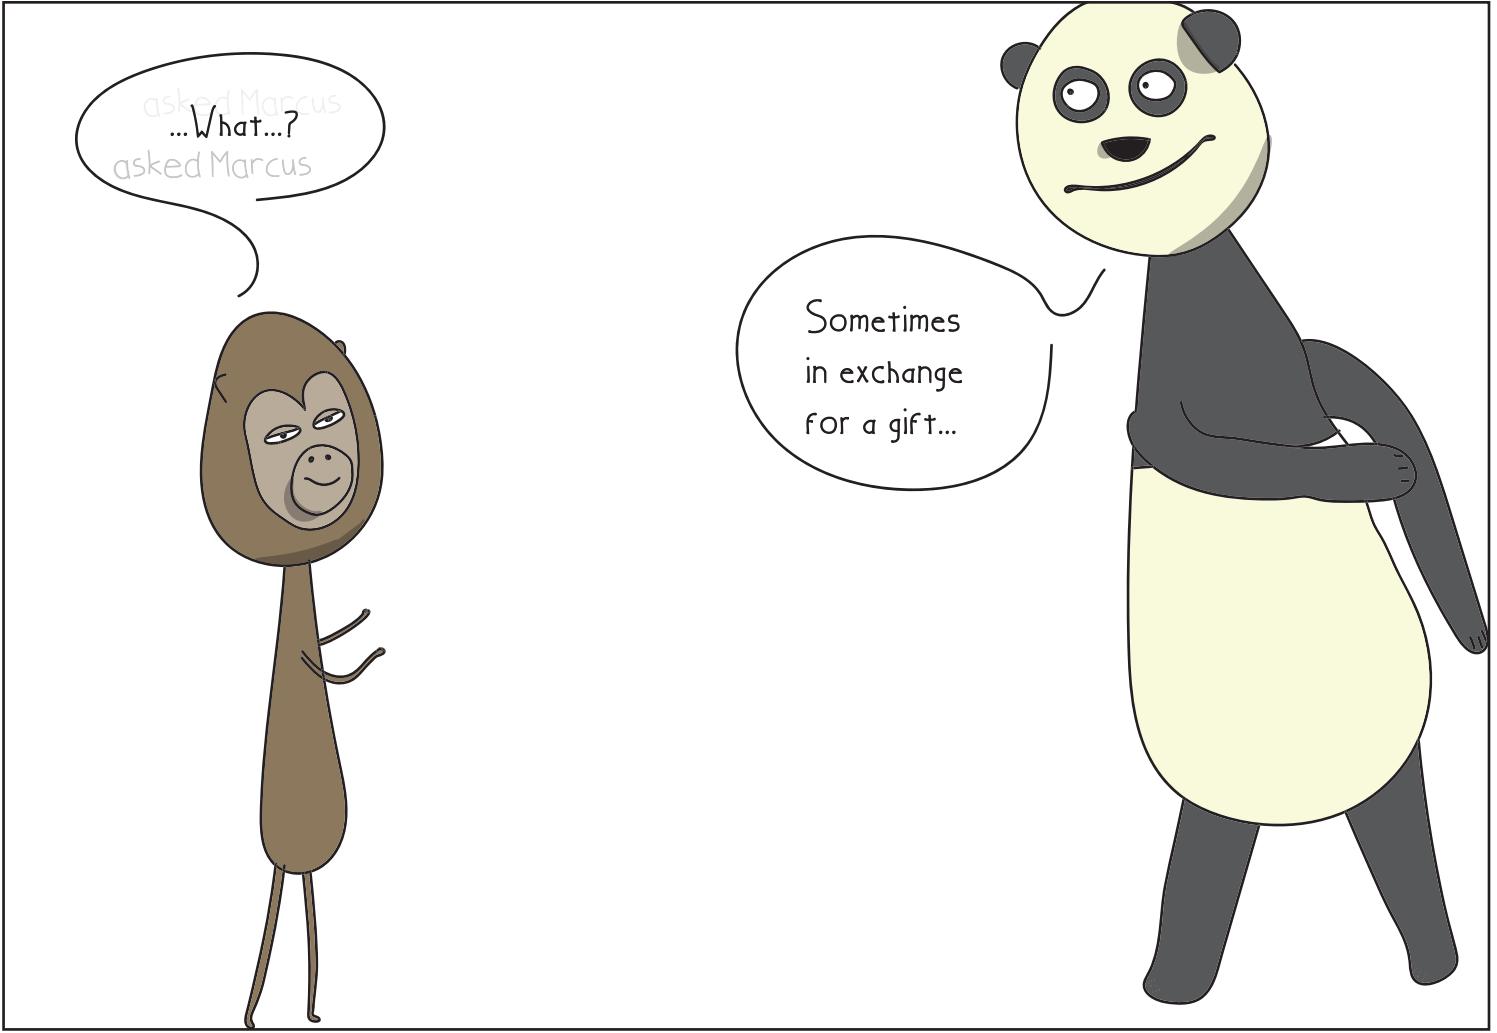

Why are you
looking at me
like that?

Said Pandus
My brother lost his
room when he was your
age. And then said Pandus
something else happened
to him. Said Pandus

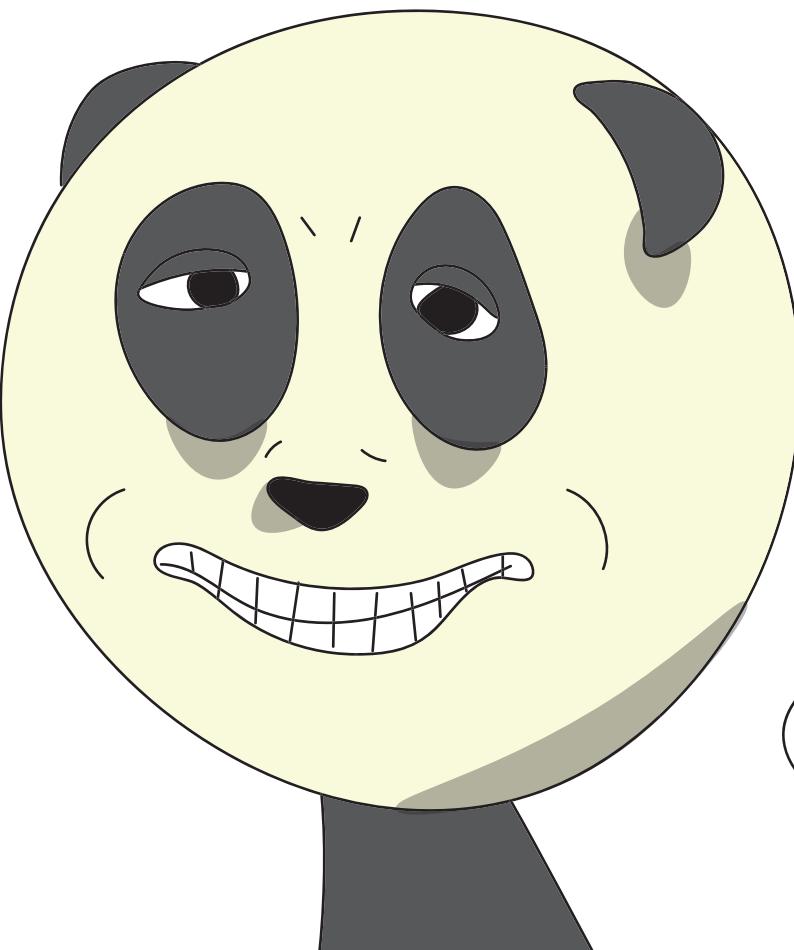

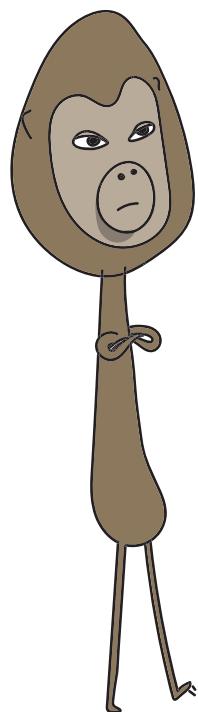

asked Marcus
...What...?
asked Marcus

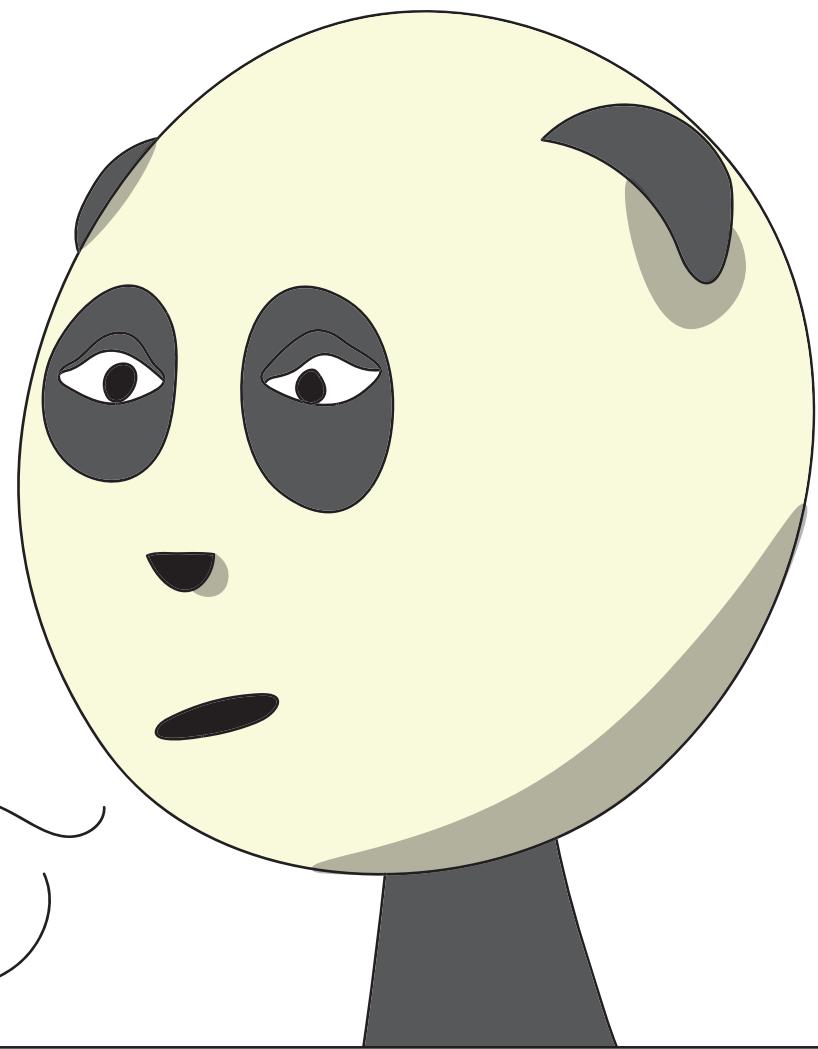

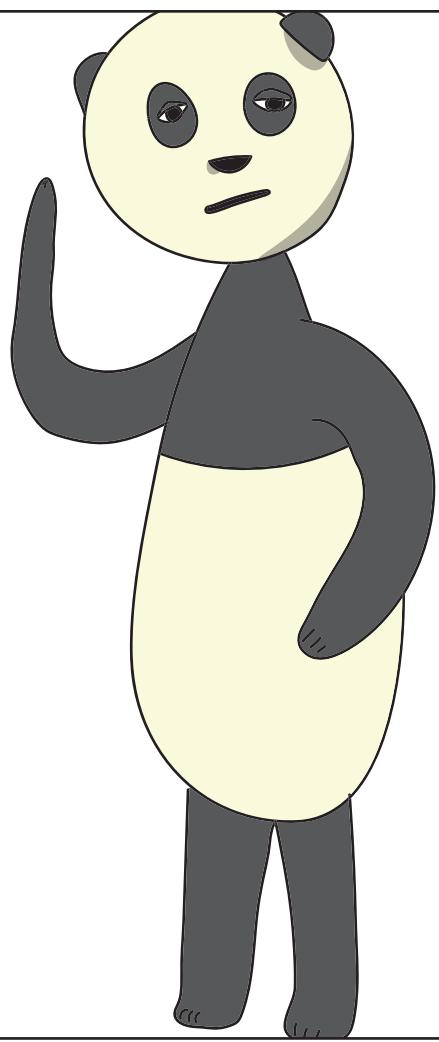

Sometimes
in exchange
for a gift...

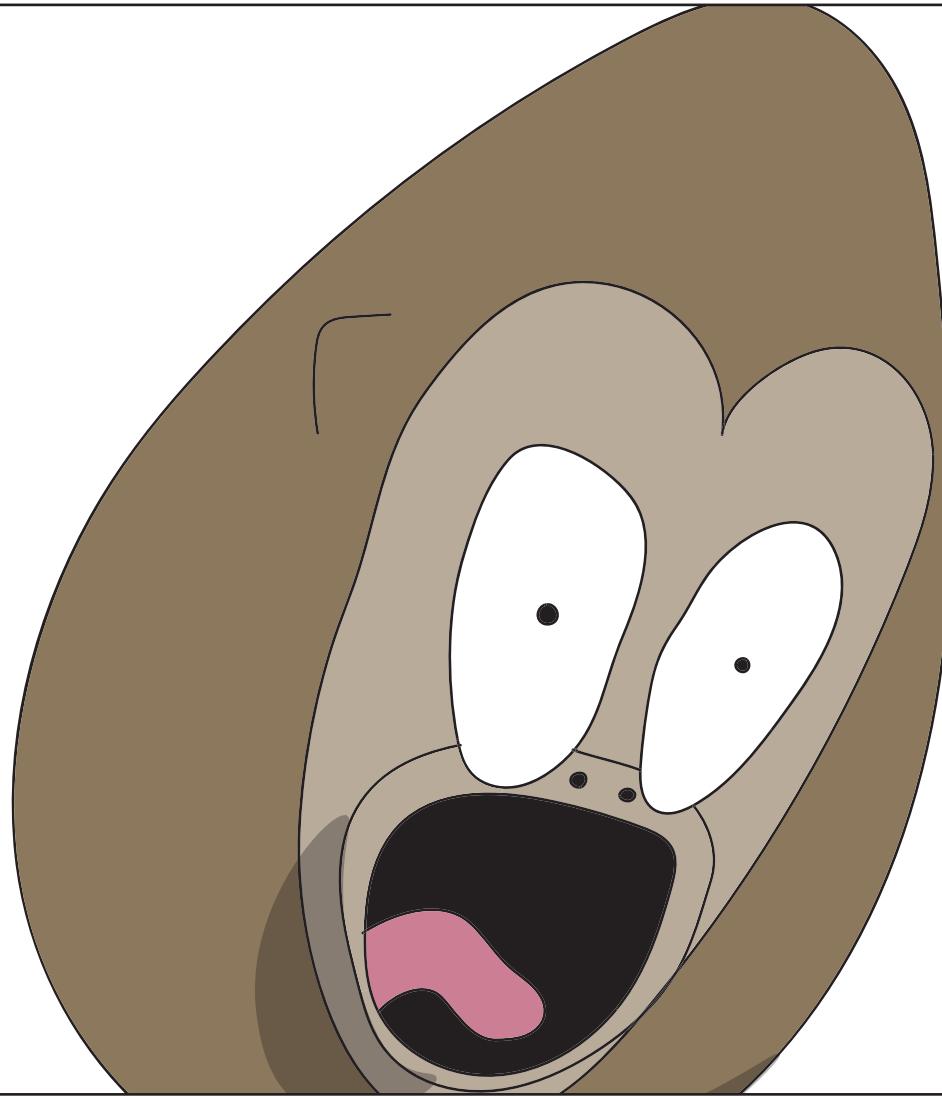

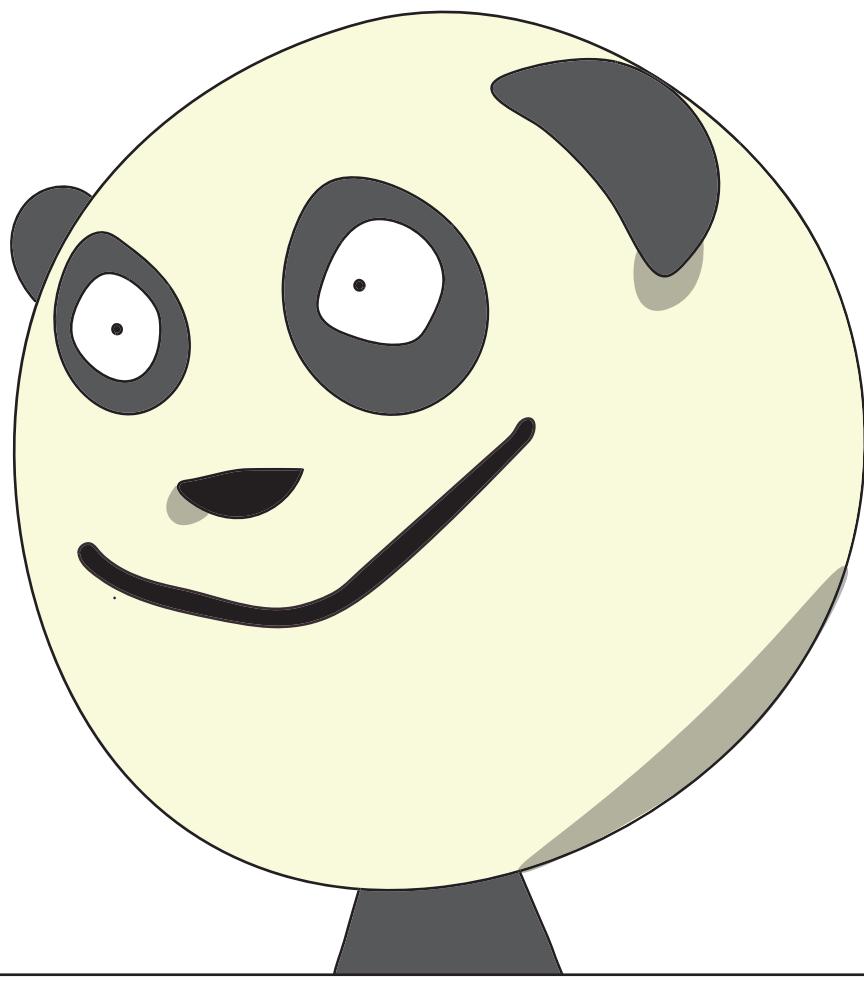

Parents send their
children away...

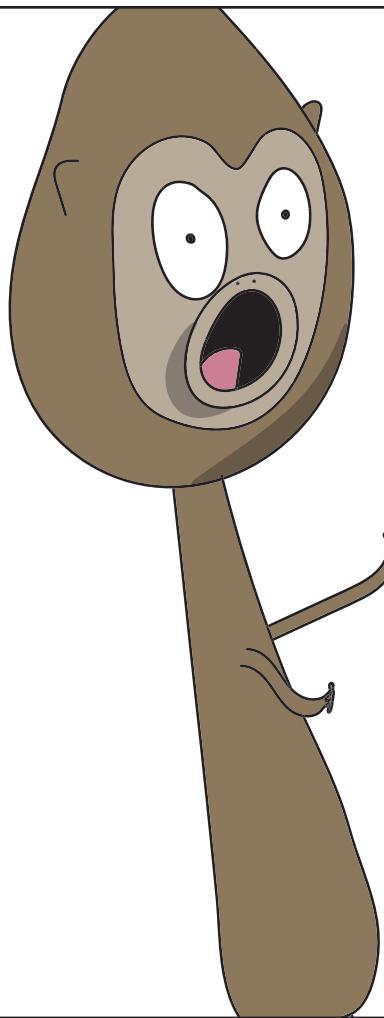

To live with
another
family...

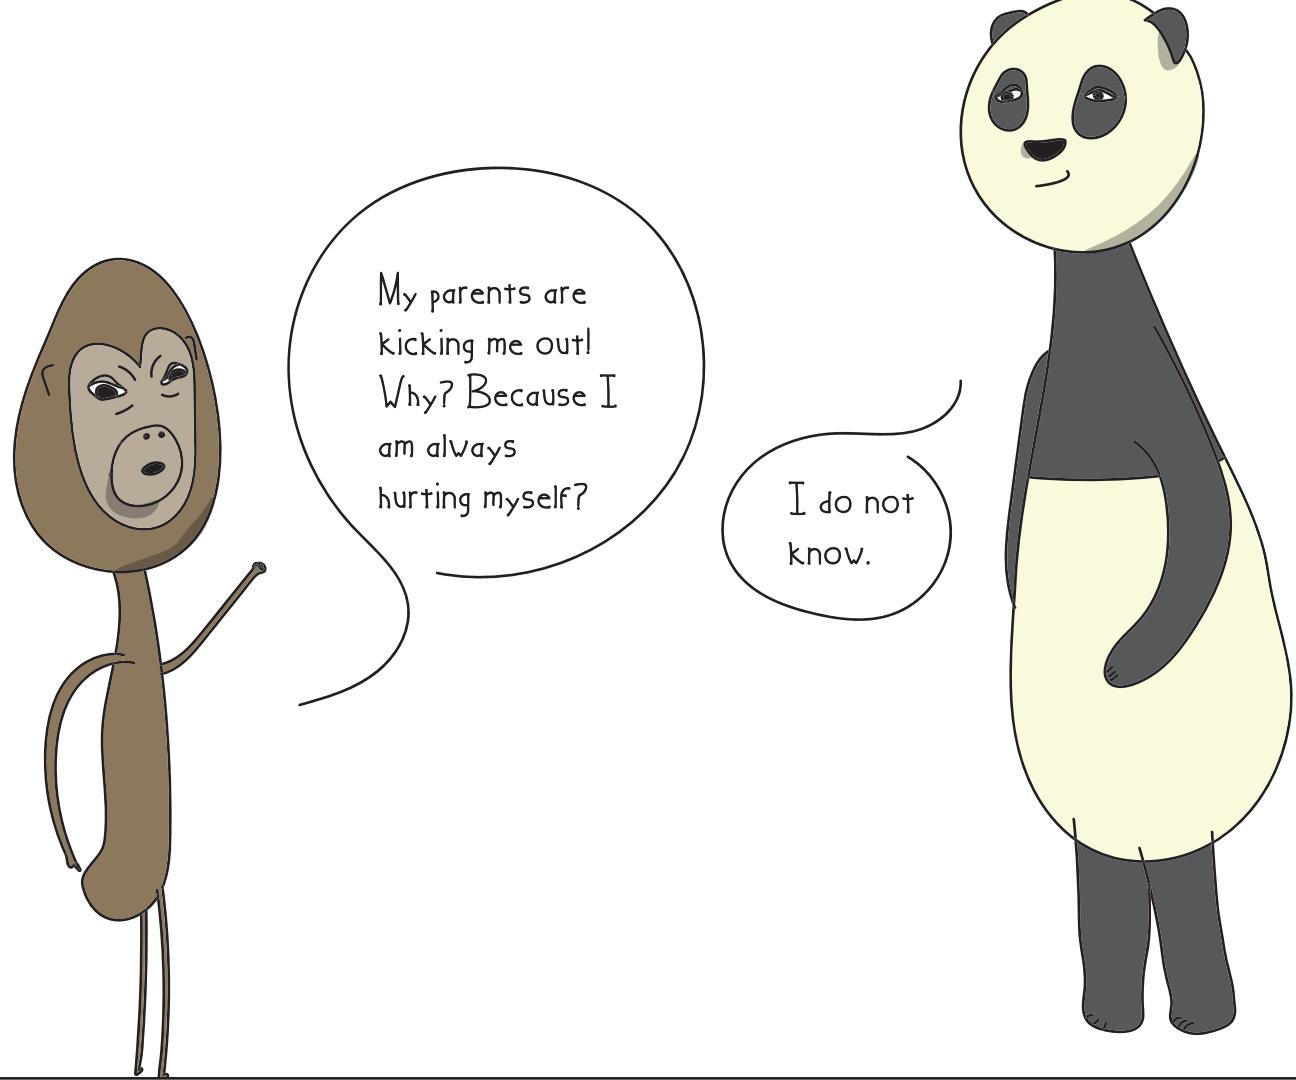

Forever.

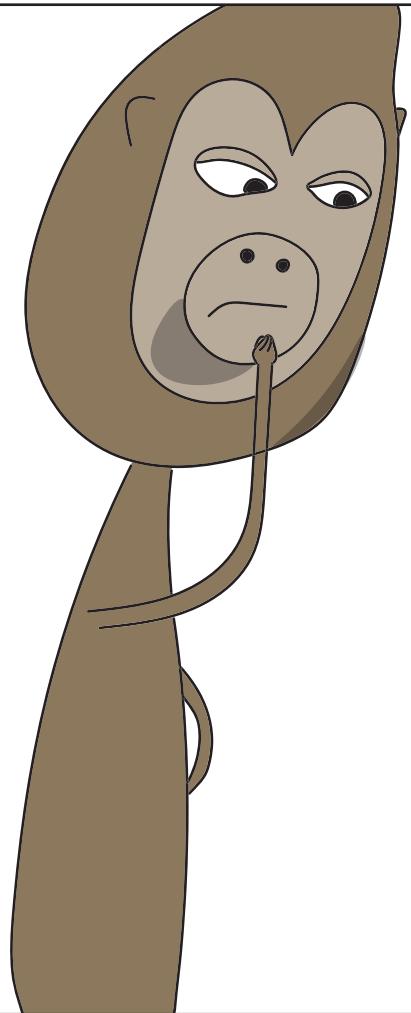

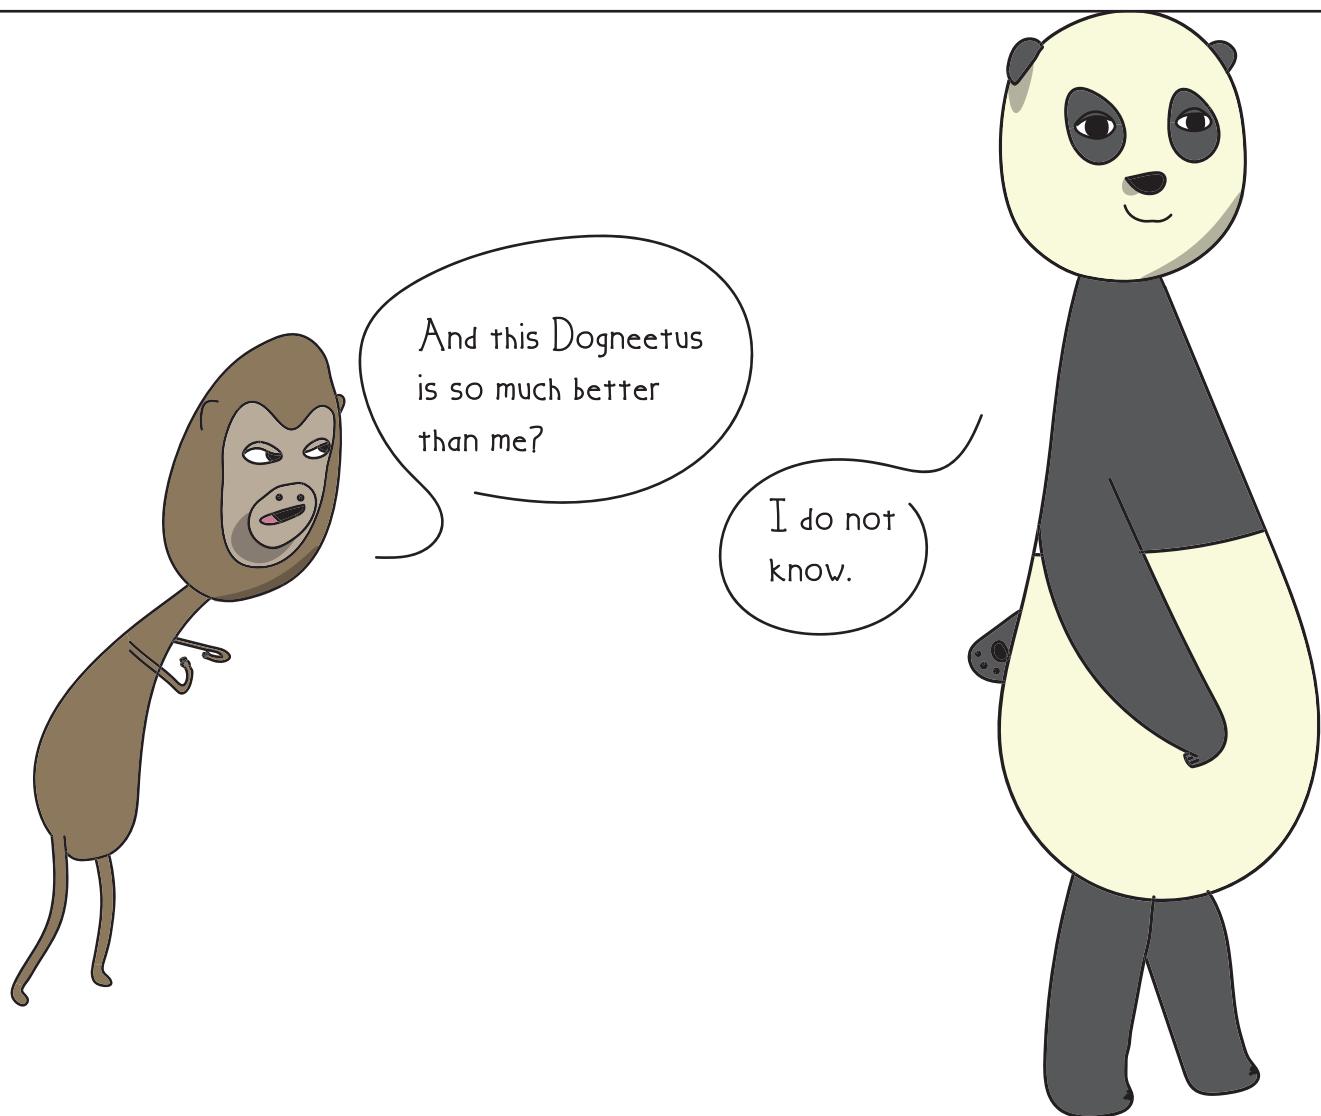

WHAT?!

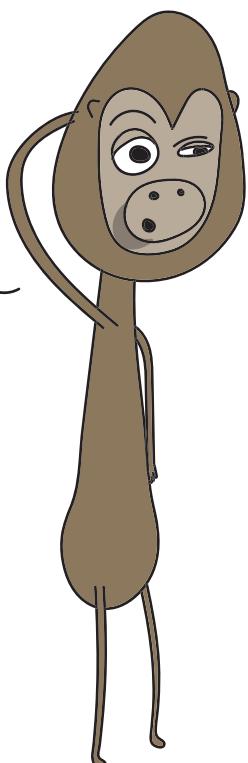

I do not
know.

Said Marcus.
Oh my gods.
This is terrible.
said Marcus

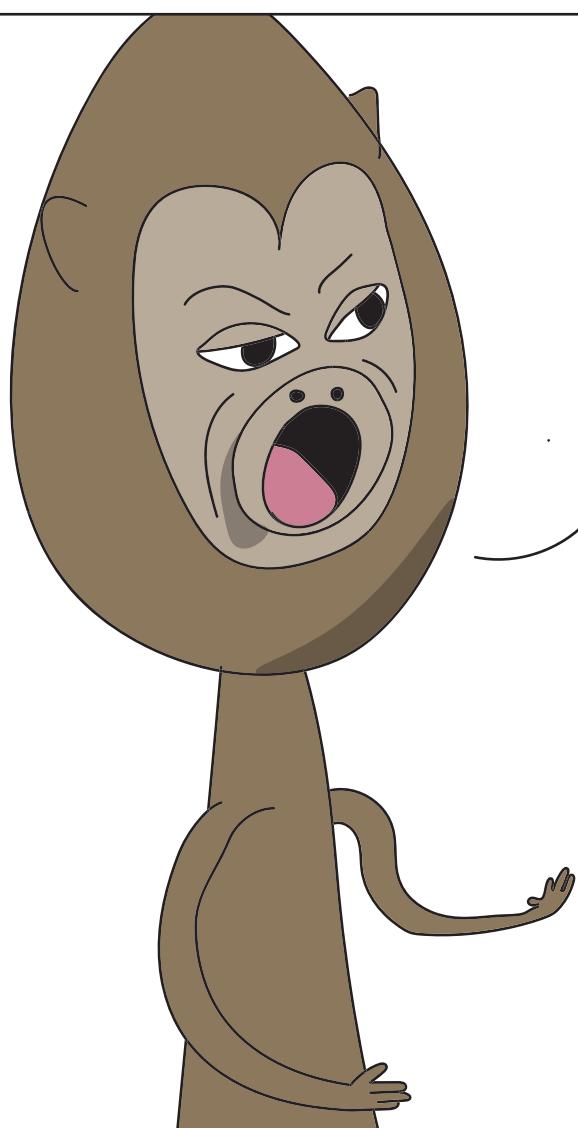

asked Marcus
Where are
you going? I
asked Marcus

I have to pick
Dogeneetus up from the
shipping yard now. She
sailed from Greece.

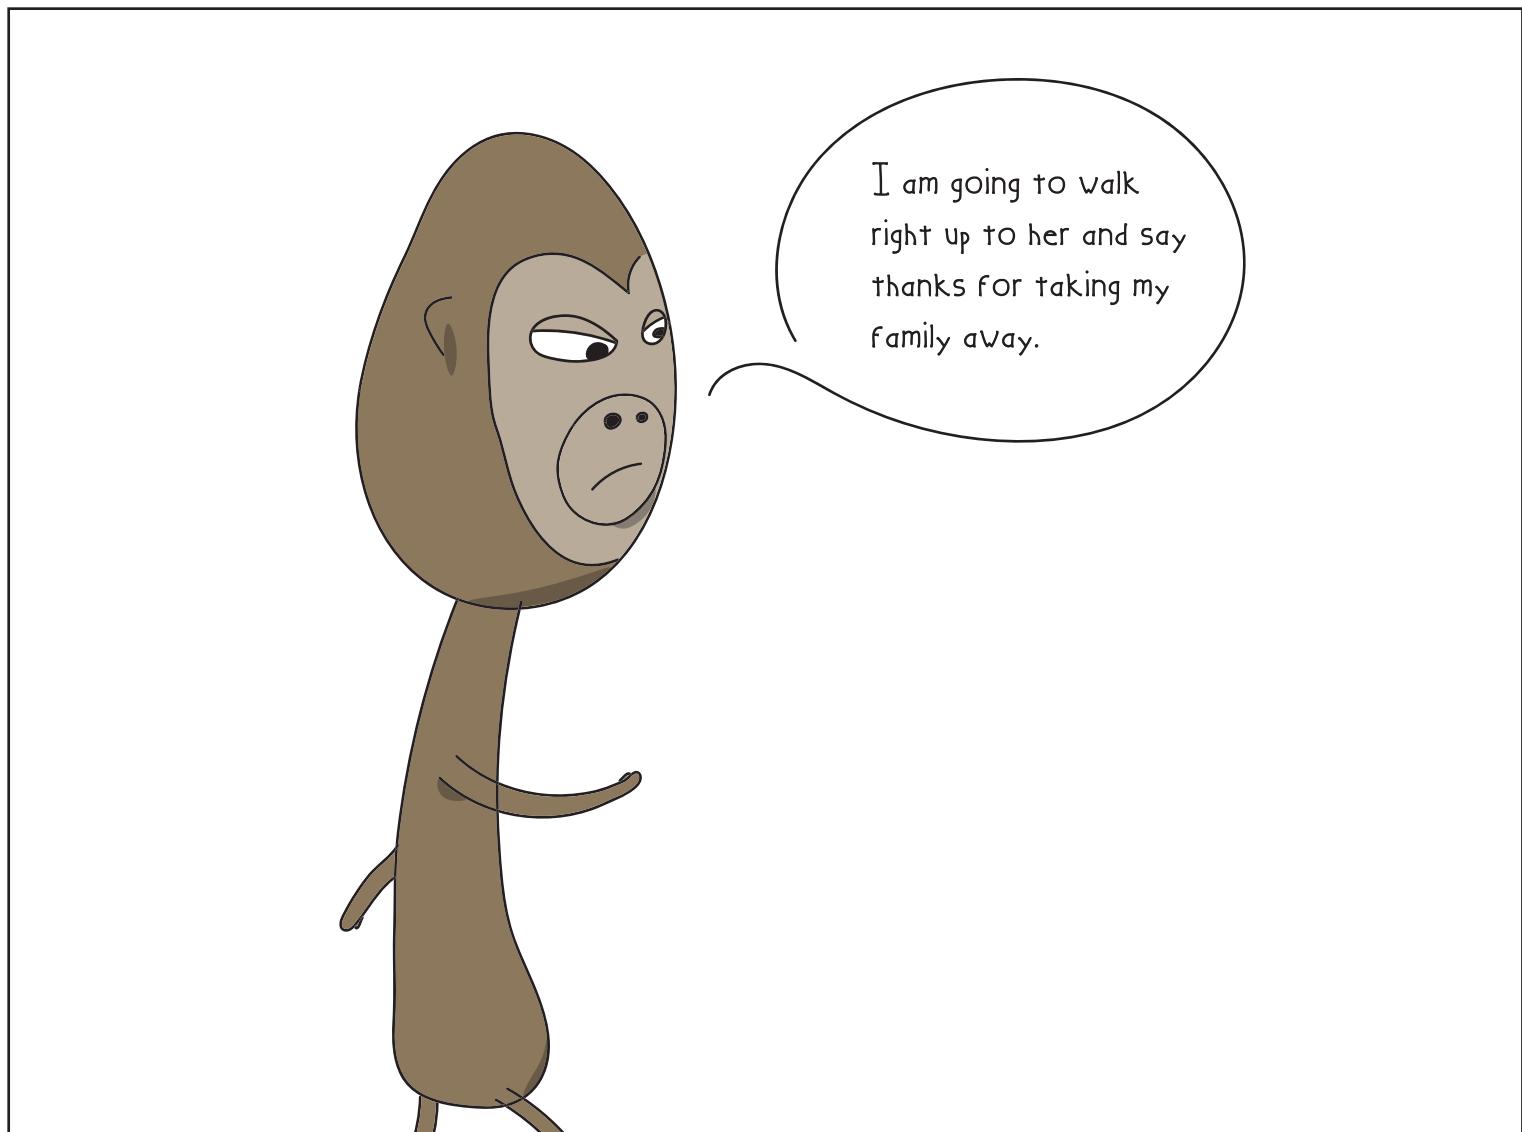

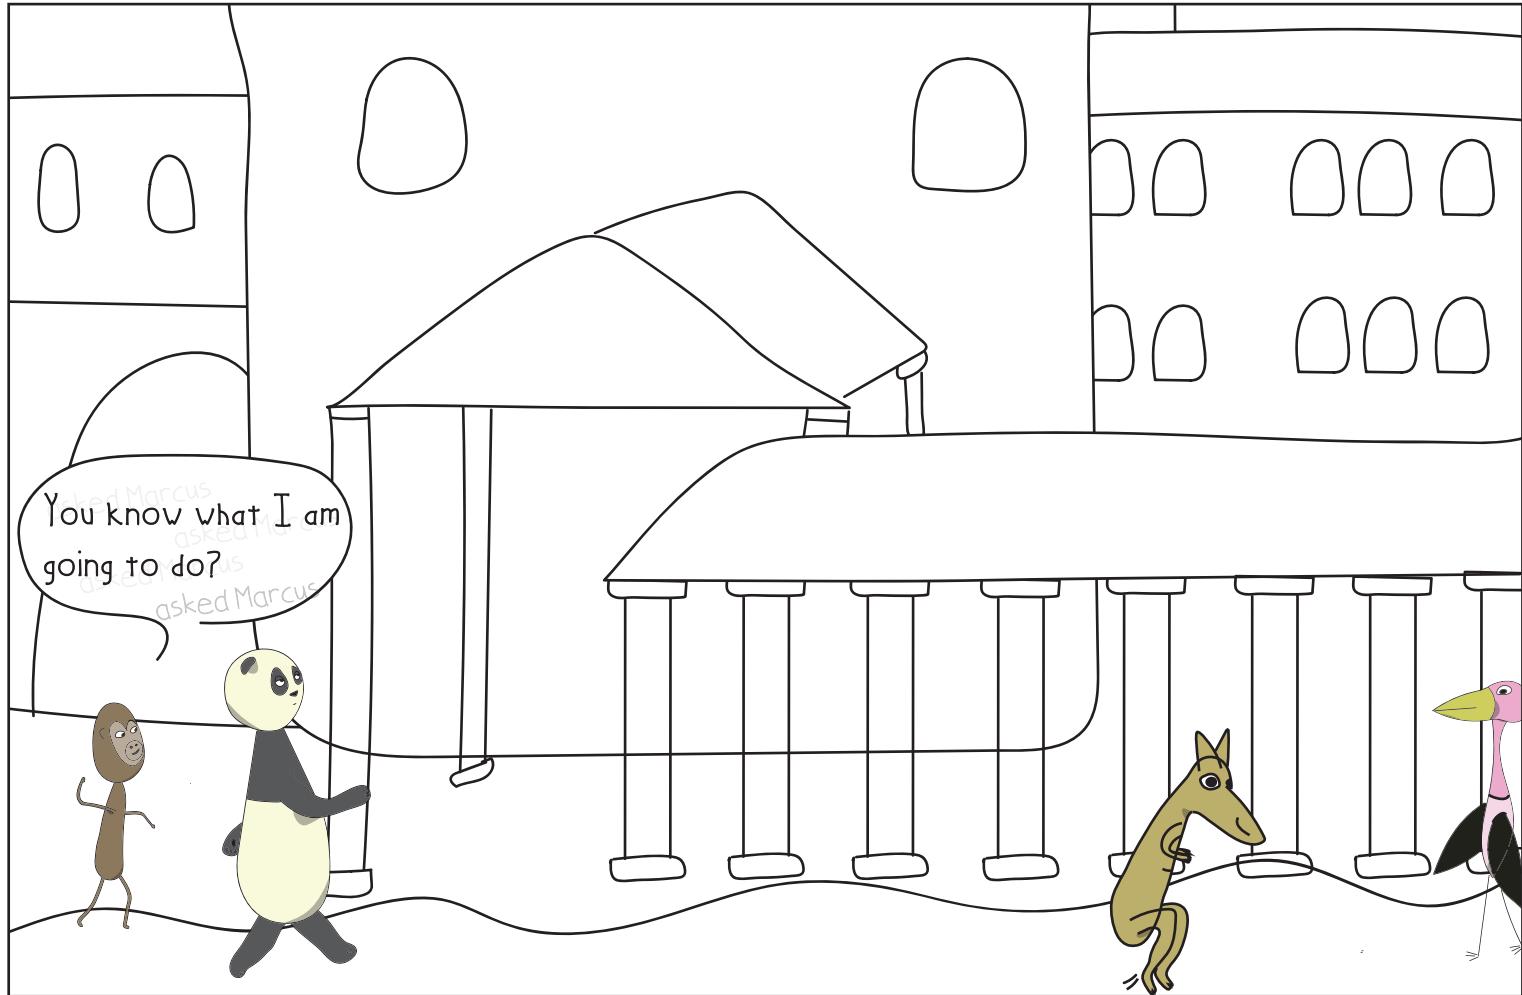

NOW?!

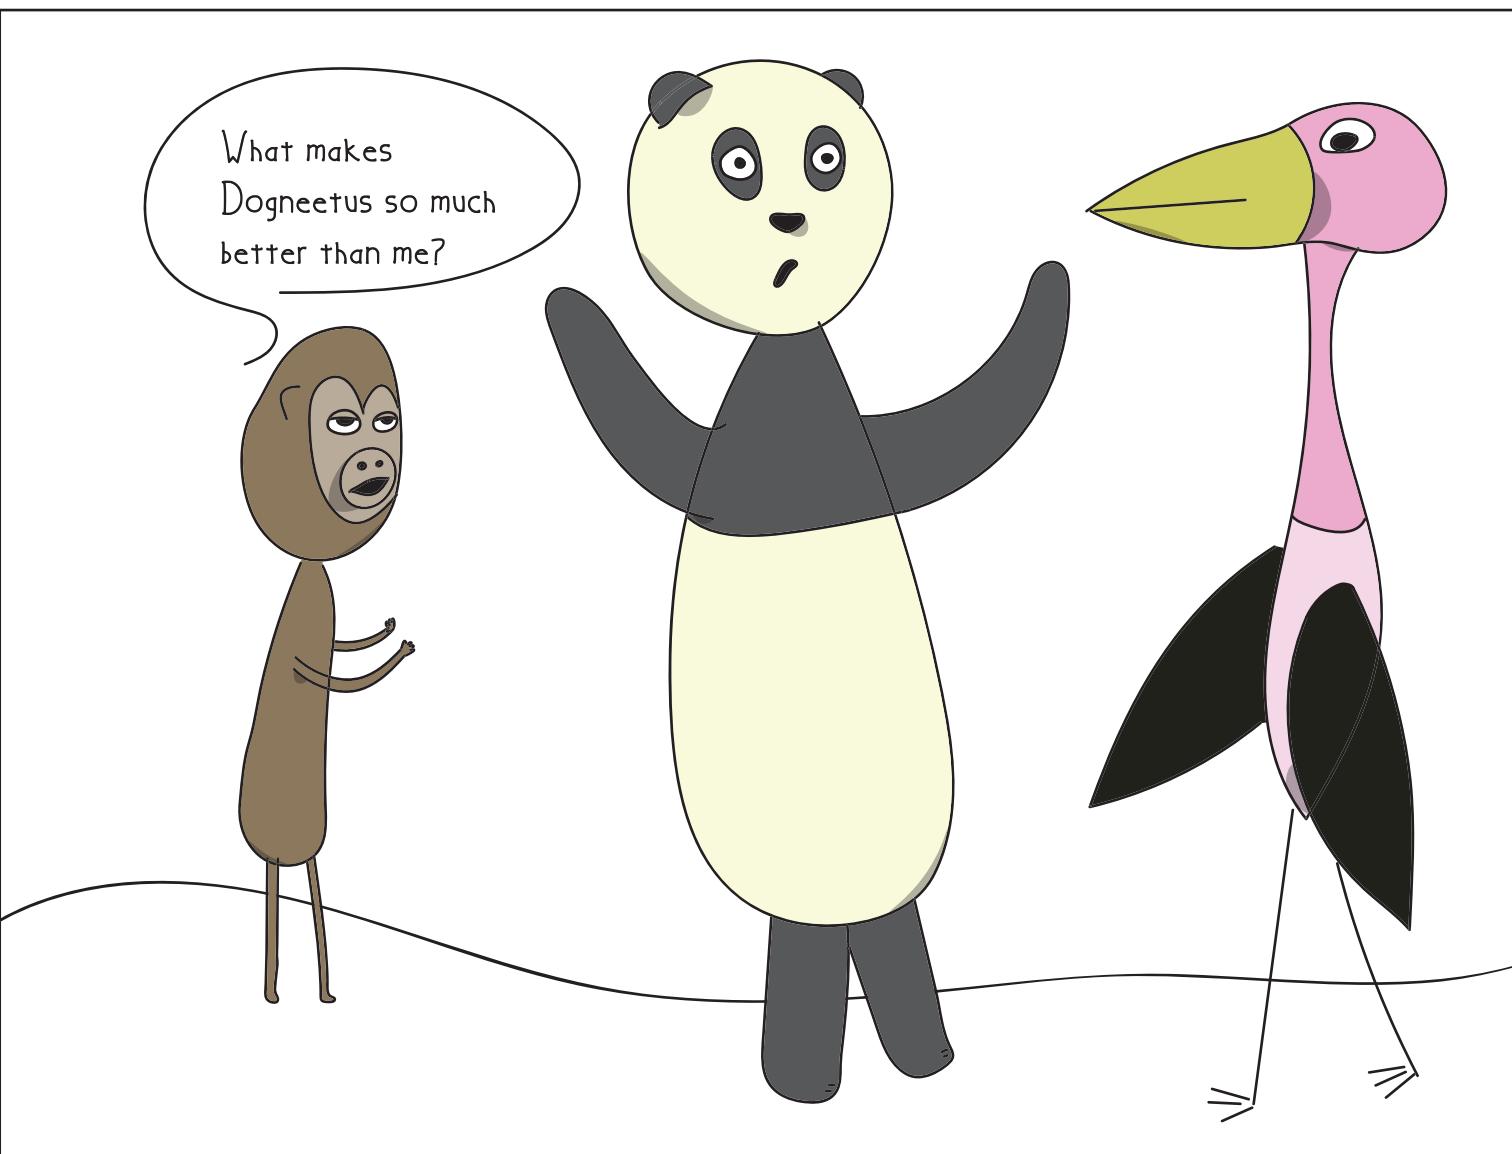

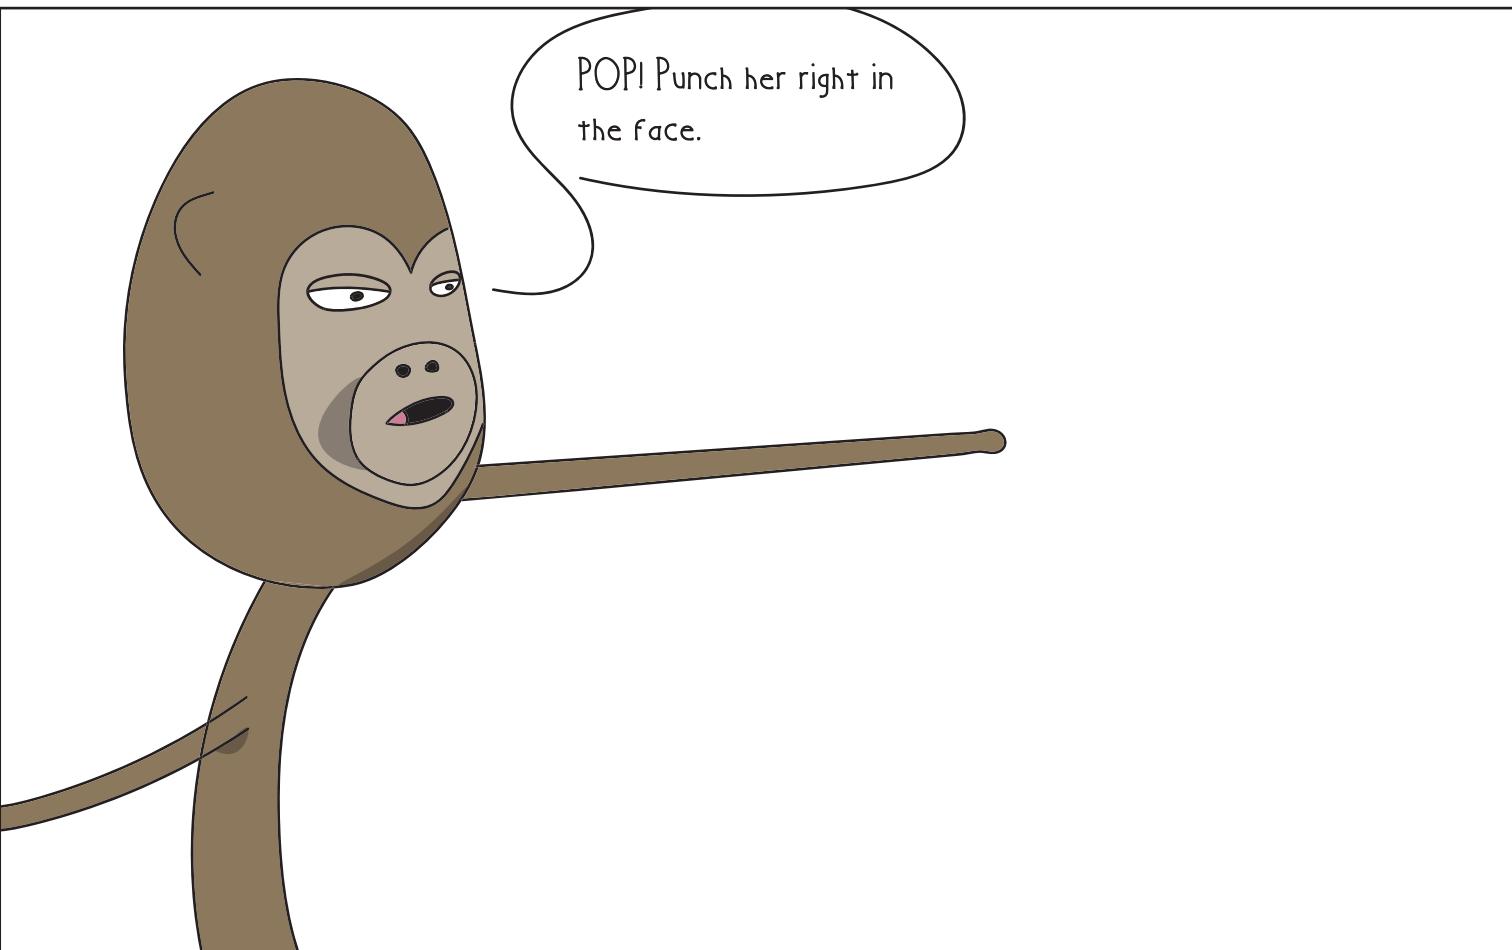

Can I come with
you? I want to
meet the person
stealing my life.

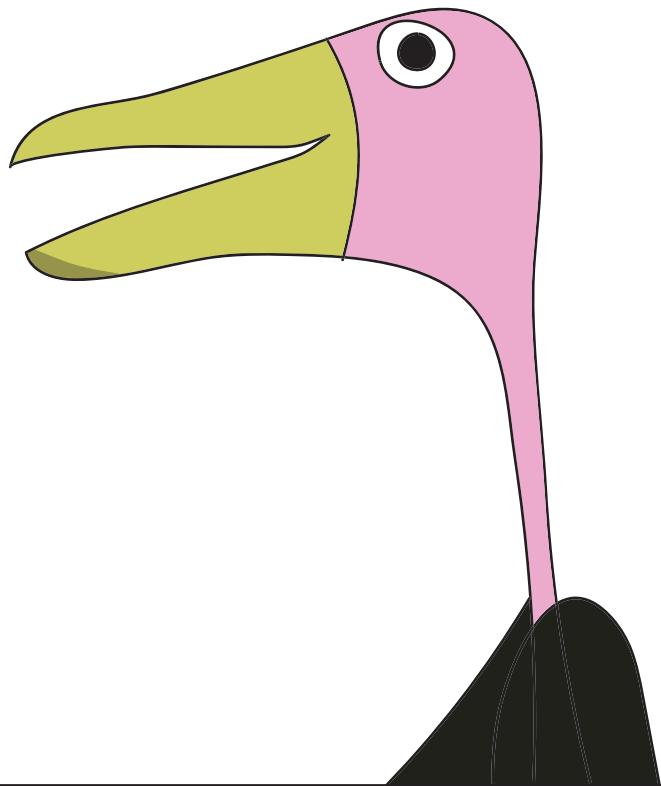

Fine.

Chapter 2 – Hurt

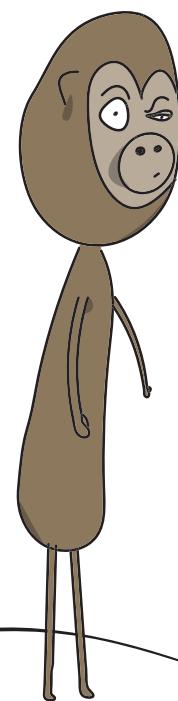

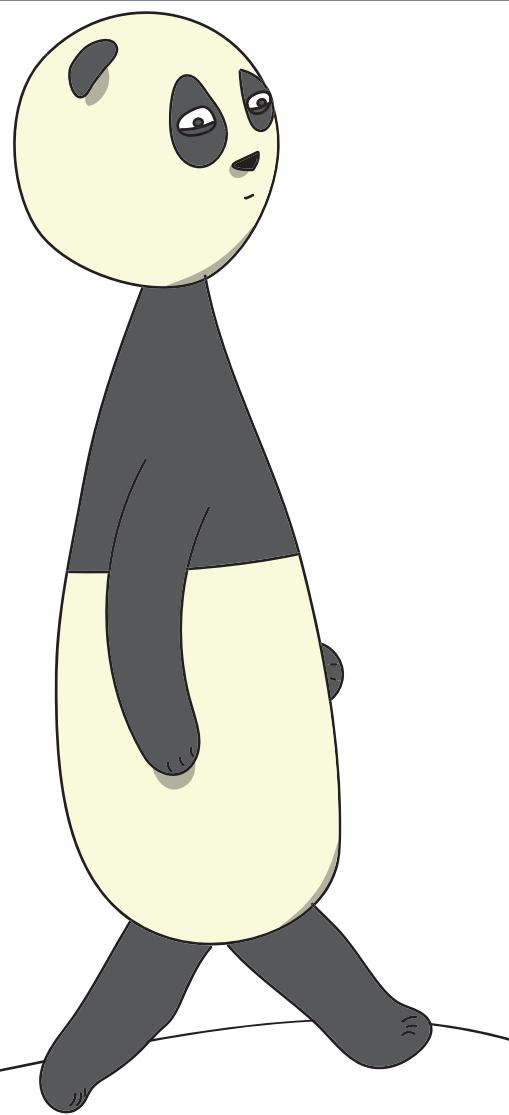

Did you say Dogneetus?
Dogneetus from Greece?
said Janus the Stork

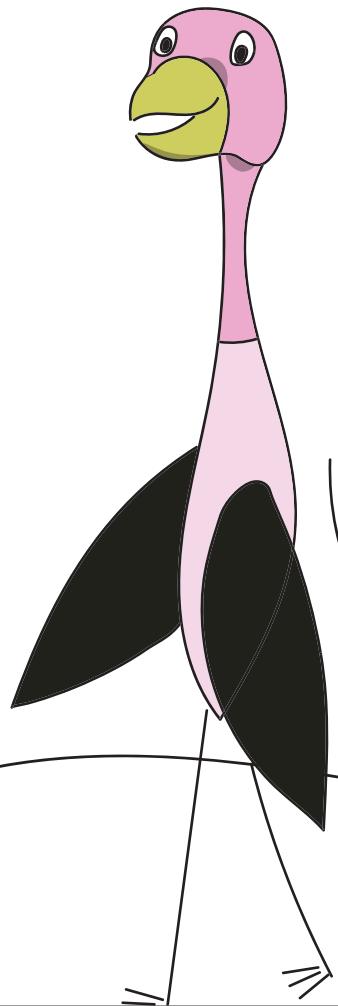

Yeah...

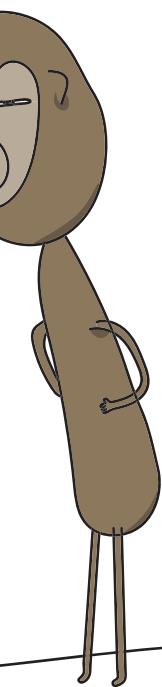

Oh, she is amazing.

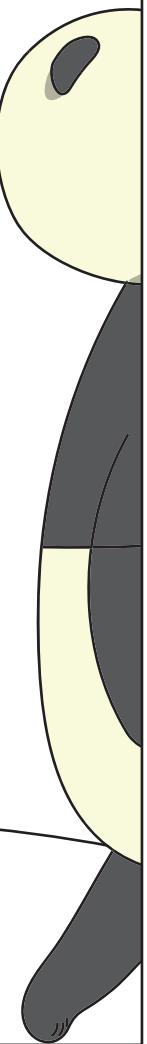

How do you know
her? asked Marcus

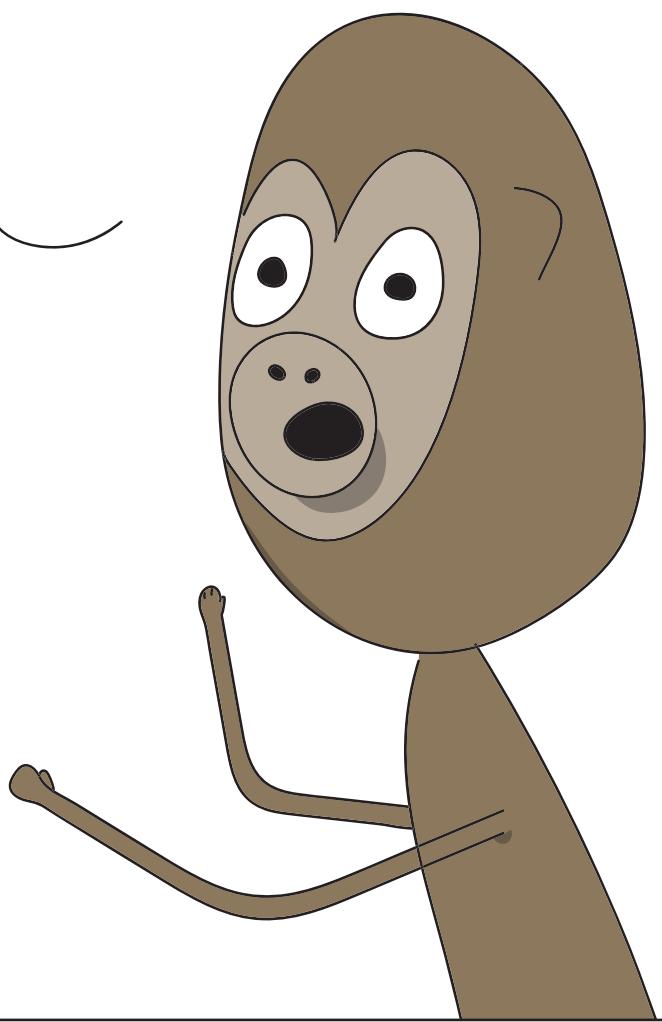

I have not met her,
but everyone knows
her. She is famous.

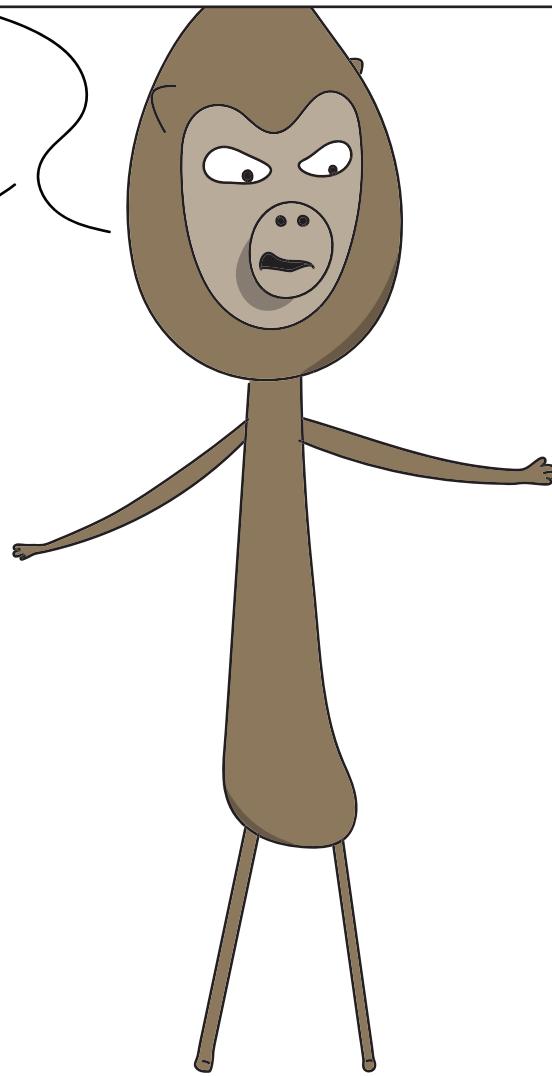

asked Marcus
asked Marcus
asked Marcus
asked Marcus
Famous for what?

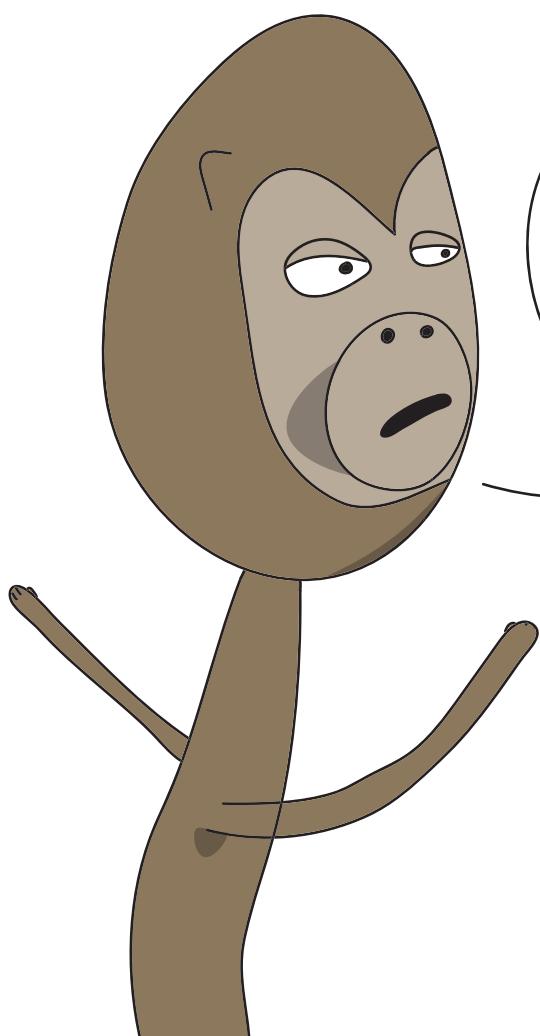

Frescoes. Beautiful
wall paintings...

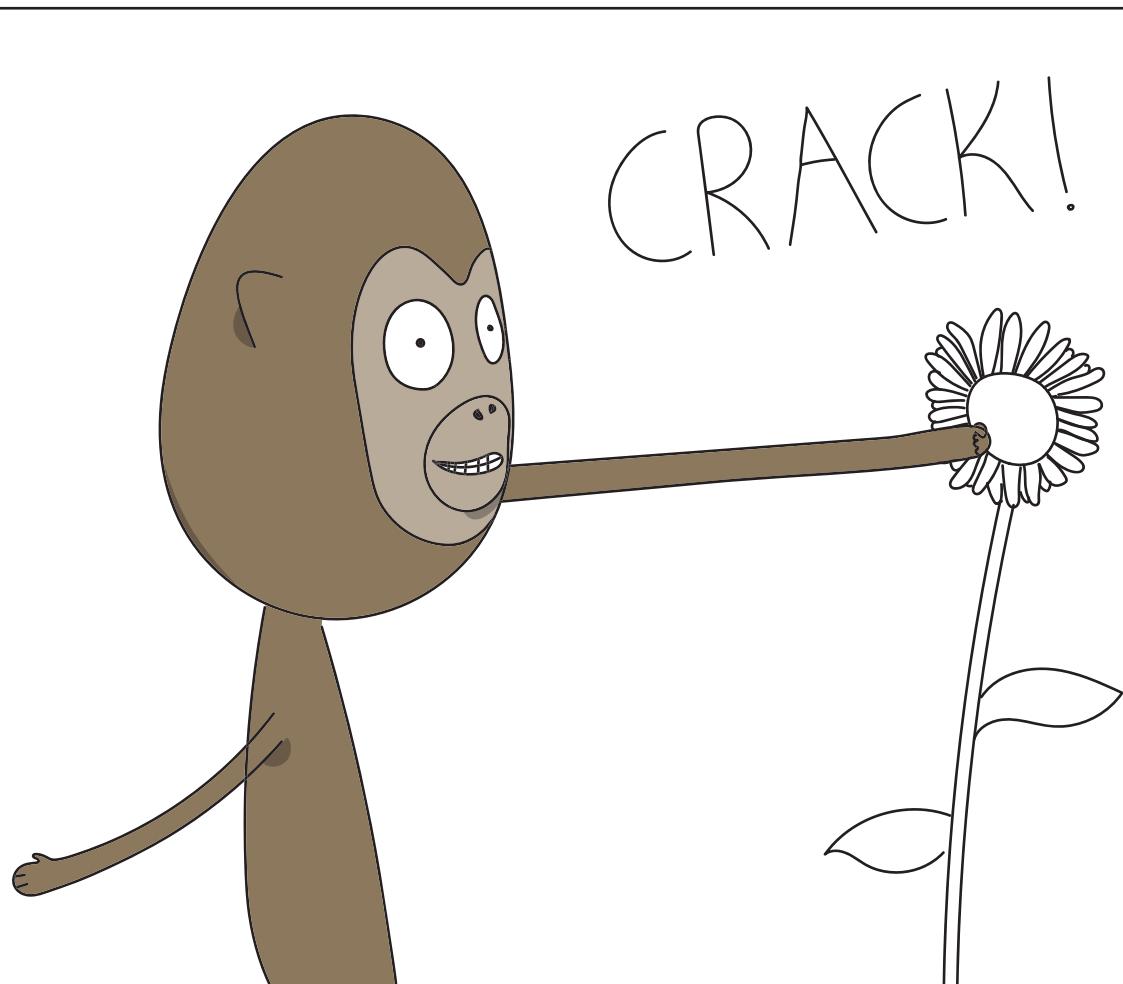

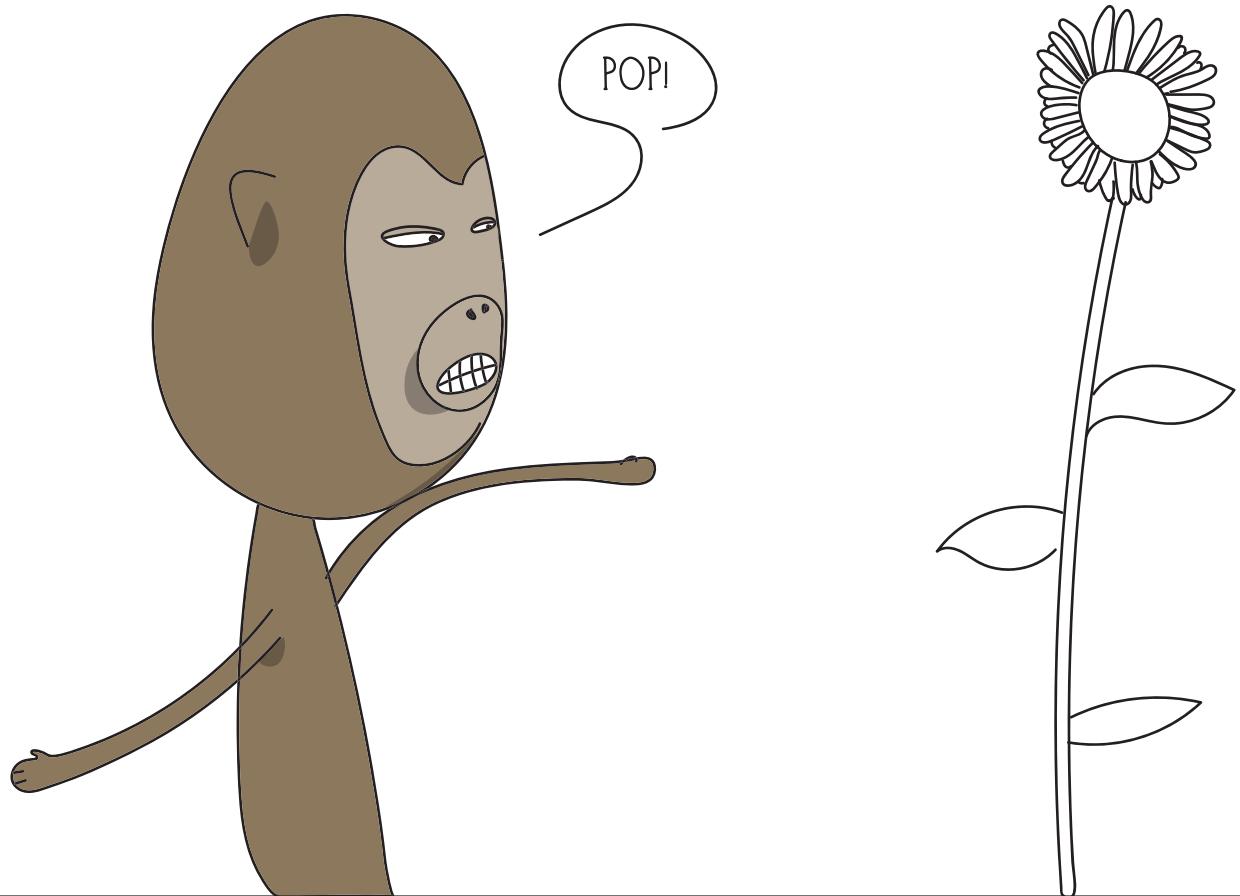

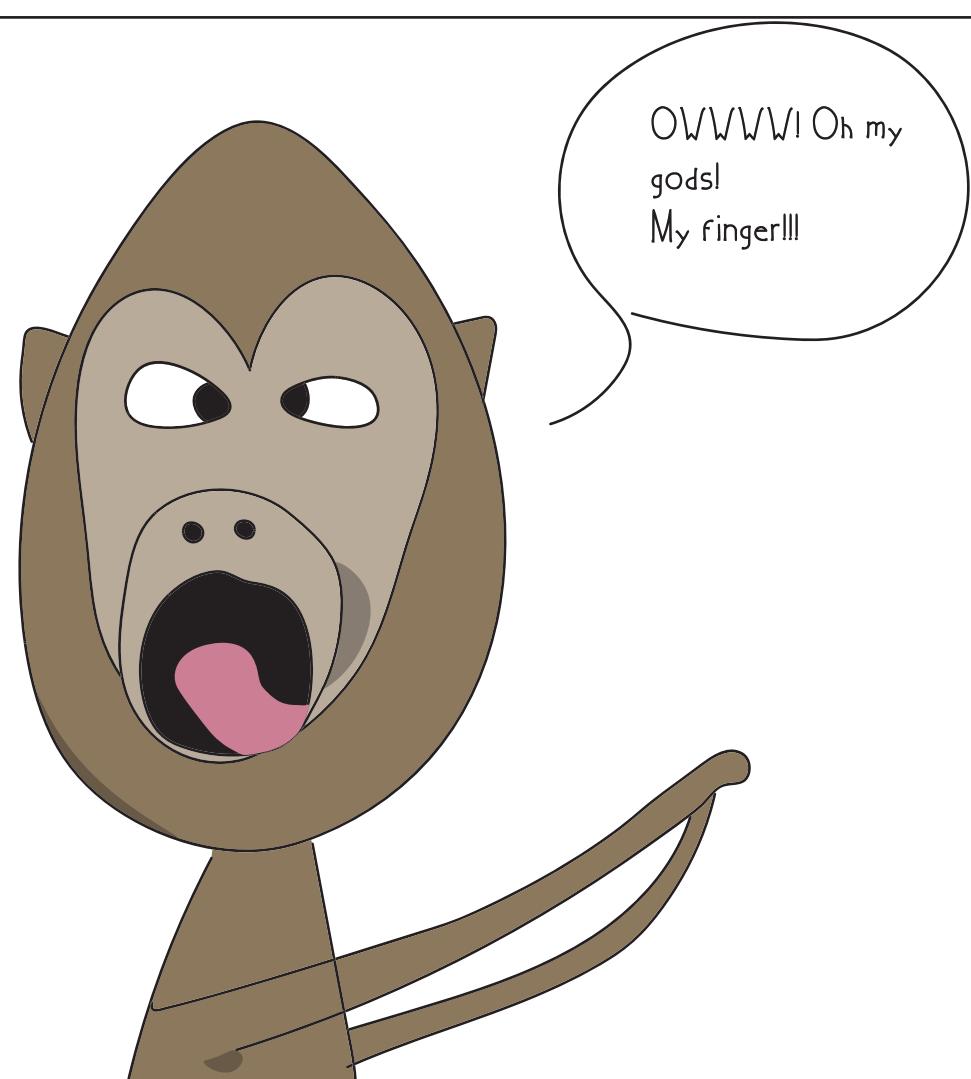

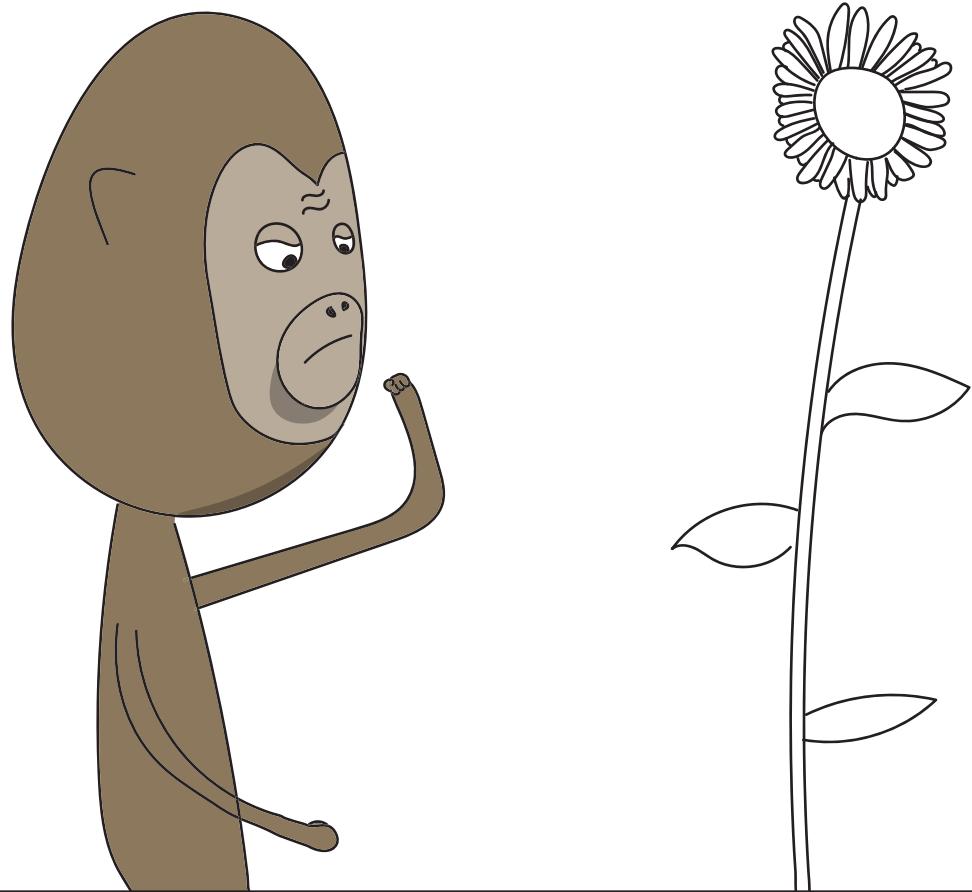

Great. She is famous.

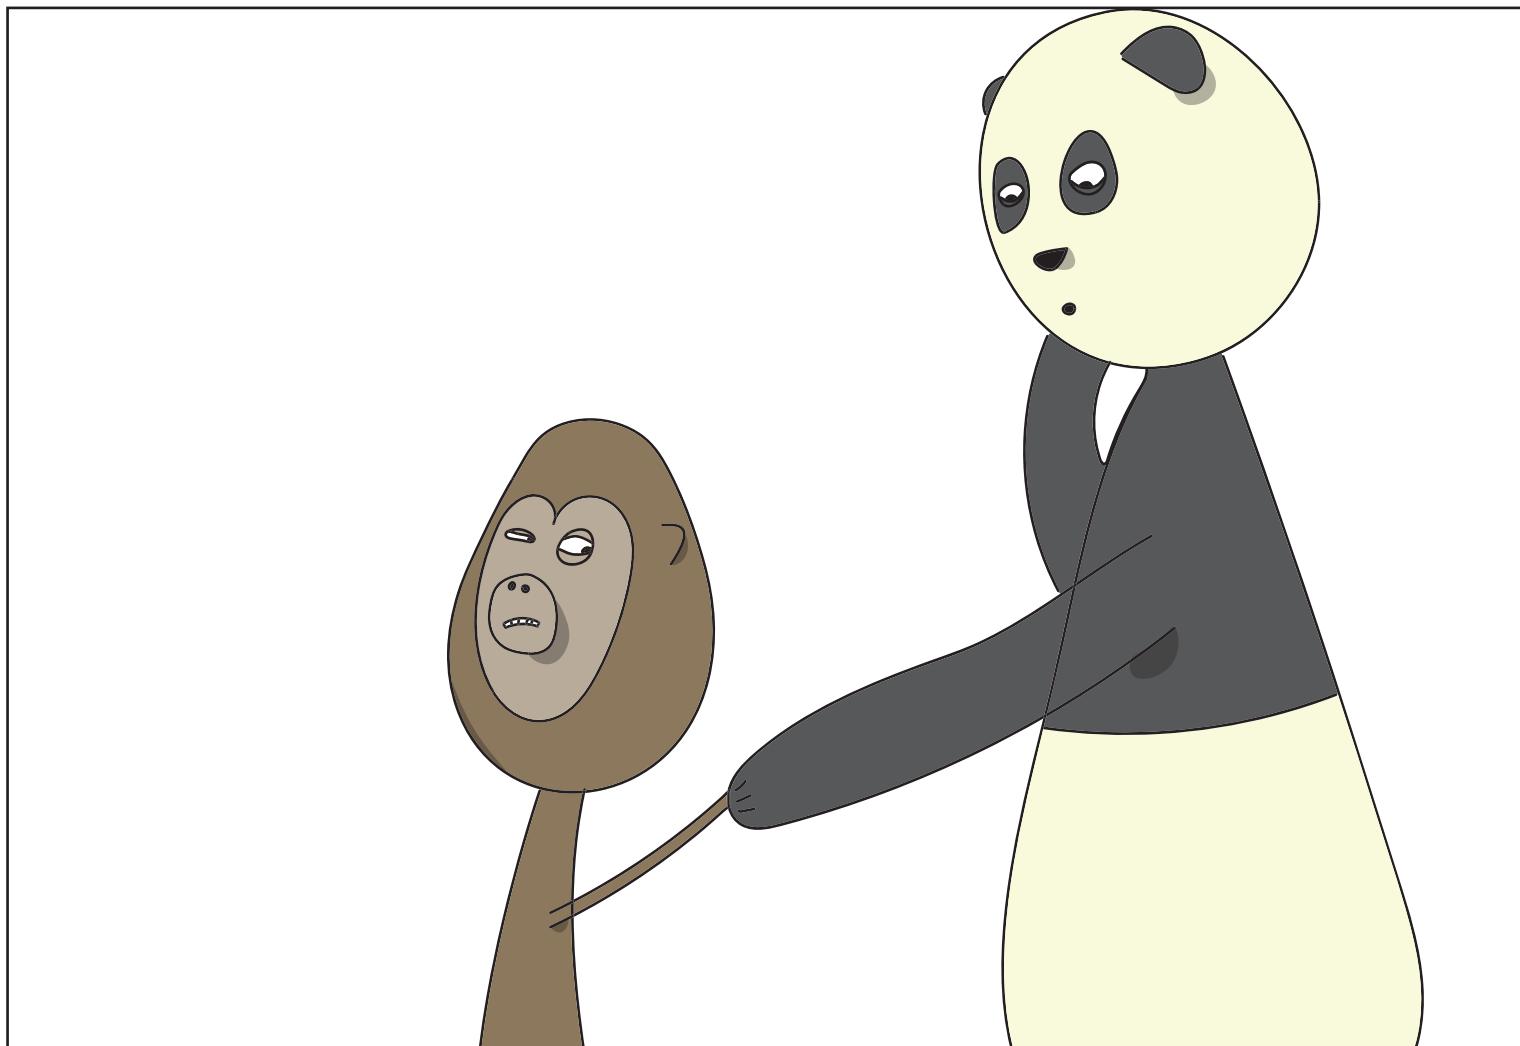

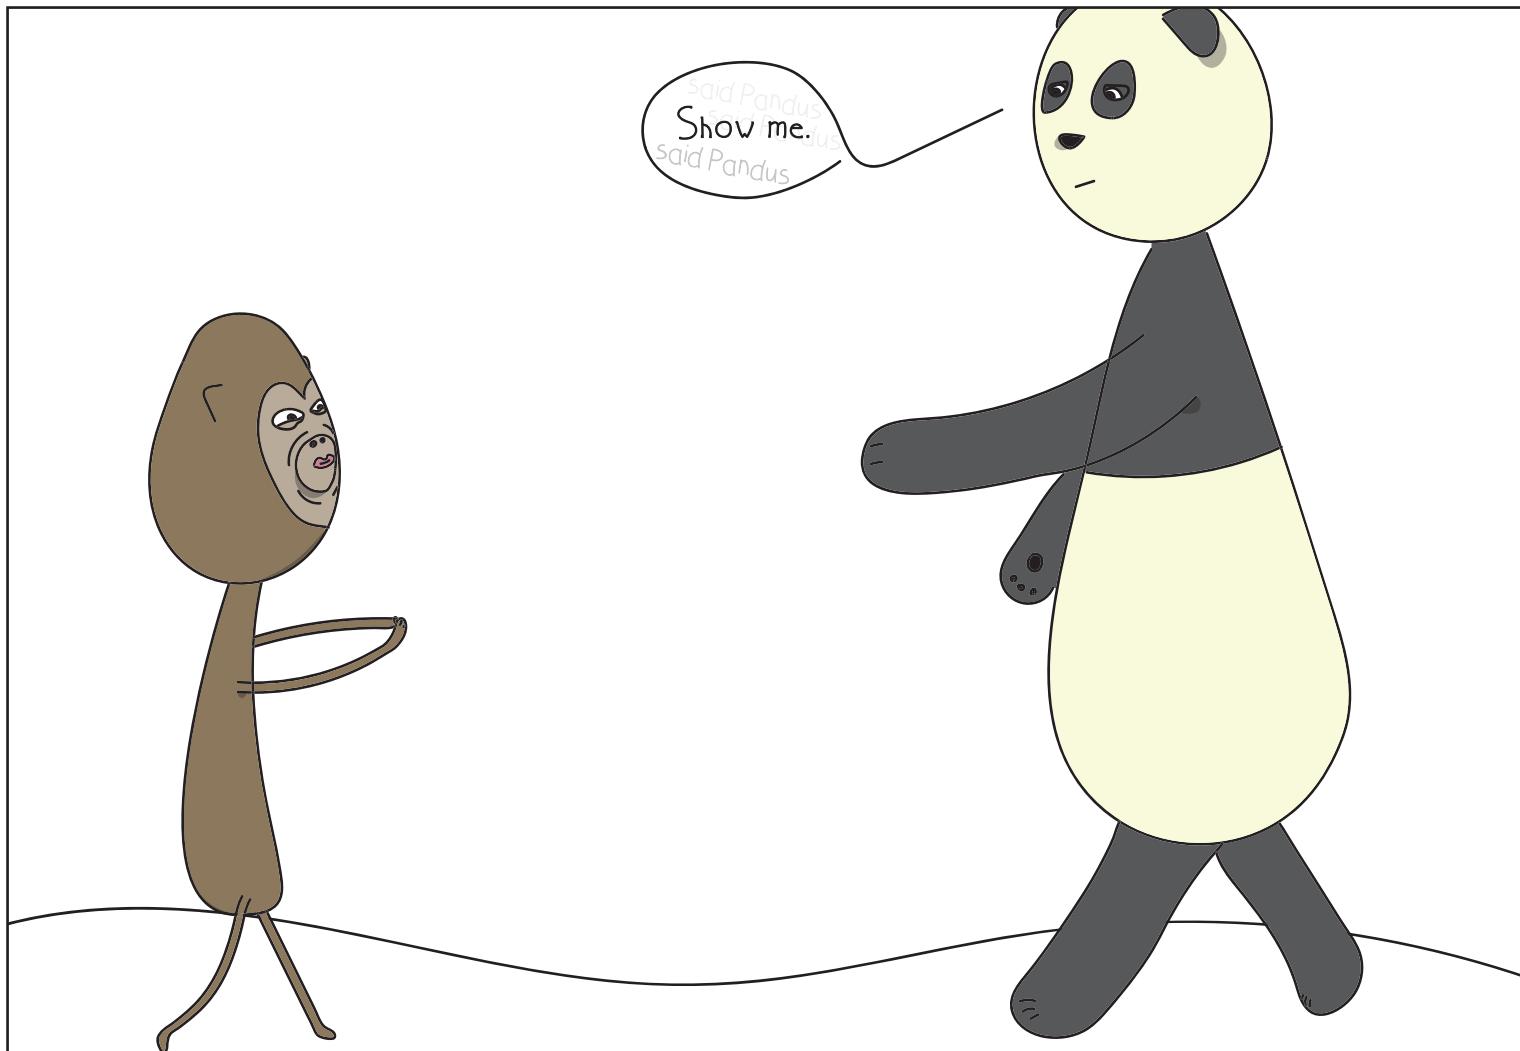

She will be more famous for getting punched in the face after she steals my family.

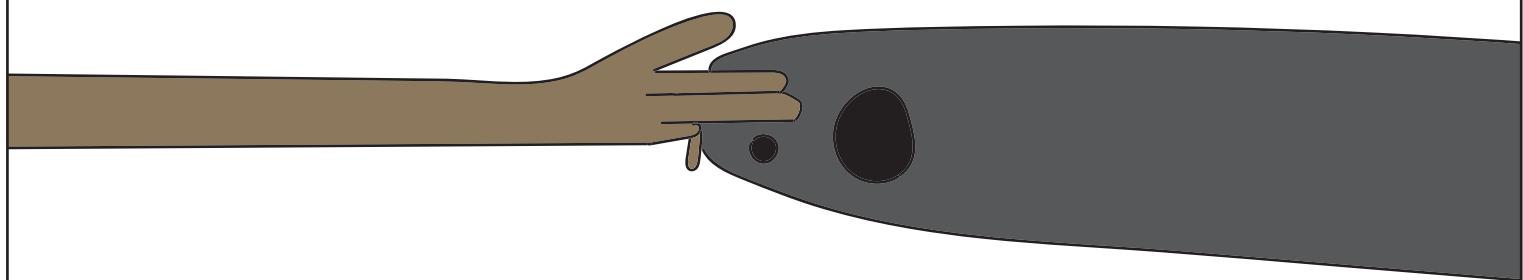

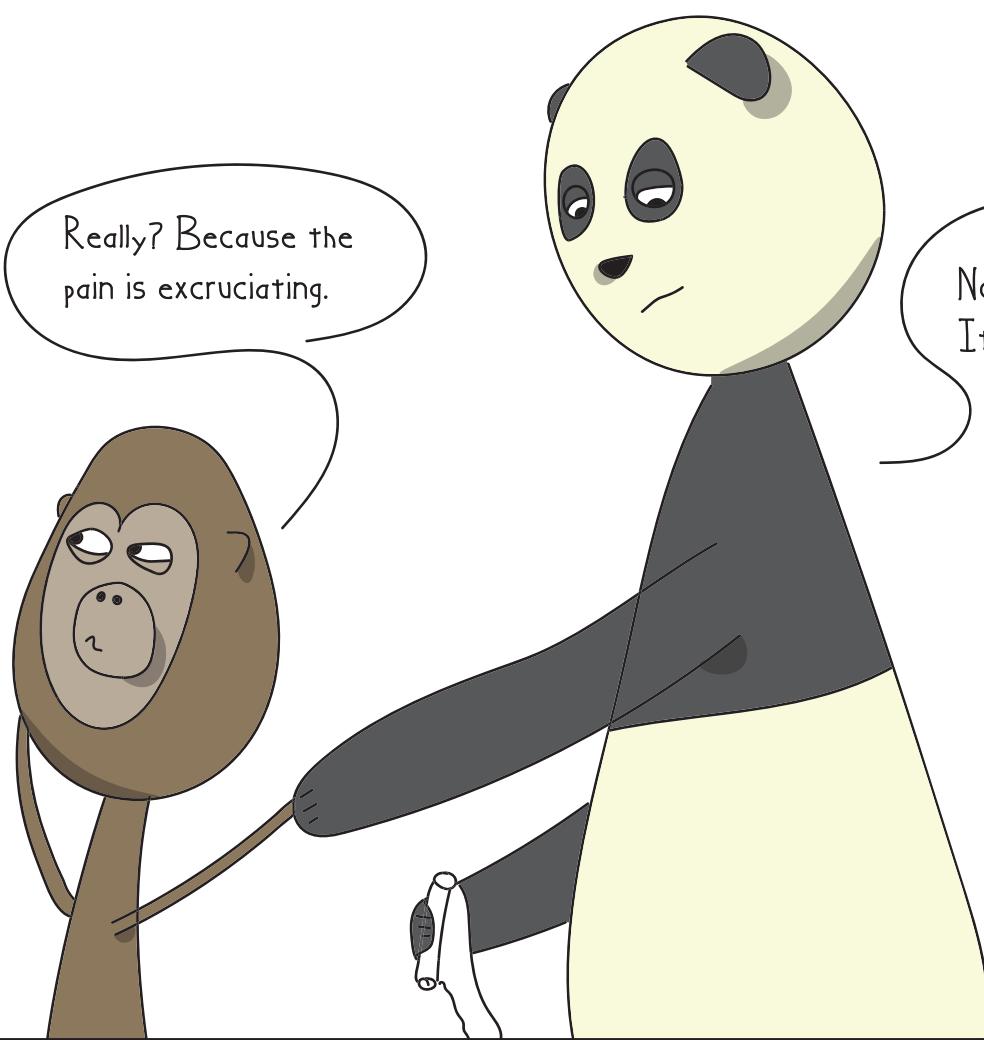

Is it bad?

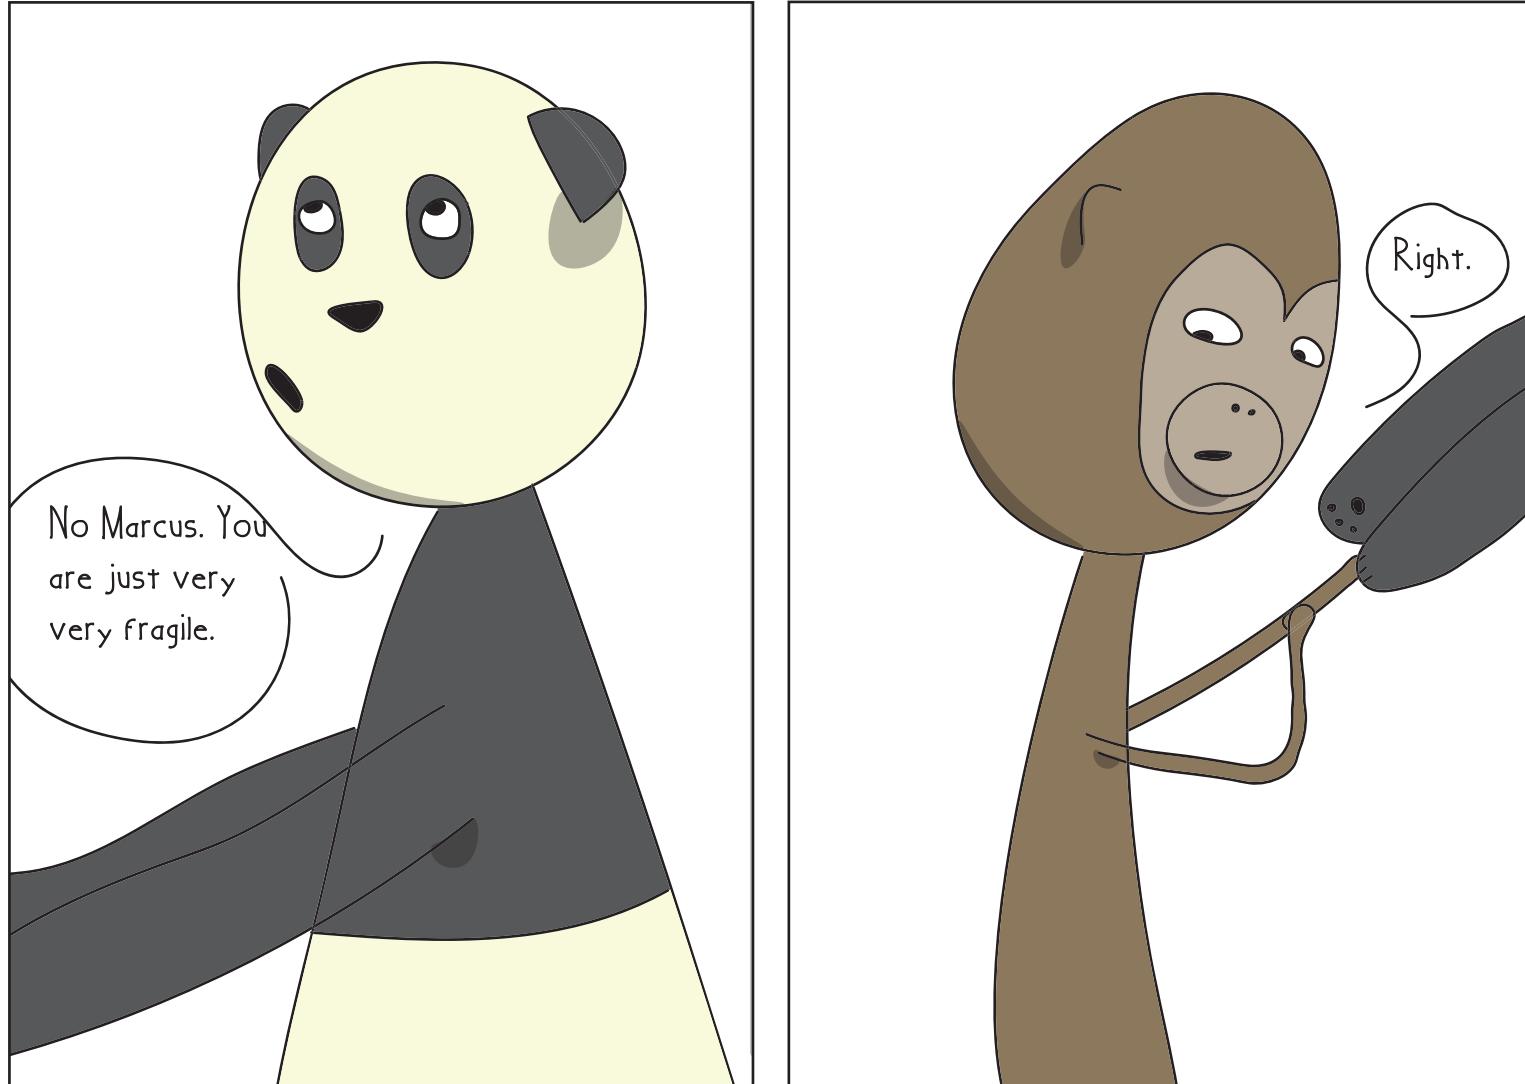

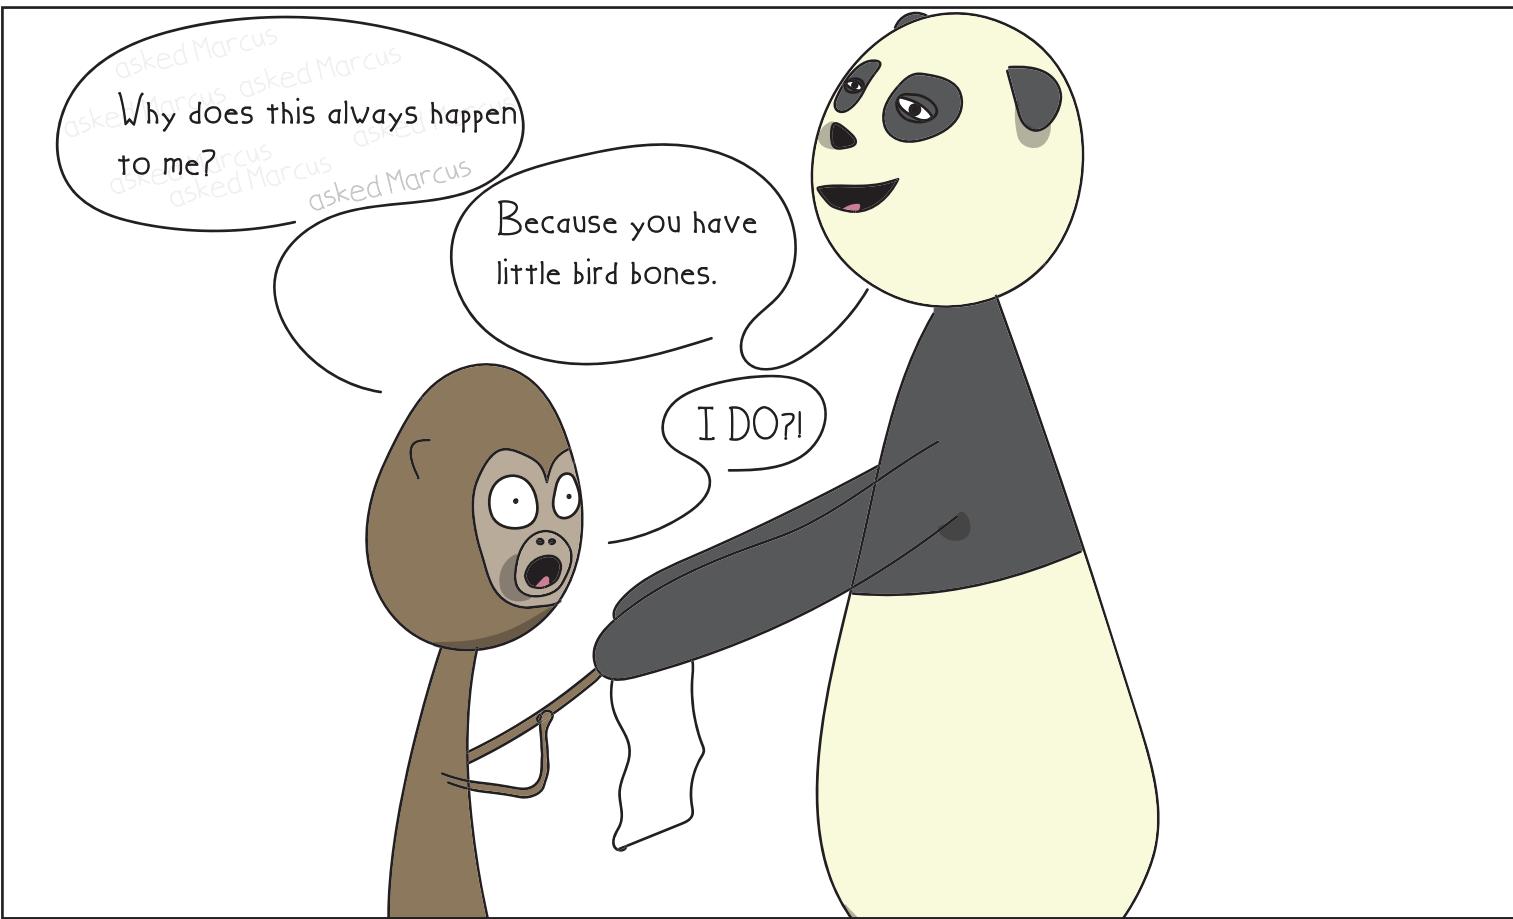

Said Pandus
Just a
scratch.
Said Pandus

Really? Because the
pain is excruciating.

No, not really.
It is bad.

How does that
feel?

I think I am starting to
understand my problem.

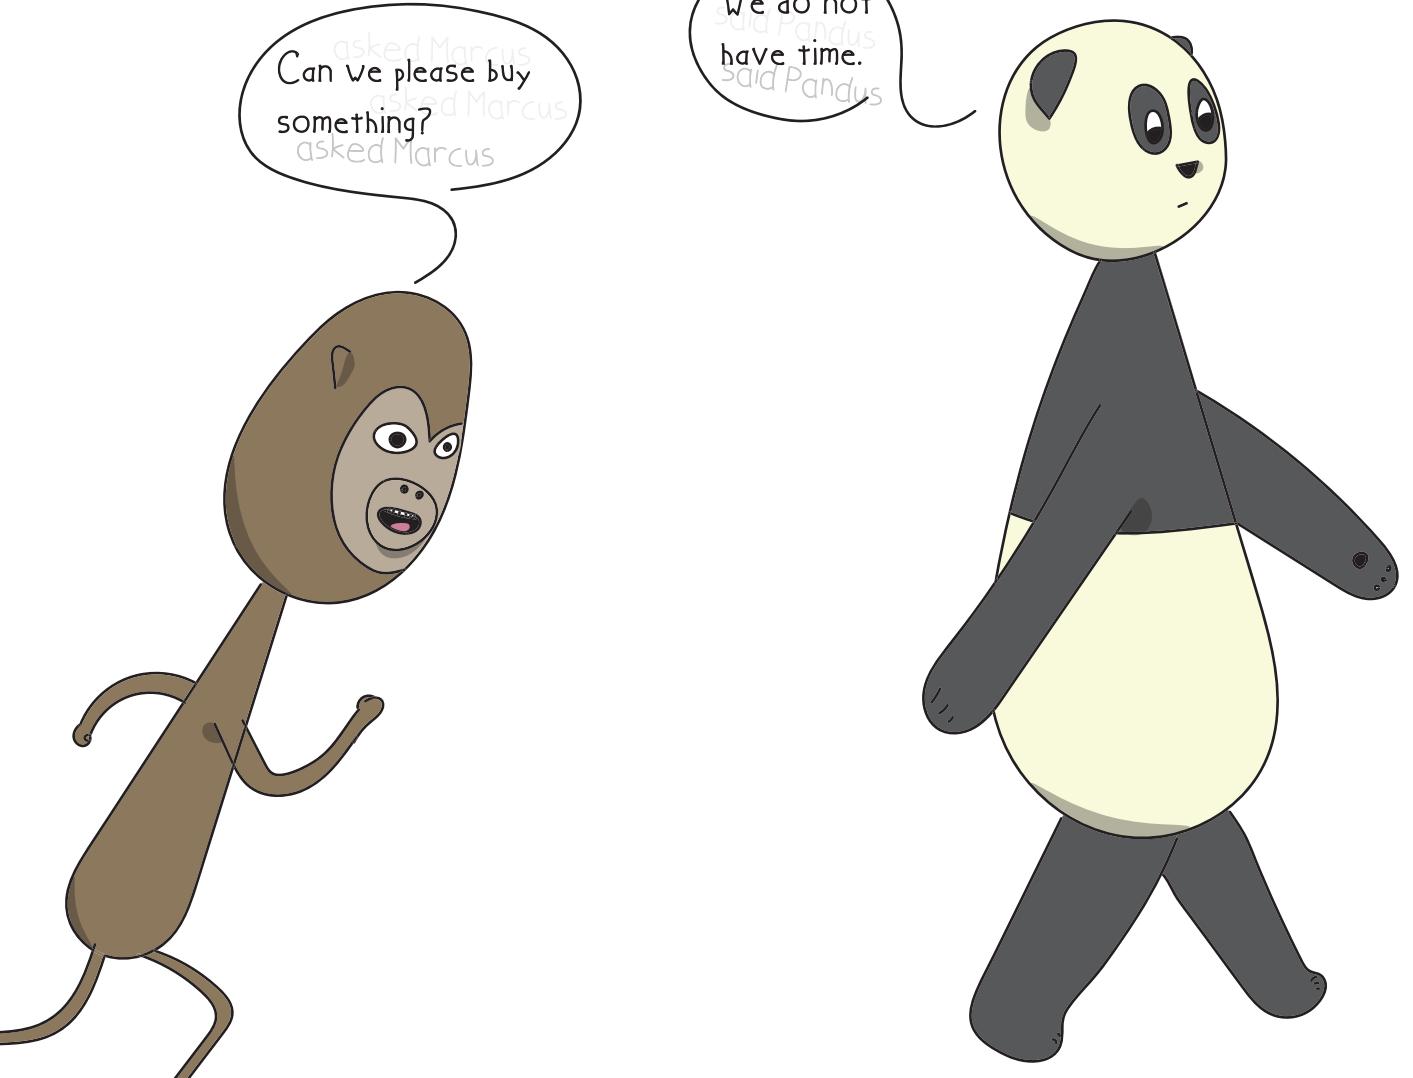

Chapter 3 – Terry

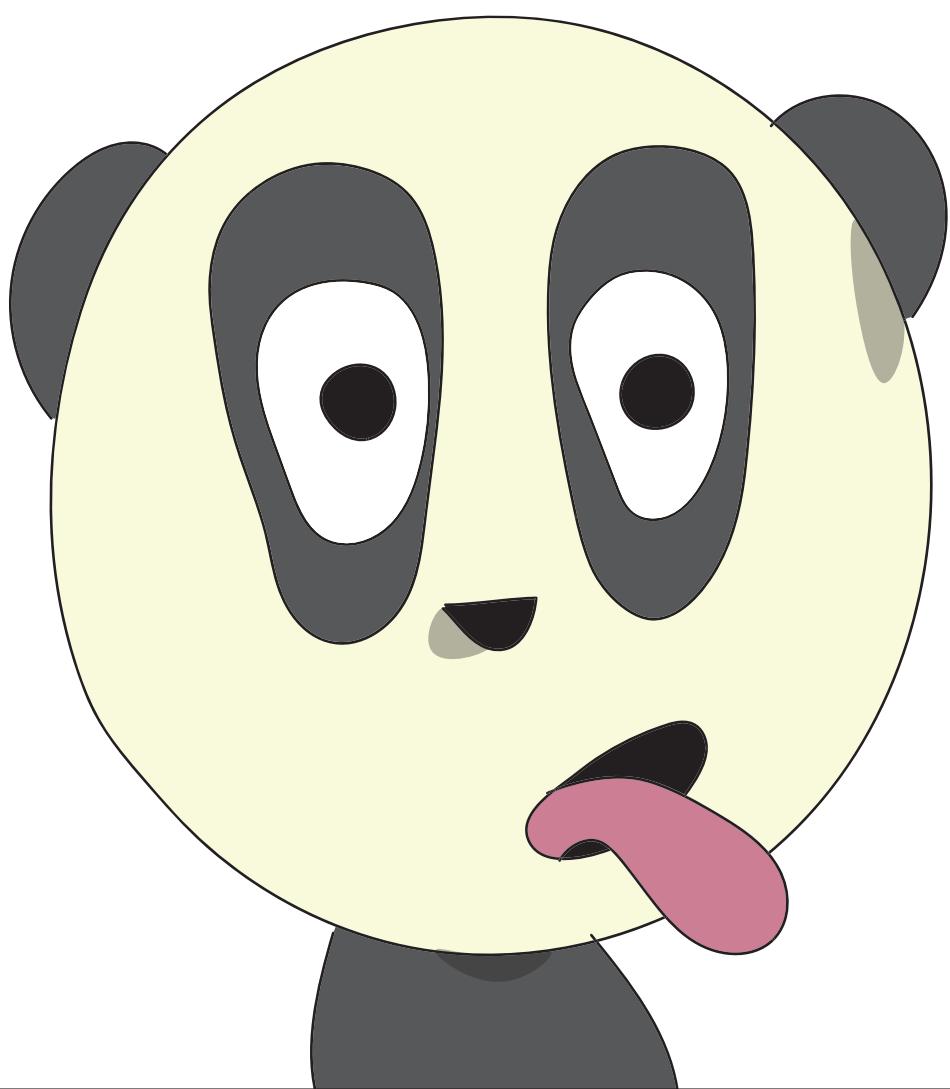

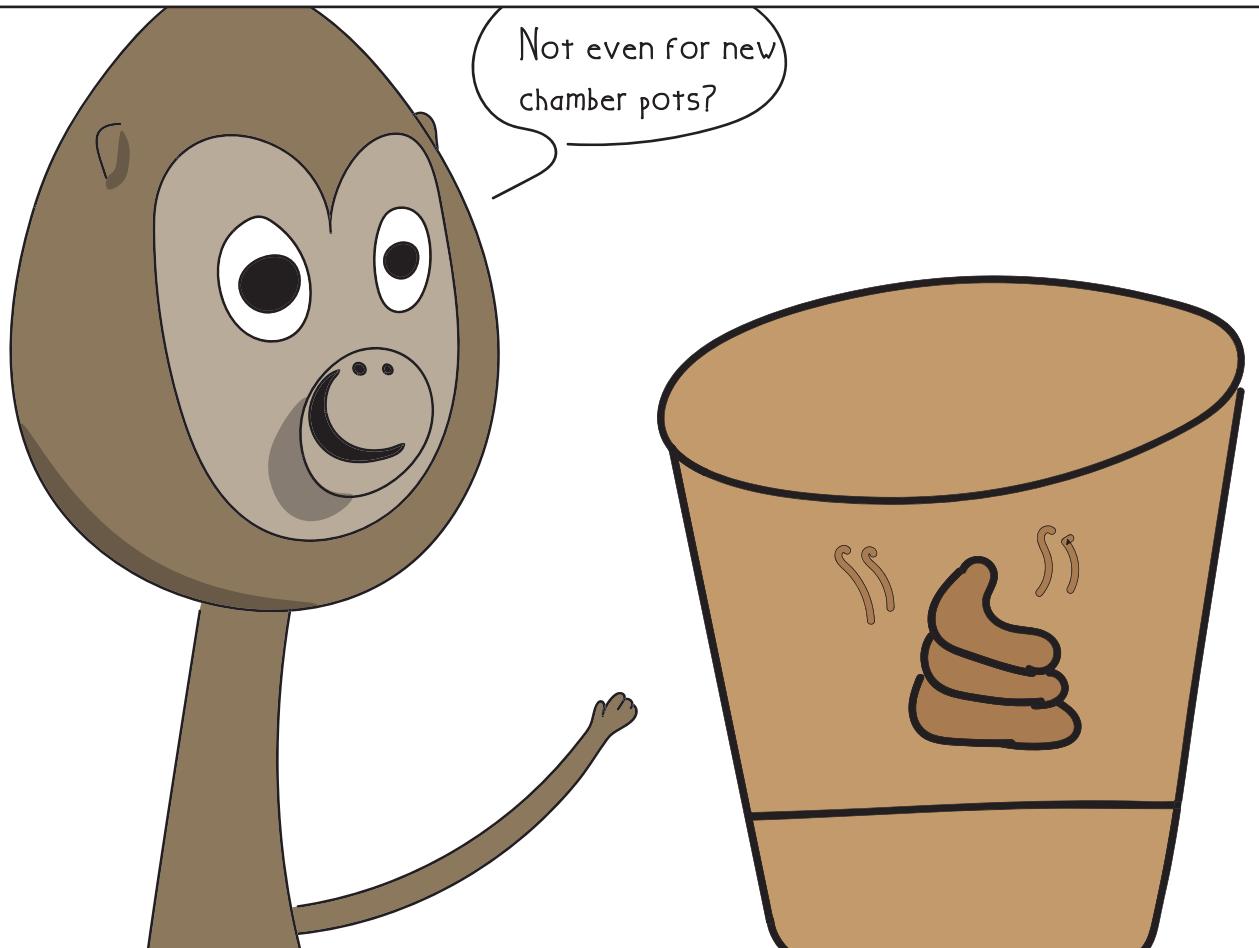

For sale today only! The extra
extra light stoic pillow!
Completely featherless! Terry
will help you sleep like a baby!

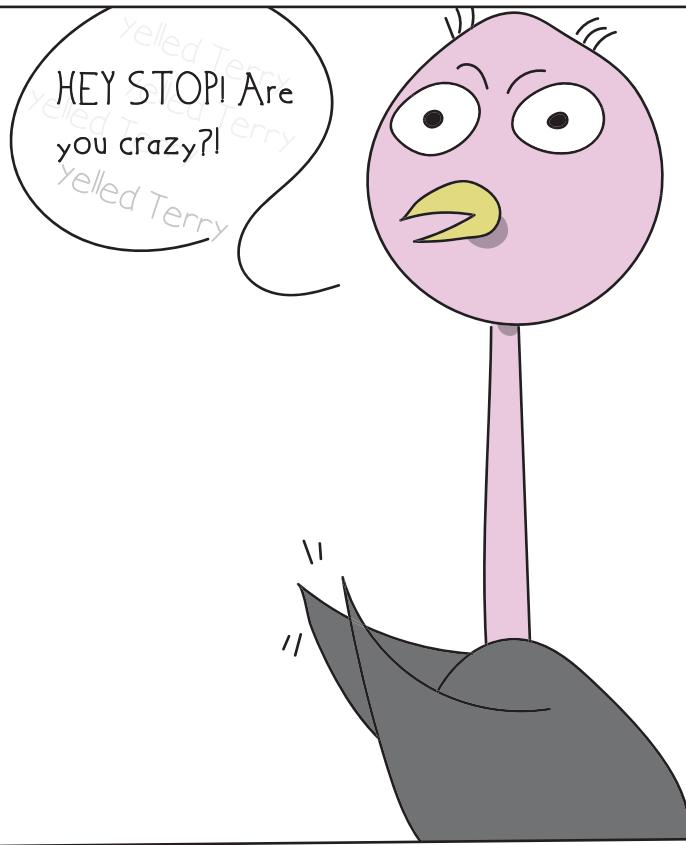

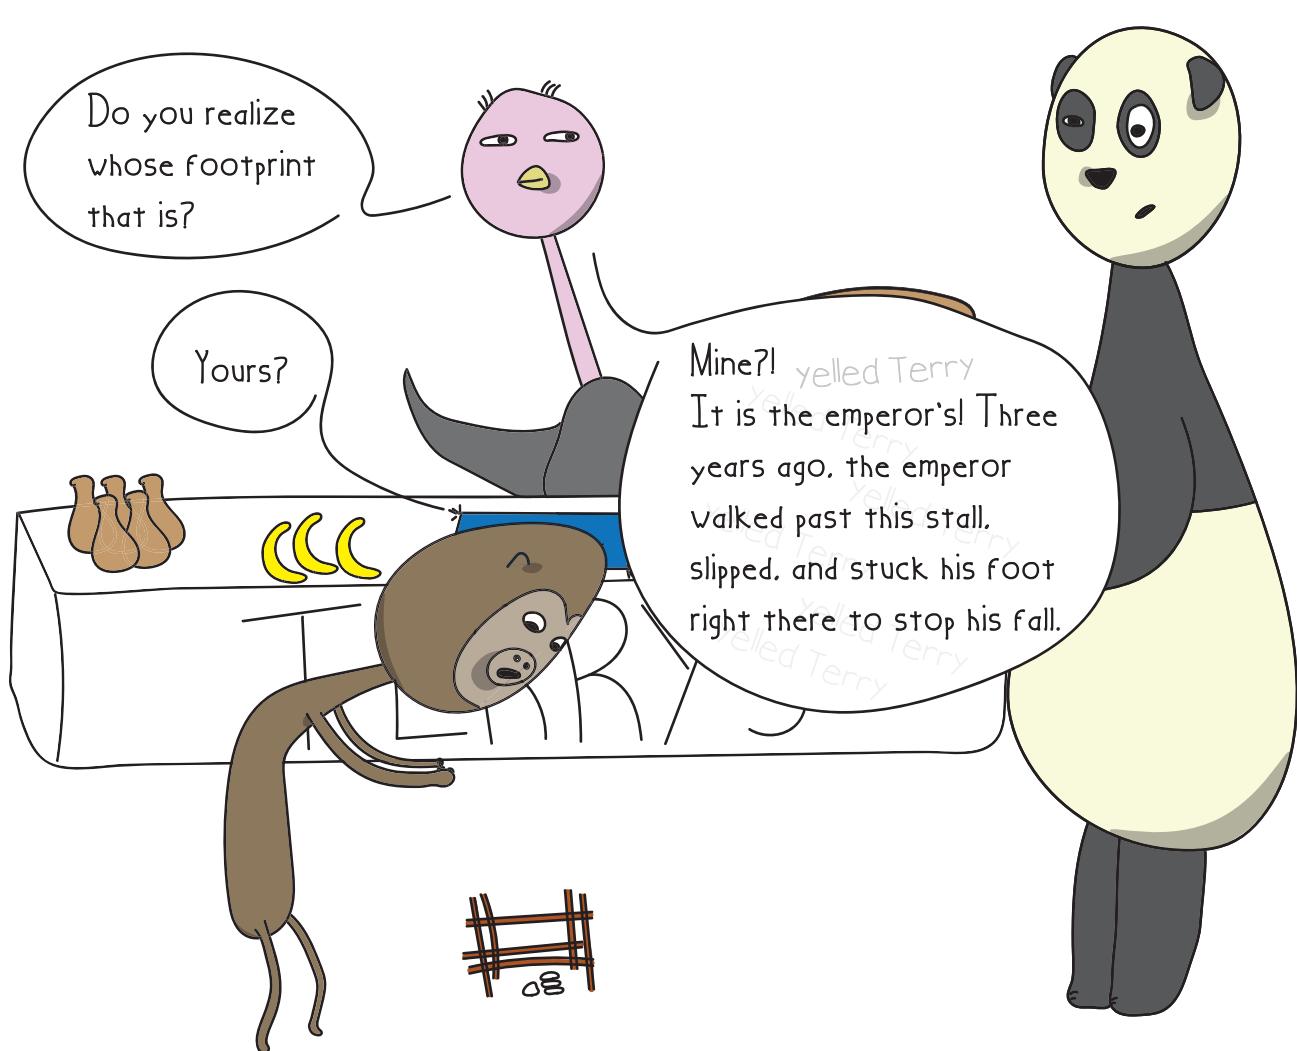

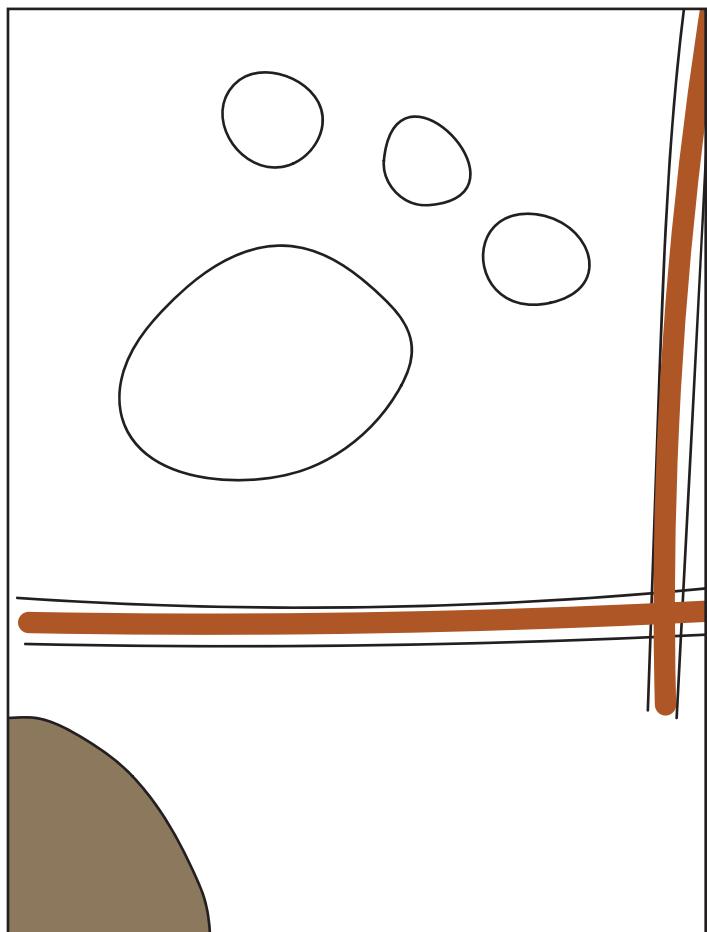

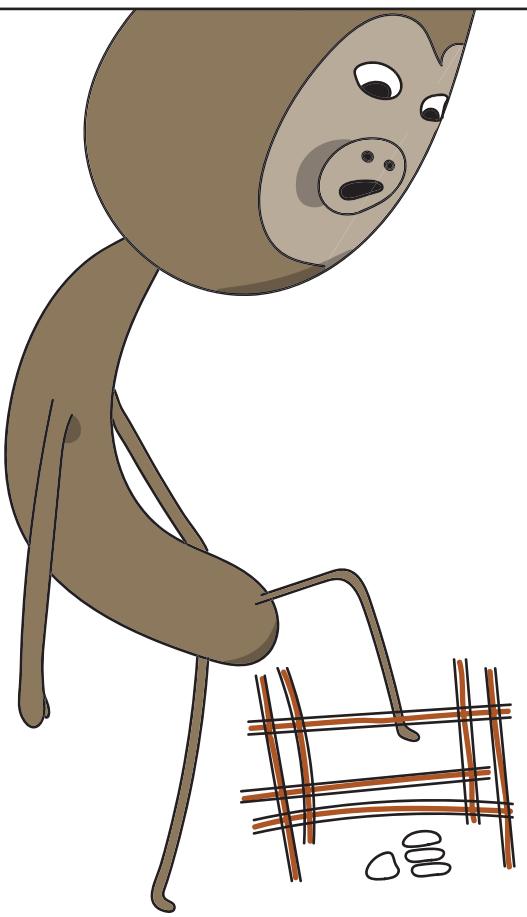

asked Marcus
Can we please buy
something?
asked Marcus

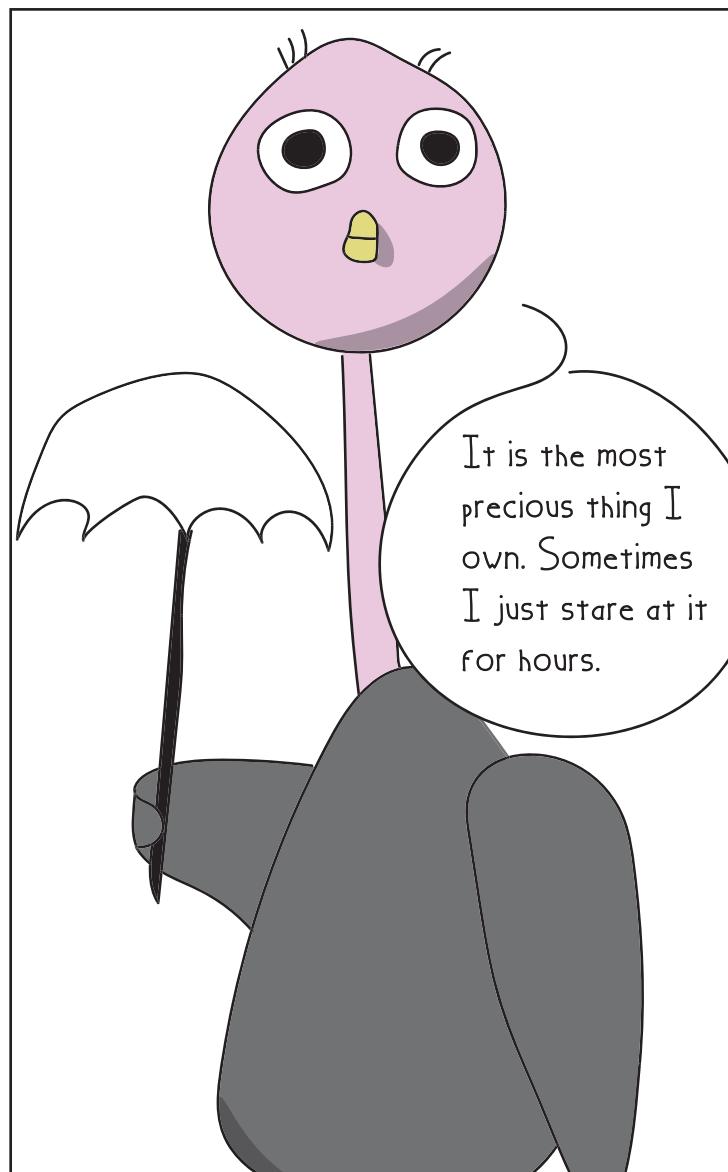

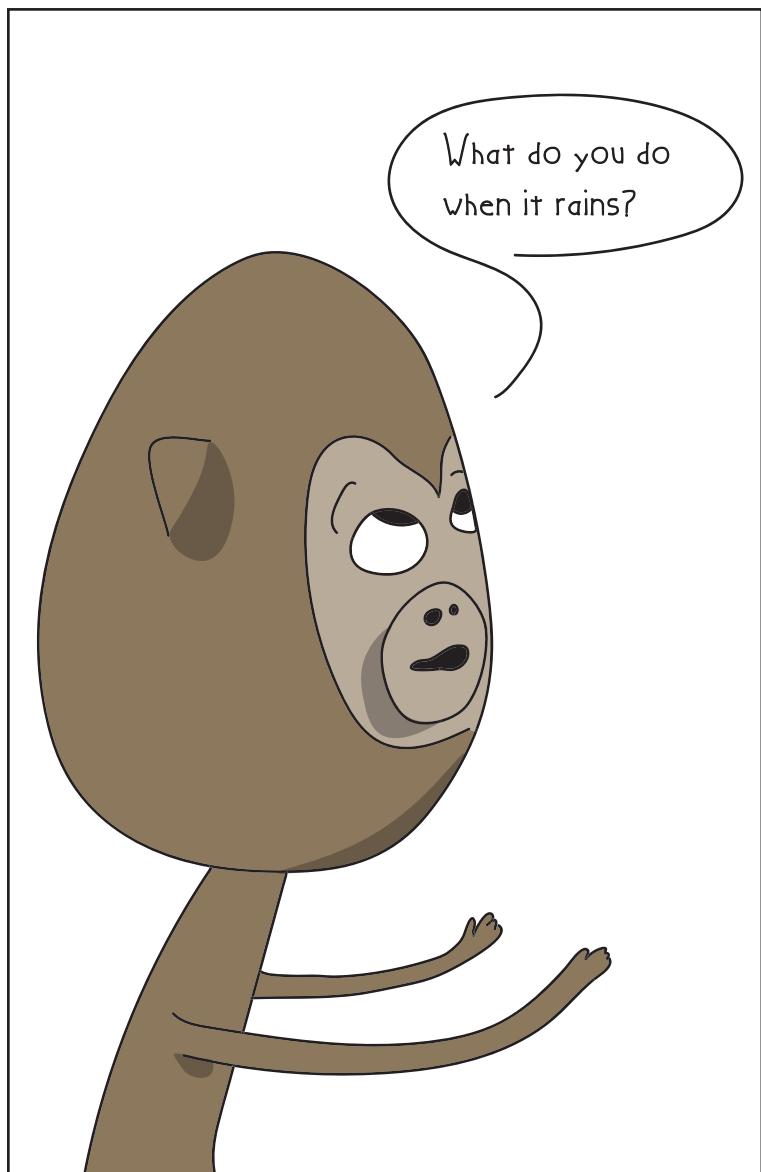

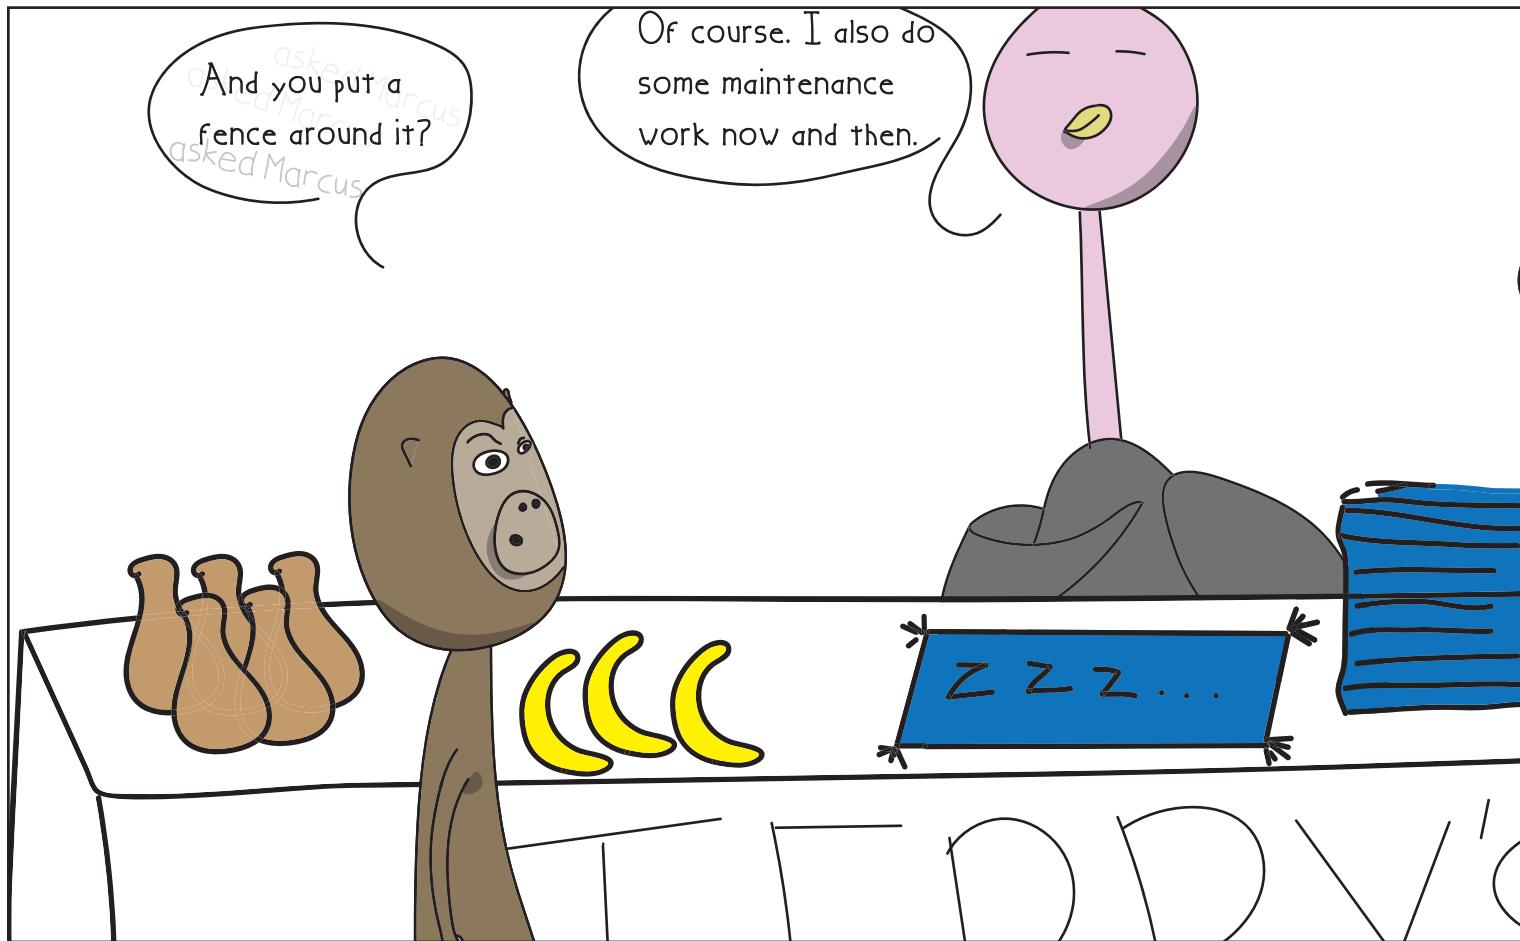

We do not
have time.
Said Pandus

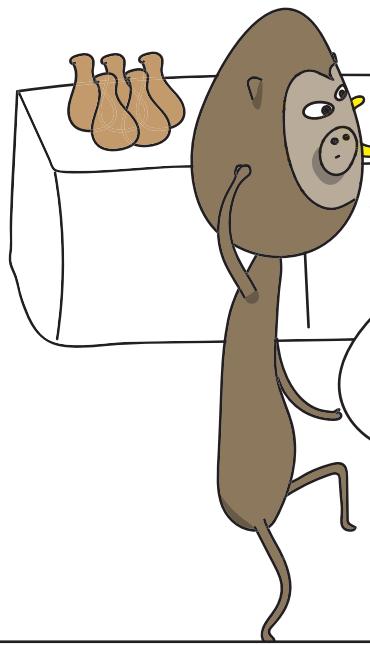

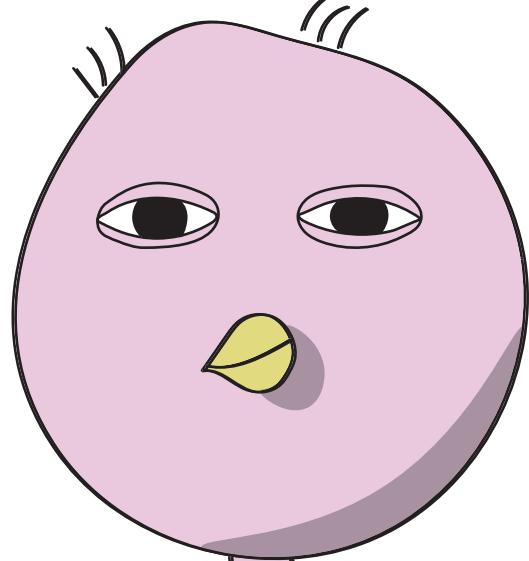

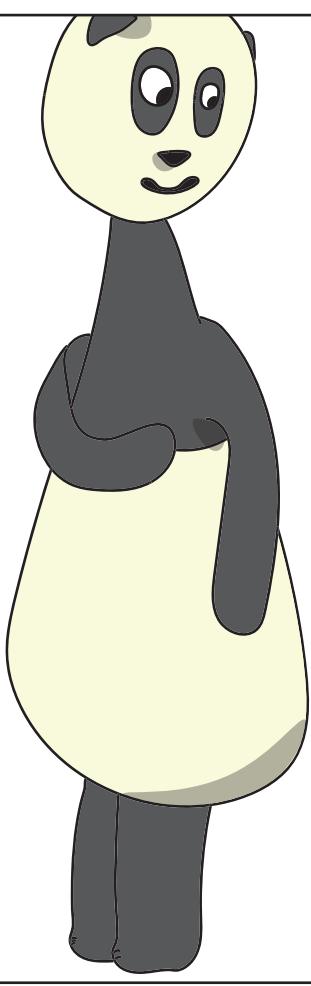

I am surprised no
one has accidentally
stepped on it.
Said Marcus

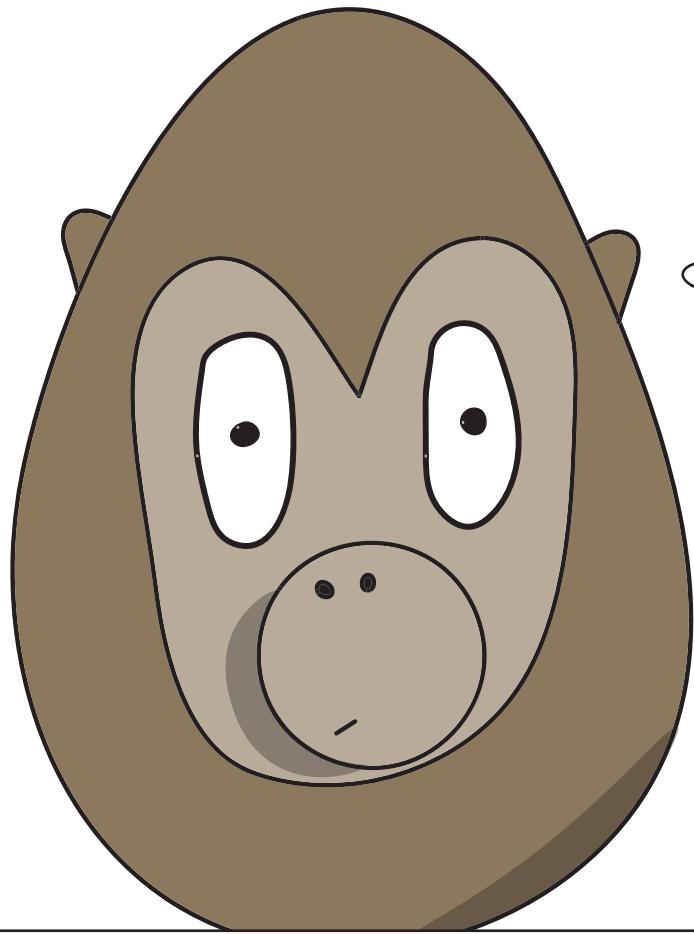

I never
leave.

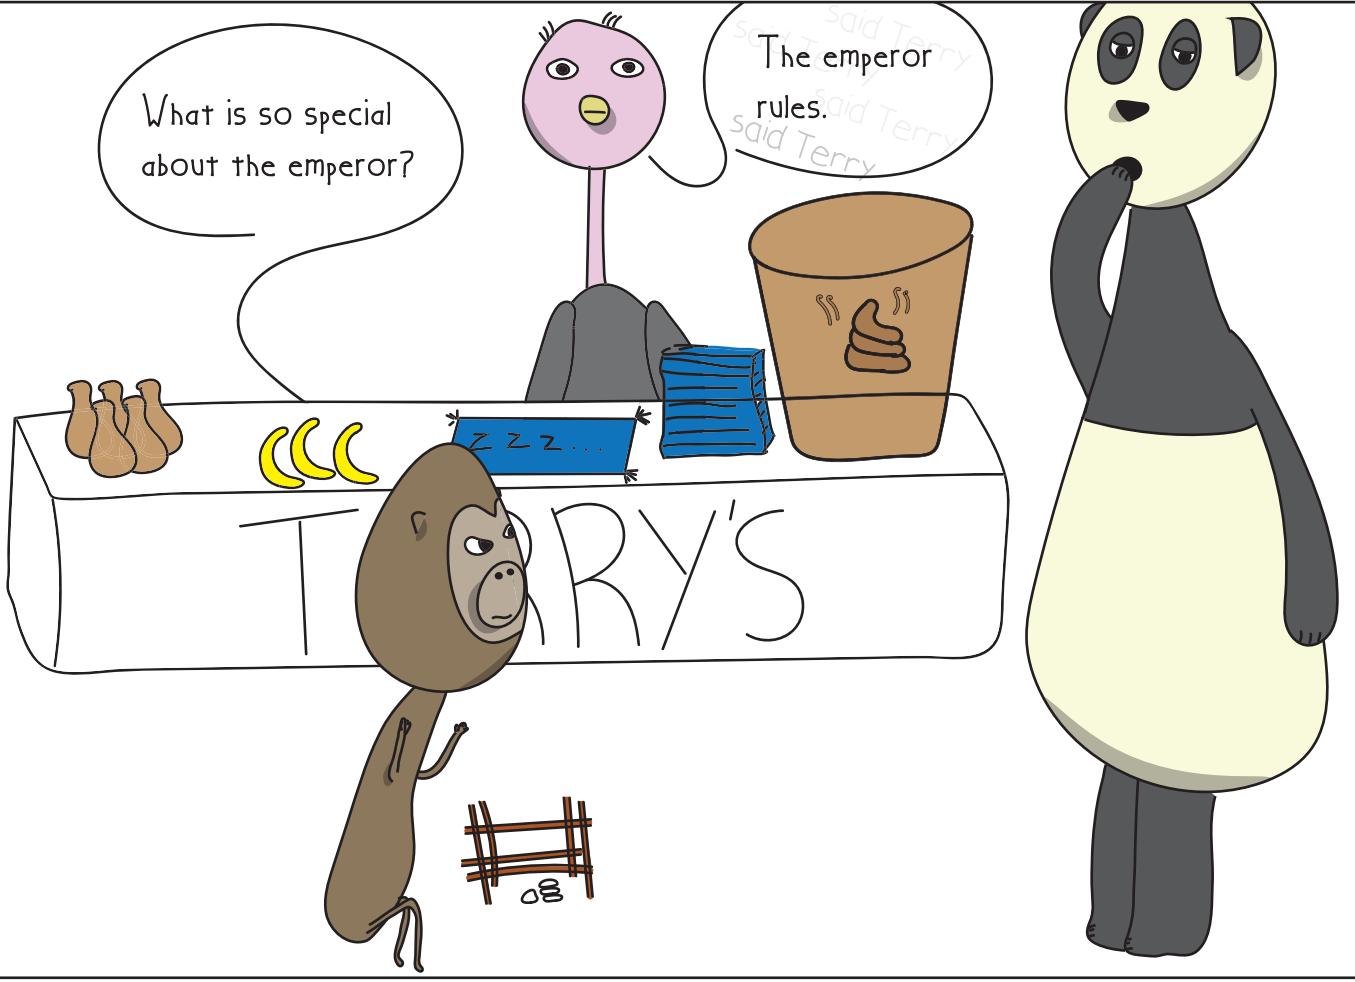

What happens when
you need to use the
bathroom?

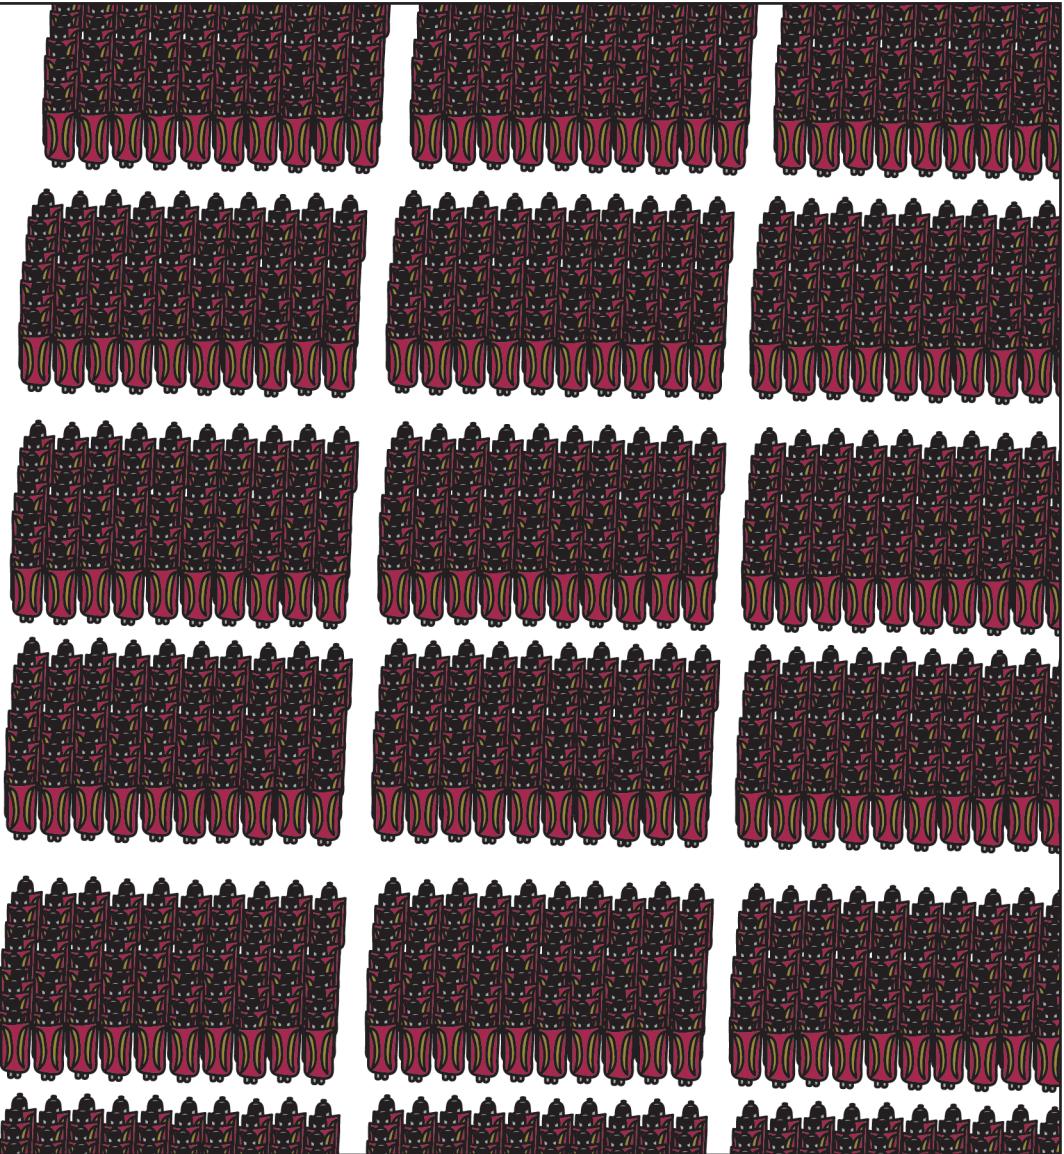

You think
this is a chair
I am sitting
on?

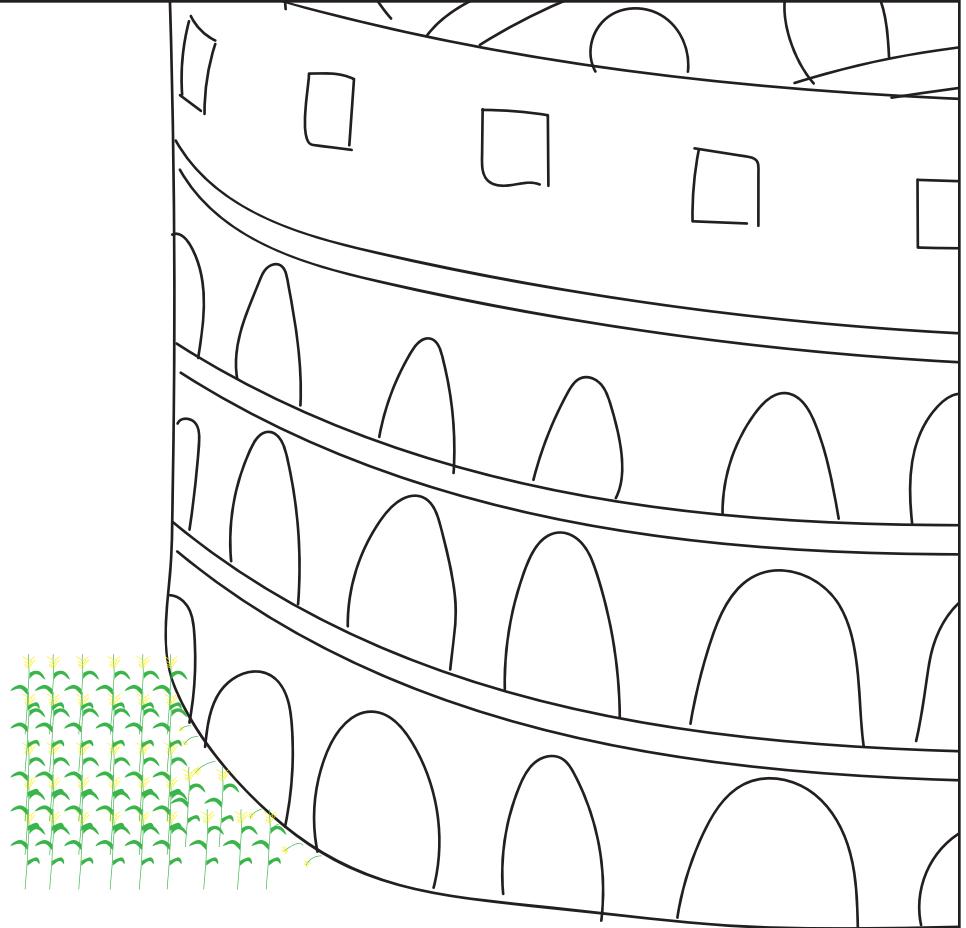

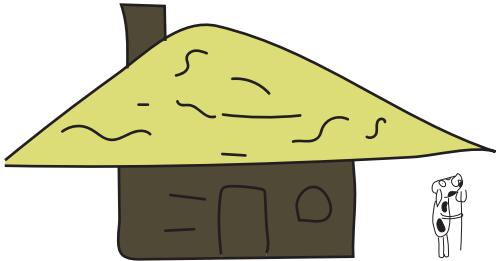

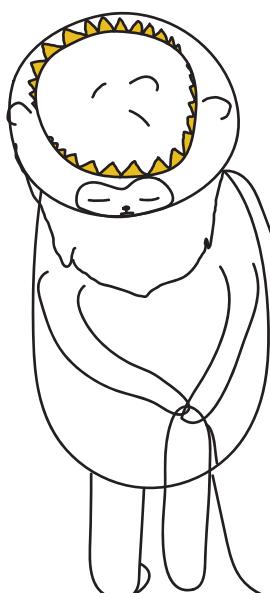

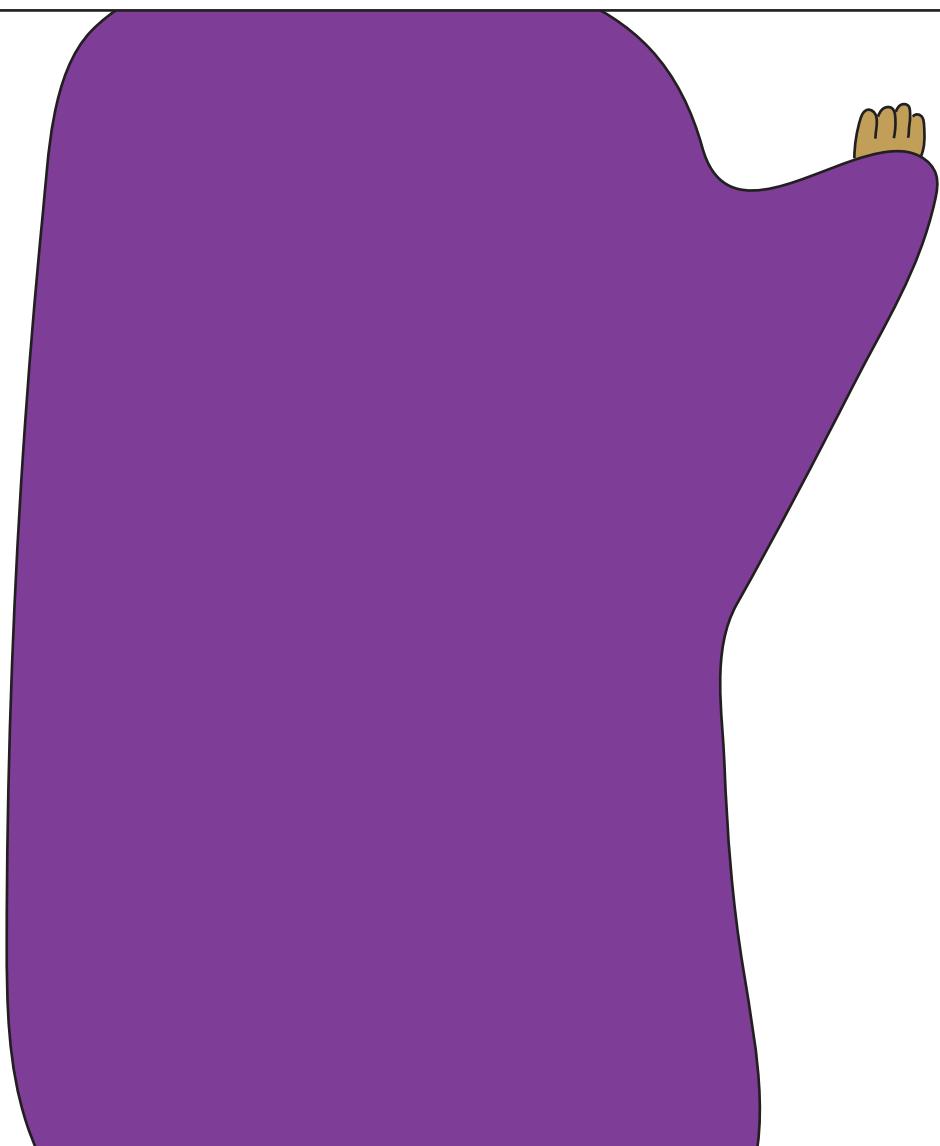

He controls the greatest
army in the world.

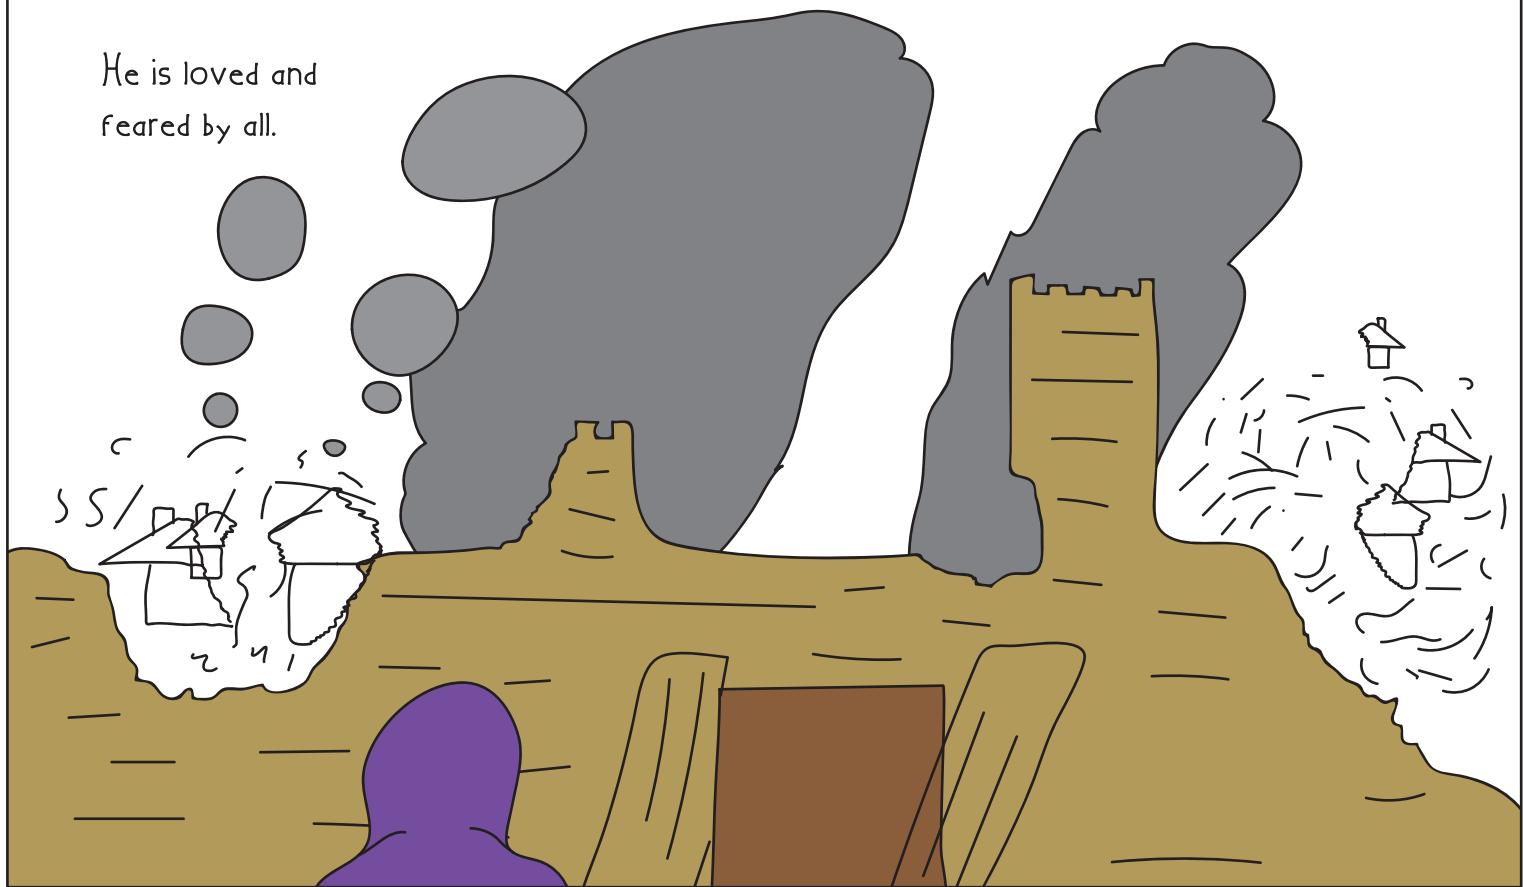

He builds whatever he
wants, wherever he
wants it.

Crowns kneel
for him.

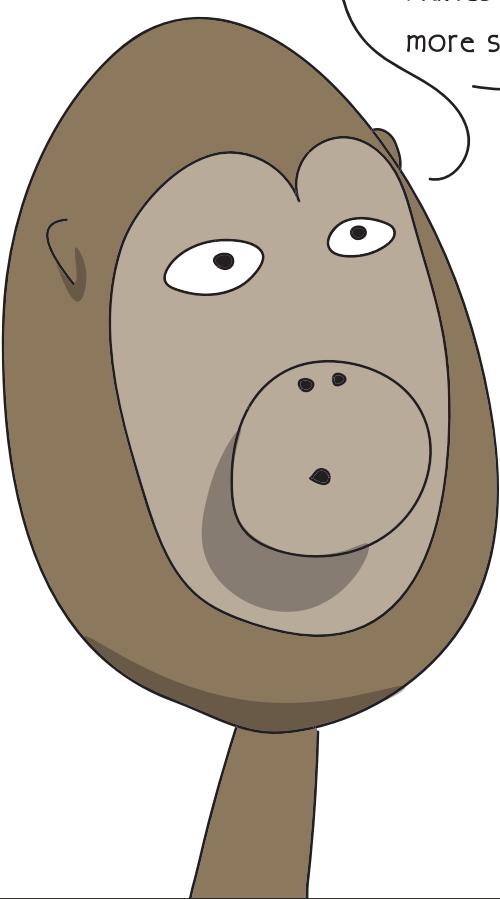

He is loved and
feared by all.

And he
stepped
there.

When you put it like that, it makes a lot more sense.
